My dear Elliston

Truly my Heavenly Father is good to me! This I realize more and more each day - and in an especial way does it come home to me when I find myself surrounded by the loving thought of all of you for me - for all of us altho so far away from you! To send us Littell for another year - is not only a constant weekly pleasure that we find in reading it - but it brings before us the knowledge of the loving thoughts for us of the dear Brother who first sent it to us - continuing it for so many years - and now that you my dear Nephew still should continue to cheer us week by week all the year through! But I do feel that it is too much for you to do for us! Only oh how dear to me is the

enjoyed yesterday a visit from your Cousin Murray Cheston and Deedie and Mary had her sleigh in the afternoon, to go as far as Owensville, where they were to spend the night with your Cousin Sally Cheston to day our thermometer is 8° And the atmosphere clear! I am thankful to have a warm room and to stay near the fire! I hope you found the sausage as good as you anticipated it would be! I only regretted that the box would not hold more cans! Please thank your son Elliston for writing to me - I fear that my head and hand may not be able to find time to answer it as my heart would wish to do! I hope some of the snap shots of street scenes may have been successful - and that we may have copies of them here! All unite with me my dear Elliston in heartfelt thanks for Littell and with love to Jovie and the boys May you all have a Happy New Year is the wish of your affec Aunt
