My dear Mary

Received your postal card yesterday and I hope that you had a nice time at the dance. You haven't told us whether Mr Dame has accepted or not. We went up to Chestnut Hill Monday. Allister, Nannie and I, we went to both places. As we were walking from the depot to Aunt Sally's we passed Aunt Sally's carriage with Ethel Donaldson, Murray, Charlie and Robert in it. They were going to a cricket match. Who do you suppose is engaged to be married?
