LOCAL EBOOED.

The Markets.—Gold is $1.07½. Wheat is variable going ranging from $1.10 to $1.20, according to quality. Corn is worth 50 cents, Oats from 30 to 35 cents, Rye 80c.

—Joseph H. Seth, Esq., has taken the old barroom of the Brick hotel for a law office.

—William T. Elliott, of Oxford, had his store broken open and robbed of $140 and a pair of shoes on Monday night week. The thief also stole his horse and made off with it.

—Mr. John M. Mason is laying in for court, a full stock of nuts, candies, cake, ice cream &c &c. He expects to be in his new store early in the summer.

—Mr. Goslee has secured the Hopkins carriage shop, on Dover street, for his steam laundry. The building is large, and just the thing for such an establishment.

—If you feel that everything goes wrong, if you want to get up early in the morning, if you have a pain in the stomach, take a dose of Dr. Bull's Vegetable Pills.

—Hughey McGinn, on Chapel road, is very anxious to have the ladies' bonnets to go out to his greenhouse and see his stock of plants, which he is selling cheaper than ever before. Go and see him, and buy a carriage load.

—Within the last few days we have heard much complaint respecting the condition of the Trappe road. It is said to be in a worse condition than it ever was before, caused by alleged bad judgment in working it.

—Mrs. Mary Ann Stewart has just received another large invoice of fashionable millinery goods, which she is offering at prices to suit the times. She holds her "opening" every day, and her elegant store is the great centre of attraction for all the ladies who visit Easton.

—Particular attention is called to the extended advertisements of our old original hardware and implement dealer, Thos. C. Nicols, who offers some of the most improved agricultural machinery. It will be to your interest to see his assortment.

—The ladies of the M. E. Church were quite successful at their little festival at Wright's room last Wednesday evening. They cleared about $50. They will hold their big festival and fair at the town hall during court. They expect to make it a grand affair.

—Shannahan & Straughn have just returned from the city with a full stock of cloths, cassimeres, linens, drillings, shirts, collars, cravats, hats, caps, and everything in the gentlemen's furnishing line, which they are selling at a bargain. Give them a call, next door to the bank.

—Jacob Williams, on Market space, dealer in groceries and shoes, has just returned from the city with another large stock of cheap goods. The valuable market house cash trade is gradually gravitating towards Mr. William's cheap store.

—Jim Howard, the negro man that groomed Mr. F. G. Wright's horse Live Oak, was badly beaten with a billy, by a negro man named Tripp, near Walker's store, on Saturday night week, and has since died from the effects of his wounds on the head. The matter ought to be investigated. "Bitters," it is said, were at the bottom of the fight.

—The vestry of St. Peter's parish have granted Rev. Dr. Robert Wilson, rector of Christ church, a five weeks leave of absence, to go south and recruit his health. He starts for Charleston to-day and expects to return in the course of three or four weeks. He will visit his old friend, Gov. Hampton, while in South Carolina. The doctor has been suffering for sometime from over work and the effects of a bad cold.

—Mr Charles O. Garriott, piano tuner, from Baltimore, visited Easton last week to attend to the pianos of his customers. By reference to his card in the *Star*, it will be seen that he will hereafter visit Talbot and Dorchester counties twice a year, in May and November, to tune musical instruments. He has had large experience in the business, and those who engage his services may depend on his keeping their pianoes in satisfactory order. His next visit will be in November.

—To prevent drunkenness, don't drink; but if you have been drinking, more of it will not sober you. While you are shaky, nervous and distressed, have resort to Simmons' Liver Regulator, as a tonic to arouse your torpid liver to action, enliven your spirits, dissipate the blues, and drive away despondency. Nine cases out of ten, it is your heavy liver that causes your desire to get rid of yourself in intoxication. We know hundreds that have tried our remedy, and it has proved their salvation.

—At the town election last Monday week Mr. Robert F. Walker, the Republican candidate, was elected town commissioner, in the place of R. H. T. Councell Esq., who has been a most efficient commissioner for several years past. Walker was elected because the Democratic vote was divided between two candidates. A number of intelligent and enterprising Republicans acted independent of party, and supported Mr. Councell on the score of merit. Walker received the full negro vote. The following is the poll:—

R. F. Walker, Rep.	110
R. H. T. Councell, Dem.	102
Edward Roberts, Dem.	31

For Ladies.—New Buntings & Metallasses. Jump & Co. received yesterday in Ecru, Cream Pink, Brown and Navy-Blue and ask the Ladies to make an immediate call.

Were Robbed.—Jarrell, Nicols & Cox's store was robbed on Sunday night. The thief entered by cutting a hole through the brick wall in the alley under the window, in the back room of the grocery department. No goods are missing, but the thief pocketed all the small nickle and silver change left on Saturday night in the drawer of the grocery. There is as yet no clew as to who committed the robbery.

The First Excursion of the Season.—The Easton Mozart Band has chartered the well-known Steamer Theodore Weems, for an excursion from Easton Point to Baltimore on the 6th of June. The Weems has recently been newly painted and carpeted and fitted up specially for an excursion boat. The Band will leave nothing undone to render the excursion first class in all respects. The profits are to go towards the Band uniforms. Full particulars will be given hereafter by advertisement and posters.

Another Arrival.—Mrs. M. S. Norris is receiving invoices weekly of the latest styles of Ladies Millinery. She has just opened a heavy invoice, and the Ladies of Easton and vicinity will be astonished to see to what perfection she has reduced the Millinery and Fancy trade. No more need of going to the city for either Fashions or low prices as she can satisfy the most incredulous in a moment, of the great fallacy. Give her a call and be convinced.

Dairy Maids' Reception.—By special request the Dairy Maids' Reception which was so successfully held by the young people of the M. P. Church, a few weeks ago, will be repeated on next Wednesday evening, May 16th, commencing at 8 o'clock. The room under the Odd Fellows' Hall has been secured for this purpose, and we are sure that those having this entertainment in charge will spare no pains in making it even better than the first. An entire change of programme will be presented. This is a very pleasant way of spending an evening and we hope they will be liberally patronized. Tickets can be had at John M. Mason's confectionery store and of G. Lacey Easton, at Jump & Co's. Admission 25 cents, Children 15.

Ordination.—Rev. W. Y. Beaven, of Trinity Cathedral, was ordained a Priest, at Christ's Church, on Tuesday, by the Right Rev. Henry C. Lay, Bishop of Easton, assisted by Revs. Dr. Wilson, Dr. Barber, Dr. Stearns, E. F. Dashiell, Dr. Davis, J. A. Mitchell, George F. Beaven and others. The church was beautifully decorated with flowers, and the music was excellent. Rev. Dr. Davis, of Philadelphia, preached the ordination sermon. The candidate was presented for ordination by his father, Rev. G. F. Beaven, of Hillsborough. The day was very rainy, but there was a good attendance. The ceremony was solemn and interesting.

The Champion Reaper and Mower.—Mr. James C. Turbutton, who has put up in this county over 100 Champion reaping machines, it will be seen by this advertisement, is still the agent for the machines, and urges farmers to give him their orders early, so that they may reap their wheat and get it to market while farmers are up to war prices. The Champion is a good machine, indeed it appears to be the favorite machine in this county, and we believe our farmers have tried pretty much all the machines in the market. At the Centennial exhibition last year, the Champion took the first honors, and
