n.d. Mary [Morris] Murray / Incoming Letters 1994

thing of Adelaide. It is
really kind in her to
think of me, and it is a
disappointment to me
to have to say no. I was
so sorry not to see Dorothy
before she left.
Give much love to
all the family for me with
much for herself,
from affy.
Eddie.

Receipt for making
Blackberry Wine.

To every 4 gals. of berries
put one gal. of boiling
water. Put the berries in
a wooden tub and cover.
Let them stand for three
or four days, in a cool place,
stirring several times, when
they show a little inclination
to ferment, have them
well mashed, then strain
into a stone pot or butt.
To every gal. of juice put
2½ lbs of brown sugar the
brown the better. Let stand
two or more days, stirring
until the sugar is entirely
dissolved. Then pour into
demijohns, which must
