1894 - 1904 Christ Church Branch Woman's Auxiliary to the Board of Missions Minutes 1894

Meetings were read & approved. The Treasurer stated
Was that amount realized in the past six months
for China is $4.60. Mr Plummer said it
was much more, than he had even hoped
for and he should give thanks for it, which
he did in the closing prayer.
It was decided how this sum should be
designated. Mr Plummer suggested it being
divided between Rev. Mr Sugle, Dr Gates Work
for Woman in the St Luke's Hospital, Shanghai,
and the general Mission in China. After
reading a letter before the Society from Mr McRae,
he explained that Mr McRae will have no Mis-
sion for them for a year. but Mr McRae recom-
mended this work in the hospital. The Sec. ex-
plained that it has been an understood thing
amongst the Members of the Aux. that we were
making for Mr Sugle & Rev. Mr McRae's work in
China, and that we regret very much that this
money cannot be sent directly to Mr McRae as well
as to Mr Sugle. Miss Elizabeth S. Murray pro-
posed that the sum should be divided between
Rev. Mr Sugle, the Work in St Luke's hospital
& the general Mission in China. the several
amounts being $32.30 - to Mr Sugle - $15.00 to
Dr Gates Work, & $17.30 general Mission in China.
This was seconded & carried.
After some discussion as to our next work
it was proposed by A. M. Murray that we
should take Mexico. this was carried.
