Telephone: West River 208-F-14

Being now eighty-five I feel it best to make my will, of course the interest I have in "Ivy Neck" goes to my remaining sister Anne C. Murray also all furniture, silver etc. from the old house, after her death to our neice A. F. Colhoun and nephew C. F. Colhoun, daughter and son of our deceased sister Cornelia M. Colhoun.

Also all stocks and Bonds unless mentioned hereafter.

First I wish all funeral expenses paid, also stones like the ones to my sisters placed.

Should Daniel Boston, an old and faithful servant, be living, I leave $100.00.

To Mary Downs, if still in our employ, I leave $50.00.

To John Murray Colhoun, my great-great nephew, to be used toward his education, $1000.00.

To Clapham P. King, a very dear friend and physician $500.00

Having been greatly interested in having placed in Christ Church, Owensville, a window in memory of the early workers of that Church, and having collected from the descendants and representatives of those workers sums of money for that purpose which I have placed in a Savings Fund(Known as Memorial Window Fund, Emily H. Murray, Tr.) in the County Trust Co. of Annapolis I desire my sister Anne C. Murray to carry out the provisions of the same should it be unfinished at the time of my death.

For the disposition of personal effects I refer to a list of this same date.

As Executors without bond I name my sister, Anne C. Murray, my nephew C. Forbes Colhoun and my niece Adelaide F. Colhoun.

Signed this 4th day of April, 1948, in the presence of us.
