Dear Harry

Your of 3d ult to hand I am sorry that our mailing have turned out we should have given Outeloey any trouble in this matter of the Guano - Baneda having knocked down the market unexpectedly - My principal plant are all naught. at wh I am not sorry as they acted in bad faith with me - & wished to make use the instrument by which to victimize Guano dealers generally - by selling for a decline

Hoping at some future time to throw something profitable in your way & with love to all -

I am Yours truly
