1960 Anne Arundel County Genealogical Society

Mr. Murray referred us to Mr. J. Reaney Kelly of Annapolis, who he said was an authority on Anne Arundel County history; however, it was quite late in the day & we were both tired, so we went on to tea at Government House & then on home without calling Mr. Kelly.

Mrs. Lynn, however, wrote Mr. Kelly & received the reply that Joseph Galloway was married to Hannah Cookson & then Sarah Birckhead - neither of these explain certain passages in the letters though, so I will copy certain excerpts for you & then will offer my own hypothesis.
