n.d. Galloway C. Morris Incoming letters (Emily Hollingsworth) 1994

SIDE ONE

died, last Tuesday, in San Francisco, of heart disease, and it is a great grief & loss to them. I expect to go on to stay a short time with them, (about two weeks,) next week, but have not fixed upon the day yet. Their friend, Mrs Colonel Casey, is with them this week. I feel deeply for them, Wm was a faithful & helpful brother and they will miss him. I had a ~~letter~~ bit from Mr Roller, three or four weeks ago, not a very satisfactory one to me, but, I had been on my feet all day, moving & was very tired. His growing to dark, I cannot see much longer, but I want to get this mailed this evening, for it seems very, very long since I heard from you & I wish to know, exactly, how you all are, only a few lines will do. If you write this week, please direct here

Since then, I have been very much occupied, having my furniture

If not until the middle of next week.
