n.d. Galloway C. Morris incoming letters 1994

to give them each $5.
She to the women & I to
Richard. Do not give
more than this, $5 to each
I have been quite confused
for a day or two, but
hope I may be more
comfortable now.
You need not be uneasy
about me. I shall be
very quiet, & will
write to you on
Saturday. I pray that
God may have ordered
the issue of your
affair to His glory
& your advantage.
Thank dear Hannah for
the Cravat. I did so in
the letter.

Your loving father
Caspar Morris

You had better talk to
Emily about it as she
