1886 Galloway C. Morris Incoming Letters No 5 1994

SIDE TWO

The above proposition provides, of course, that I have the mare, for her keep from this time until her first colt is weaned after which to belong to me absolutely.

If you would rather keep her I will board her for seventy five dollars a year, with 1 colt for $100. & with 2 colts for $140.

Gypsy was foaled on April 22nd 78. so she is eight years old now.

Yours truly

Robt. Murray.
