Ayer's Hair Vigor,

For restoring Gray Hair to its natural Vitality and Color.

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. *Faded or gray hair is soon restored to its original color, with the gloss and freshness of youth.* Thin hair is thickened, falling hair checked, and baldness often (though not always) cured by its use. Not unfrequently, however, where the follicles are destroyed, or the glands atrophied and decayed, it fails to produce the slumbering germ of life. Untinctured by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit, but not harm it. If wanted merely for a

HAIR DRESSING,

nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white ombric, and yet lasts long on the hair, giving it a rich, glossy lustre and a grateful perfume.
