Bone Flour.
UNADULTERATED,
MANUFACTURED BY THE
Boston Milling and Manufacturing Co.

THE value of unburnt, unadulterated Bone is well known. When reduced to the condition of FLOUR, it is as active as if dissolved with acid, and is far better, because it retains all its Phosphates. Its superiority over the common BONE DUST is two-fold or more. It is a consummation sought for in vain for the last half century, and is destined to give new value to BONE as a fertilizer, and work a revolution in its use. The BONE FLOUR is made only by the above Company, and is branded with their trade mark, which is the guarantee of its genuineness.

To the Public.

HAVING made extensive preparations for the Sale of Real Estate and possessing great facilities and considerable experience therein, I have taken out special license for that purpose, and respectfully solicit the attention of those wishing to purchase or sell real property in this county.

I make no charge except actual expenses unless I effect sale of the property—and then will be satisfied with a moderate commission.

Persons wishing to purchase will be likely to be suited as I have already some twelve farms for sale, in various sections of the county, both in the interior and upon fresh and salt water; of sizes ranging from 80 to 280 acres, and at prices from 20 to $100 per acre.

Persons wishing to sell will find it to their interest to furnish me, either in person or by letter, with authority to sell, giving me a full description of the property, and the best terms on which they will sell—what proportion they will require in cash and what time they will give on credit payments and what security they prefer for deferred payments.

Also, persons wishing to invest money in mortgage of real estate or to borrow on mortgage will do well to hand me in their applications as soon as possible, specifying amounts, time, and description of property. I. C. W. POWELL,

PETROLEUM FEVER.

BY THE BARD OF MARBLE HALL.

I heard a chat the o'her day,
Between two friends across the way,
Which, as it was not contraband,
May be reported through the land
And do no harm.

A Mr. Black and Mr. Brown
Had met upon their way down town;
When Brown of Black asked, "Is it true
That such good fortune came to you
Through your new farm?"

I hear that a great run of luck
Is yours; that you have struck,
Or been struck, or *will* strike,
A well, that they do say is like
Alladdin's lamp!

"Why, yes," the happy black replied,
For once Dame Rumor has not lied,
I feel repaid for former toil,
For I've been really "striking oil"
And shall decamp
With Fifty Thousand, more or less,
To the old world my eyes to bless
With all that's wonderful in art.
But, that I well may act my part,
Design to call
And fit myself before I go
With summer suits from top to toe,
From those whose fine artistic skill
None have surpassed, nor ever will,
Outside of "Marble Hall."

Will radically exterminate from the system Diseases arising from Habits of Dissipation, *at little expense, little or no change of diet, no inconvenience or exposure;* completely superseding those *nauseous and dangerous remedies, Copaiba* and *Cubebs*, in curing these diseases.

USE HELMBOLD'S
FLUID EXTRACT BUCHU

in all Diseases of the Urinary Organs, whether existing in MALE or FEMALE, *from whatever cause originating, and no matter of how long standing.* It is pleasant in its taste and odor, IMMEDIATE in action, and more strengthening than any of the preparations of *Bark or Iron.*

Those suffering from Broken Down or Delicate Constitutions, procure the Remedy at once.

The Reader must be aware that however slight is the attack of the above diseases, it is certain that the *Bodily Health, Mental Powers and Happiness* of the victim of treatment is submitted to, Consumption or Insanity must ensue.

All the above diseases require the aid of a diuretic.

HELMBOLD'S EXTRACT BUCHU
Is the Great Diuretic.

HELMBOLD'S
HIGHLY CONCENTRATED
Compound Fluid Extract Sarsaparilla,

For purifying the blood, removing all diseases arising from excess and dissipation in life, chronic constitutional diseases arising from a impure state of the blood, and the most reliable and effectual known remedy for the cure of Scrofula, Scald Head, Salt Rheum, Pains and Swelling of the Bones, Ulcerations of the Throat and Legs, Blotches, Pimples on the Face, Tetter, Erysipelas, and all early eruptions of the skin, and beautifying the complexion.

NOT A FEW

of the worst disorders that afflict mankind arise from the corruption that accumulates in the Blood. Of all the discoveries that have been made to purge it out, none can equal in effect *HELMBOLD'S COMPOUND EXTRACT OF SARSAPARILLA.* It cleanses and renovates the Blood, instills the vigor of health into the system, and purges out the humors which make disease. It stimulates the healthy functions of the body and expels the disorders that prey on and trankle in the blood. Such a remedy, that for the relief of disease has long been sought for, and now, for the first time, the public have one on which they can depend. Our space here does not admit of certificates to show its effects, but the trial of a single bottle will show to the sick that it has virtues surpassing anything they have ever taken.

Two tablespoonsful of the Extract of Sarsaparilla, added to a pint of water, is equal to the Lisbon Diet Drink, and one bottle is equal to a gallon of the Syrup of Sarsaparilla, or the decoction as usually made.

The above Extracts are prepared on purely scientific principles—in *Vacuo*—and embody the full strength of the ingredients entering into their composition. A ready and conclusive test will be a comparison of their properties with those set forth in the U. S. Dispensatory.

HOW TO USE THE REMEDIES.

In Diseases of the Blood, Humors on the Face, or any and every part of the body, use Extract Sarsaparilla, applying to Pimples and all external Humors or Eruptions the Improved Rose Wash.

Use the Extract Buchu for all diseases requiring the aid of a Diuretic, except those of the Urinary Organs, such as Gonorrhœa and Gleet; in these use the Extract Buchu and Inject with the Improved Rose Wash.

☞ THESE EXTRACTS HAVE BEEN ADMITTED TO USE IN THE UNITED STATES ARMY, and also are in very general use in all the STATE HOSPITALS AND PUBLIC INSTITUTIONS throughout the land, as well as in private practice, and are considered as invaluable remedies.

I am yearning for this friendship;
I am wishing for their weal,
I am sighing for the joys
Which I hope they'll ever feel.

I am thinking of my friends
And sweet moments which are gone,
I am grieving their departure
As the murmur of a song.
I am thinking of the scenes
That lie buried in the past,
I am hoping that their mem'ry
In my heart may ever last.

I am thinking of the friends
Of my childhood young and fair,
And I hear their loving minstrels
Murmuring sweetly in the air.
They speak of love and friendship,
Sigh gently on the breeze,
All hail my fairest earthling,
Of thy soul are such as these.

I am thinking of my friends
That follow Fashions all their day,
And I sigh to see them sorrow
When earth's children are so gay—
This life to them is wretchedness
Its pleasures are but pain
O, I wish I'll never see them
At such foolishness again.

I am thinking of my friends
That haunt me in my dreams
My fondest and my dearest
Which are all their honor seems.
I am wishing them all joy
And the pleasures of that weal
Where Friendship's pure devotion
In bright banners is unfurled.

I am thinking of my friends
Who are dead and gone to rest
In that quiet peaceful Kingdom,
Where all spirit friends are blest.
I am hoping I may meet them
When I pass away from Earth
And fondly, kindly greet them
With the spirit's loving mirth

The Truth Doth Never Die.

Though Kingdoms, States, and empires
And dynasties decay,
Though cities crumble into dust
And nations die away;
Though gorgeous towers and pices
In heaps of ruins lie,
Which once the proudest of thronds,
The Truth doth never die!

We'll mourn not o'er the silent;
Its glories are not fled,
Although its men of high renown,
Be numbered with the dead.
We'll grieve not o'er what earthas lost
It cannot claim a sigh;
For the wrong alone has perisl,
The Truth doth never die!

All of the past is living still—
All that is good and true;
The rest has perished and it di
Deserve to perish too!
The world rolls ever round and round,
And time rolls ever by!
And the wrong is ever rooted u
But the Truth doth never di
