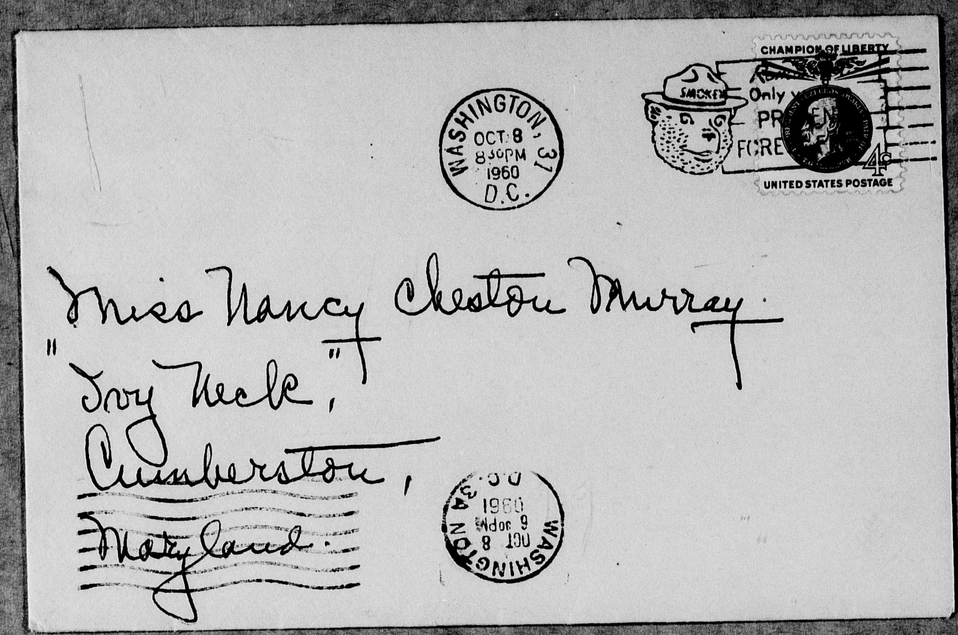
1960 Anne C. Murray incoming MS 1964



Miss Nancy Cheston Murray
"Ivy Neck",
Cumberston,
Maryland.

2.

Cousin Rose Magruder (her mother) and Rebecca (sister) (of Rose) Webster knew all about them & remember when John Lynn bought them and do not remember what he paid for them, but certainly not the price that George has placed upon them. I am like you, I do not believe that it is the portrait of Samuel Galloway but his picture shows a resemblance to our Mary Galloway Lynn.

I have found me in much love to you both.

Until we meet again.

Affectionately,
Your Cousin
Margaret Trimble Lynn.
