Dear Griselda.

You cannot imagine how very glad I was to receive a letter from you. And most of all you had not forgotten me. I did not think you had forgotten me, because I should have written to you first. But I cannot tell you why I was so long about writing to you. I often think of how much fun we had together, I often have to laugh and talk about you. And wish that I was back at school to have some more fun

Glad to speak to you no hurt even of marriage yet. And Edna has stopped writing to me. I certainly do feel very sorry for her. I thought myself that Edna was nicer than her sister. I was disappointed when I first heard of it would only make her feel bad. I could scarcely believe it when I heard that Greta Kemp was back at Glyndon School I dont know when I was so surprised as I was when I heard it. Tell her for me that I was very sorry to hear that she had been sick so long. give my love to her and Bertha. Tell B. that I suppose she is very glad that I dont come to school any more, for she always said I was so dumb and that I always made her & the other girls bad. I hope they are all good now. And I always thought she made us bad. Griselda I will be always very

I have written this letter I have written to you after this letter I hope you will write to me. Yours Miss Carroll
