1875-1880 Emily Hollingsworth Incoming letters 1874

209 So 3rd St.
Phila. May 9th 1881.

My dear Cousin.

Yours at hand — I am glad you approve of my course in the matter of the $2000.00

Did you see by this mornings papers that the suit had been decided in your favor and that you now have undoubted title to those lands in Pendleton Augusta & Rockingham Co — clear of all blemish. I enclose you a slip from this mornings Ledger —

Harry Hall was not so well yesterday but is again better to day — Sister — Miss Alice & Sally expect to go home to morrow —

Fathers letter rec'd at the same time as yours was generally better than most of them have been lately — There is nothing here to hurry either you or him home — I think everything will go on comfortably at 1633 —

Yours lovingly Sallie
