Dear Dr Abrams

I am in receipt of your letter of Aug 27th ~~Your letter of Aug 27th not been received~~, with reference to my Philip Syng tankard which I value at $3000.00

I am seldom absent from home but it would be advisable before taking the 45 mile trip from Baltimore to let me know the date of your intended call and I can then (if I have not sold the tankard previously) arrange an hour to see you and also give you directions for coming

Sincerely yours
Anne C. Murray
