Ayer's Hair Vigor,

For restoring Gray Hair to its natural Vitality and Color.

A dressing which is at once agreeable and effectual for preserving the health and beauty of the hair. Nothing can restore gray hair to its original color, with the gloss and freshness of youth. Thin hair is thickened, falling hair checked, and baldness often though not always cured by its use. Neither fruitless nor injurious in any case, it can only do good to the hair and scalp. When the hair falls, the follicles are destroyed, or the glands atrophied and decayed. But such as remain will be invigorated by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous, and injurious to the hair, the Vigor can only benefit, but not harm, the hair. If wanted merely for a

HAIR DRESSING,

nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich, glossy lustre and a grateful perfume.
