The Christ Church Branch of the Woman's Aux. has held in the year four Quiet Meetings with an average attendance of eleven. Three new members have been enrolled. Four articles have been read. Four poor people have been helped. The Cutting-out

Com. reported twenty articles, and a counter made. $47.77 was sent to Rev. Mr. Morris for the Church in Porto Alegre, Brazil. $30 was sent with this from present out side of the Aux. From a Sale at Xmas $31.00 was realized. $22.00 of which was sent to the Domuiana and $22.00 to Alaska.

A Committee on Colored Work for this Parish was appointed in response to the suggestion by the Committee for Colored Work in the Diocese. A Parish Aid Society was organized in Feb. and the Aux. turned over to it all supplies it had for the poor. Rev. John Ambler gave an illustrated lecture on Japan from which realized $12.00 for the benefit of our Mission in Japan.

June 11th The Woman's Aux. met on the 11th of June with Mr. Packard in the Chair and 22 members present. The Minutes were read & approved. The Treasurer reported $3.00 in hand. The Purchasing Com. reported 44 yards of Material. As this was the last Meeting the Mr. Packard was to meet with us - he having accepted a Call to Rockville - he urged upon the Aux. the importance of continuing to have the Meetings, although we will not have the Workday Service to bring us together. He spoke of the great importance of United Prayer and suggested that we would have it if nothing else specially during the time that we may be without
