Ayer's Sarsaparilla

For Scrofula, and all scrofulous diseases, Erysipelas, Blotches, or St. Anthony's Fire, Eruptions and Eruptive diseases of the skin, Ulcerations of the Lungs, Stomach, Kidneys, Liver, Bowels, Bladder, Uterus, Female Weakness, Sterility, Leucorrhœa, arising from Internal ulceration, and Uterine disease, Syphilitic and Mercurial diseases, Dropsy, Dyspepsia, Emaciation, General Debility, and for Purifying the Blood.

This Sarsaparilla is a combination of vegetable alteratives — Stillingia, Mandrake, Yellow Dock, Sarsaparilla, Prickly Ash, Potassium, and Iodine — the best medicines known to the medical profession and the most reliable for the cure of chronic diseases. Although it is the strongest blood purifier in existence, it is perfectly safe in its action on the most delicate system, and may be taken by children with the same confidence as their mothers' milk. Its mildness, when used according to the accompanying directions, and its entire freedom from all injurious properties, are vouched for by the medical profession and by many of those who have been publicly known for their invalid condition, and their cures by this medicine are the most conclusive evidence of the superiority of this Sarsaparilla over every other alterative medicine. So generally is its superiority to any other medicine known, that physicians do not hesitate to prescribe it when they know it is within their reach, and many of them have spoken in public of the great benefit they derive from it in their own families. Its virtues are so well known to the public that the best qualities it has ever possessed are strictly maintained.

Prepared by Dr. J. C. AYER & CO., Lowell, Mass., and sold by all druggists and dealers in medicine everywhere.

A Good Medicine not for a Time but for Time.
