My dear Mary

I received your postal card yesterday and I hope that you had a nice time at the dance. You havent told us whether Mr Dame has accepted or not. We went up to Chestnut Hill Monday. Allister, Mamie and I, we went to both places. As we were walking from the depot to Aunt Sully's we passed Aunt Sully's carriage with Ethel Donaldson, Murray, Charlie and Robert. They were going to a cricket match. Who do you suppose is engaged to be married?
