wants the Grey that we have here - we are very sorry to part with her she is such a real pleasure to drive her - but will be glad if Charley can sell her. We have not heard from the girls since Harry came home - we expect them home tomorrow, Harry leaves us tomorrow will be absent a week - he goes first to Sandy Spring Montgomery County and on Tuesday comes back to Baltimore and will be there until Friday when he returns home. Rec'd Mr Deed's Monday Jany 7 and same evening
Cornelia expects to go up on Wednesday for a visit to the dentist for herself and May meanwhile they will stay with Mrs Hall and will come home on Friday with Harry. So you see Dear Cousin we are constantly on the Move! Harry is tired out - but the trip to Montgomery County always rests him so I hope he will feel better when he gets home. We were sorry to part with Olivia this morning, but she felt that she must go back to her home duties. I hope she will be able to come again before long. We have Lemmie Iglehart staying with Emily now - she is very bright and we are enjoying her visit very much. Now dear Cousin I must tell you good bye
