DEMOCRATIC COUNTY MEETING.

The Democratic and Conservative voters of Talbot county are requested to meet in Easton on Tuesday, 2nd Oct., in County Convention, to appoint three delegates to the State Convention to be held in Baltimore city, 17th inst., to nominate a candidate for Comptroller.

EDWARD LLOYD,
R. L. F. HARDCASTLE,
JNO. HARRINGTON,
State Central Committee.

The Democratic and Conservative voters of Talbot county are hereby requested to meet at the usual places of holding elections in the several election districts on Saturday, 6th inst., and select five delegates to a County Convention to meet in Easton, Tuesday, 9th inst., for the purpose of nominating candidates, as follows, viz.—

Senator and Two Members of the House of Delegates, three County Commissioners, Sheriff and County Surveyor.

Said convention will also appoint a County Executive Committee, consisting of five persons from each election district.

EDWARD LLOYD,
JOHN HARRINGTON,
R. L. F. HARDCASTLE,
State Central Committee for Talbot county.

President Hayes is making sad havoc of the "bloody shirt" while on his Southern tour. At Nashville, he tore the old tattered garment into ribbons. In Kentucky he kicked it about as unceremoniously, as though it had never been worn by those High Priests of Republicanism, Blaine, Morton, Butler, and Cameron. Those who regard it as a sacred relic have good cause to be dissatisfied with Mr. Hayes. How that kiss that Mr. Hayes imprinted on the flushed cheek of Senator Morton, when he visited the dying statesman recently, must burn into the flesh of the old sinner, as he reads the sacreligious speeches made by the President in Kentucky and Tennessee under the clever ball dozing of General Wade Hampton. The President is for peace and harmony among all the States, and all the people. The "bloody shirt" Republicans, denominated by Mr. Hayes as "non-fighters," are still for war. The President wants one constitution for the whole country. They want the constitution only for the North and West, and the South to be given up wholly to the Carpet Baggers and trading negroes. The President favors clean linen for all; Blaine, Morton & Co. still cling to the dirty, disgraced, and repudiated bloody shirt. They sigh for the old Republican doctrines of Grant and Sherman, states held in durance vile, and yilely held in durance, by the Federal Army, while he supports the Democratic doctrine of home rule and local self government. It must wormwood and gall Blaine, and Butler, and Morton, and Packard, and Chamberlain, the Cameron, and Republicans of their kith, to read of the President stopping the train to introduce Wade Hampton to the people, and of General Hampton's praising the statesmanship of Mr. Hayes and his Southern policy. We certainly live in strange times, when such things can be. But Mr. Hayes understands perfectly well the drift of popular sentiment in the country, and is disposed to go with the current. Those who refuse to go with him in this matter of peace and reconciliation, will be drowned in the gulf of dark despair. The Democratic doctrines, proclaimed every where in the last Presidential election, are to-day in the ascendent all over the land, as he who runs may read. The President sees and knows it, and that is why he is to-day on the platform of the constitution.

A WORD IN SEASON.

Next Saturday the Democratic District primary meetings take place. If our friends of each district, when they meet together on Saturday, can amicably agree upon five judicious, sensible representative and unpledged delegates, that will come to Easton the following Tuesday and, after consulting the public wishes, nominate a first rate ticket, without regard to persons or localities, they will do the party a signal service. The party is in no condition at this time to be manipulated by politicians, and a great many Democrats say they will not submit to it, should it be attempted. Tickets gotten up in the interest of this or that aspirant, will not be acceptable to the voters. Parties in this county are too nearly balanced for faction to hope to triumph. What the Democrats want is an unpledged convention, and a first class ticket, and they will unite on it and elect it with a will. Such a ticket will assure harmony and success. And any ticket the party cannot unite upon will be defeated. Now is the time for Democrats to come together and look only to the best means of defeating the common enemy. All personal aspirations should be merged in the general desire for success. Our concern now should be to place the county in the Democratic column; we can gratify individual aspirations hereafter. Talbot must return to her old Democratic faith.

CAROLINE POLITICS.

A fusion party has entered the field in Caroline against the Democratic ticket headed by Hon. Daniel Fields for the Senate. It has put forth what it calls

THE PEOPLE'S TICKET

composed of the following gentlemen:

Senate—Thomas F. Garey.
House—James Massey, Charles H. Todd.
Sheriff—Jonathan Evitts.
County Commissioners—W. H. Casho, S. Hobbs, Jas. H. Holmes.
Surveyor—Capt. Jas. H. Isler.

Mr. Garey, Mr. Fields' antagonist, is said to be a very strong man before the people of Caroline.

THE QUEEN ANNES TICKET

The Democrats of Queen Annes made their ticket last Tuesday, as follows:

For Register of Wills—William E. Temple.
House of Delegates—R. B. Carmichael, Jr., Dr. J. H. W. G. Weeden.
Sheriff—T. Bedford Turner.
County Commissioners—R. T. Larrimore, John Coppage, Jas. H. Temple.
Surveyor—B. S. Elliott.

KENT NOMINATIONS.

The Democrats of Kent county have nominated the following ticket. The convention met last Tuesday:

House of Delegates—Geo. W. Spencer, Geo. H. Thompson.
Sheriff—Charles H Davis.
County Commissioners—Jas. R. Jones, George W. Davis, Wm. V. Lucas, Thomas P. Dixon, T. R. Strong.

ILLNESS OF SENATOR DENNIS.

United States Senator Dr. George R. Dennis is reported as dangerously ill at his residence in Somerset county. It is believed here, that should Senator Dennis die, Governor Carroll would appoint Col. Edward Lloyd, of this county, to fill his unexpired term in the United States Senate.

NEWS.

Col. P. M. Snowden has been nominated for Sheriff of Baltimore by the Democrats, and Simon J. Martinet for City Sheriff.

United States Senator George R. Dennis has been seriously ill at his home in Somerset county with billious fever, but is said to be better.

The Massachusetts Republican convention has nominated Gov. Rice for re-election. The Democrats have nominated Ex-Gov. Gaston for Governor.

The Russian Imperial Guard is now passing the Danube on their way to the seat of war. The Guard is said to be a fine body of 60,000 soldiers, but the most of them have never been under fire.

President McMahon has issued a political proclamation to the electors of France, in which he reiterates his devotion to the Republic. But God save the world from such Republicans as General McMahon. He neither allows free speech nor a free press in France. He is a burlesque on republicanism. His prosecution of his rival, Leon Gambetta, the great Republican leader, for making a speech to his friends, is one of the most disgraceful political outrages that has occurred in modern times.

The Gulf States were visited by a terrible Cyclone about a week ago. The wind and rain was terrible, and did a great deal of damage to property. In Louisiana barns and sugar houses were seriously damaged. Thirty per cent of the rice crop was destroyed.

President Hayes having passed through Ohio and Kentucky, is now in Tennessee on his South-Western tour. The Southerners are giving him a warm reception, in recognition of their obligations for making South Carolina and Louisiana Democratic States, by withdrawing the Federal troops that upheld the Carpet Bag Republican State governments.

Vice President Hendricks will arrive in New York to-day, on his return from Europe. The people there will give him a grand reception and a hearty welcome. He left Queenstown in the Steamer Russia on the 12th inst. While in New York he will be the guest of the city, and will be shown all the great public institutions of the city.

General George B. McClellan has been nominated as the Democratic candidate for Governor of New Jersey.

The Grand Lodge of the United States of the Independent Order of Odd Fellows, met in Baltimore last week.

The Workingmen's party has nominated tickets in Baltimore and Baltimore county. The movement is mostly sustained by Republicans.

The third repulse of the Russians at Plevna, has determined the Russian commander to undertake the capture of the place by sap and mine. This look like a long war. The Turks have been forced to abandon Fort St. Nicholas, in the Shipka pass, which they lately captured. Lately all the battles have been favorable to the Turks.

The annoyance occasioned by the continual crying of the Baby, at once ceases when the cause is (as it should be) promptly removed by using Dr. Bull's Baby Syrup. 25 cents per bottle.

A sound mind in a sound body is a prime essential to all intellectual and material success, and the close sympathy between the mind and body should compel us to keep the one pure and tranquil, as well as to maintain the other active and healthy. Perverted functional efforts injure the body and react upon the mind, blunting its faculties and feelings; especially does Constipation produce most dangerous effects, bodily and mentally, and this harsh, exacting habit of body should be broken by the judicious and continued use of Keller's Vegetable Life Drops. Sold by all Druggists.

ANALYSIS

Ammonia	6.20
Soluble Bone Phosphate of Lime	25.50
Undecomposed Bone Phosphate of Lime	6.20
Sulphate of Potash	2.26

The most concentrated, universal and durable fertilizer ever offered to the farmer—combining all the stimulating qualities of Peruvian Guano, and the ever durable fertilizing properties of Bones. In fine dry powder, prepared expressly for drilling.

After nineteen years experience by the Farmers of Md. and Va. in the use of 'Excelsior,' it is their unanimous opinion that an application of 100 pounds of 'Excelsior' is equal to from 200 to 300 pounds of any other fertilizer or guano, and therefore fully 100 per cent. cheaper.

UNIFORM QUALITY GUARANTEED BY THE MANUFACTURERS.

Worth of Boots and Shoes thrown on the Easton Market.

The daily increasing demand for a certain quality and style of Boot and Shoe, is an evidence of the popular favor in which our stock is held by the community generally. We keep none but the best make, and sell at the very lowest prices, and we venture to assert that

The "Mongomery Boots" and "Plow Shoes"

have not their equal in the market. We have just received the largest invoice that we have ever before ordered of those celebrated boots and shoes, being almost an impossibility to keep the demand supplied and we are offering them still, at the same low price. Persons in want of a good Boot or Shoe, should examine our stock, and they will be sure to purchase, as they commend themselves to purchasers at sight, to say nothing of the wide reputation by the hundreds who have purchased the same make before. In addition to this class, we have the most complete stock of

Ladies and Misses, Boys and Youths Boots and Shoes,

of every quality, style and price, and we defy competition. Call early and see for yourselves, as our stock is just opened. Our stock of

Fall & Winter Dry Goods

is very large and complete, and goods are marked down! *down!!* down!!! so that all can buy without embarrassment. Our stock of

GROCERIES

was never larger and more complete than at present, and we are selling them very close, indeed. An examination will be all sufficient to prove what we here assert. We respectfully invite our many friends and customers to call and see us at our old stand on Market Space. SAMUEL NORRIS.

FIRST INSTALLMENT
FOR
Fall & Winter 1877-78
OF
BOOTS, SHOES, HATS AND CAPS.

THE fine crops of wheat and corn raised this year, and the fair prices realized, (and likely to be realized) for them by the farmers of our county, has furnished the nucleus for me to convince myself that brighter days have dawned for them, and that therefore the

PROSPECT FOR TRADE FOR 1877-78

is superior to any that we have had for many years.

Believing firmly the above, I have determined to make

Greater Preparations, Greater Efforts

AND OFFER

Greater Inducements!

than ever before, to those that purchase their goods in Easton.

I am desirous of increasing my sales to an aggregate that will enable me to sell to the trade at a lower profit still, and it can only be done by consumers concentrating their patronage upon the one that already sells the cheapest.

In addition to reduced profits this season, I have made arrangements to control in this market, several makes of very superior boots, each pair of which will be specially warranted to give satisfaction.

Accommodating terms of credit given to responsible and prompt paying customers.
