Murray family letters -1844

My dear cousin Mary

I want to se you all so much, I want to see the baby and cornelia very much too. What doe the baby look like? I dont like this place as much as home but I like it better than When we first came. I think that we will like the Teacher very much. Father has been moving a corn house and says he dont think that he will ever move a another house agine. the leaves or turning
