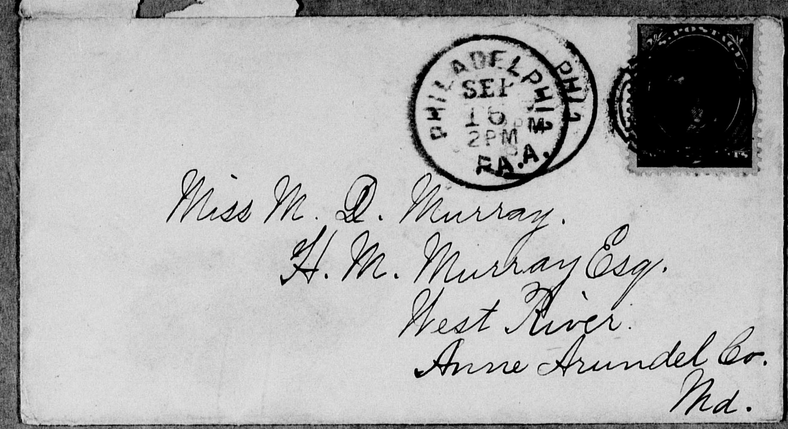
Murray family letters 1894



Miss M. D. Murray.

Mr Bob Toppin to a Miss Cushing
niece of Mr Caleb Cushing of Boston.
Yesterday we spent the day at
Mrs Leavitt's. Herbert began school
Monday and Ellston began to-day.
Nannie and I began at Dr Hopkins
to-morrow. I hope that we will hear
to-morrow certainly what day Mam-
ma is coming. Kit had a letter
from her yesterday and she said
that she would come one day the
last of this week. I have nothing
more to tell you as I suppose Nannie
told you every thing Sunday. I wrote
because I knew that you would
like to hear from us more than
once a week. Hoping to hear from
you soon about the dance. I remain,
Love to all. Your loving sister,
Sally C. Murray.
