My dear little boy

you had arrived at
last in Philadelphia
and met with so little
inconvenience in your de-
tention on the road. I am
so glad you went up to
Mrs. Edwards' and now
so much pleased with
them all. I expect Mama
Mate is perfectly sweet
from what they all say
of her. The neighbors
have all very much sur-
prised to hear you have
been here, Mrs White
was quite surprised
and so pleased
to see me.
