the study of Missionary fields most helpful.

Resolution
That in the death of our beloved Treasurer - Miss Sally Thomas the Woman's Auxiliary of West River has lost an able & most faithful fellow-worker, whose loss is irreparable. From her youth to her honoured old age a diligent laborer in the Lord's vineyard. She fulfilled every task given her with zeal & faithfulness. Of a naturally happy disposition, her unfailing cheerfulness brightened every company of which she formed a part. Foremost in all good works she was specially devoted to the cause of Missions - for nearly fifty years she filled the office of treasurer - first to the Ladies Missionary Society of West River, from 1854 to 1869. Then to the Parish aid & Missionary Society, to cease in 1880 and finally merged into the Woman's Auxiliary. During all this time her intelligent earnestness in the cause of Missions was a constant incentive to higher efforts on the part of her associates.
Her own personal feeling was chiefly for the work among the Indians, but she was

always ready to waive her own preferences & to enter with enthusiasm into any work chosen by the Society. The last work of her life was some exquisite embroidery the proceeds of which she desired should go to China for Bishop Tuttle. this was completed with great effort just before her last illness.
She has gone from us to receive the welcome - "Well done good & faithful servant, enter into the joy of thy Lord." But the memory of her beautiful Christian life will remain as a benediction with those who knew & loved her.
