1894 - 1904 Christ Church Branch Woman's Missionary Society Minutes

the possible bright spot of the present War in opening up the way to carrying the Protestant Religion to the Philippine Islands where Romanism is now even more corrupt than in Bogie and where Priests ridden people rebell against, and will probably massacre the priests yet if an uprising occurs. Our Mission to Cuba also will have to be kept in view - remembering the numbers of hopeless homeless people who will probably be left there at the close of hostilities. He also said he had been spoken to in regard to the Mid-day bell, by some whose opinions he valued, who think it not generally heard & is hardly worth the trouble. As it incurs no expense said that he employs the Sexton and as he thinks a useful reminder he expects to continue it.

Mr. Plummer was nominated for 1st Vice-pres. but declined and Mr Plummer said he thought it wiser that the officers should be held by those who families with the Neighborhood.
