LOCAL RECORD.

Baltimore Markets.

The price of Wheat has been maintained during the week, and the demand is active. We quote Southern Amber Wheat, $1.26@$1.30. Corn, Mixed, Gold, 1.08¼.

All those desiring to enjoy that high degree of health which pure blood induces and maintains should use Dr. Bull's Blood Mixture.

Investigation.

It is not essential to believe all that people tell you, neither must your incredulity carry itself to the extreme point, but investigate every matter for yourself and then decide. We encourage you to do so by suggesting that you obtain a bottle of Keller's Roman Liniment, and it will do all we promised, as the proprietor guarantees the efficacy of his remedies.

Hambleton Park Fair this week.

Buy Covington & Bateman's 2 for 5ct cigars.

Reports from Kent county, Md., commend the highest terms the I. P. Thomas fertilizers.

Don't forget the Fair at Hambleton Park, which commences to-morrow.

There are no new developments in the Fitzjarrell murder.

Mr. Underwood has not yet succeeded in driving the negro that assisted Jim Green in robbing into his house.

Hambleton Park Cattle Show and Fair takes place Wednesday, Thursday and Friday; of this week.

Josiah Williams, on Market Space, is about to extend his store, by putting up a large building.

The sun crossed the line on Friday, on which the days and nights were of equal length, and was one of the loveliest of the season.

The Holiday house offered for sale last Tuesday by C. H. Gibson, Esq., was withdrawn, but subsequently bought by Thomas Hughlett, Esq., at $1,00.

Colonel Conly, the man of many faces, gave an entertainment at the Town Hall on Saturday night. Conly is full of fun, and always draws a full house.

The town property advertised for sale last Saturday by J. F. Bateman, Esq., Executor of Mrs Spencer, was withdrawn. It will be sold when owners are willing to pay a fair price for it.

Jim Green, the negro who attempted to rob Surveyor Mr. Charles H. Underwood and his wife, had a hearing last Tuesday before Justice Frazier, was committed to jail in default of bail.

Mr. Dobbard has received and has for sale at his confection store, on Dover street, a new lot of Calcutta oil cake meal. No cotton seed mixture. Call and see.

We are requested to say, to remove a misapprehension, that there will be no charge for entries of domestic goods, or anything in the latter department, at the Fair this week.

A number of farmers in different parts of the county have lately lost valuable horses with the "staggers." Messrs. Solomon S. Hopkins, Samuel W. Hopkins, Philemon Willis, and Jas. Willis are among the sufferers.

Dr. Haddaway S. Cooper has taken the store recently vacated by Henry Nicols, and will remove his grocery and sewing machines into the new place of business, adjoining the office of the Building Association, on Dover street.

Covington & Bateman have just received a fine stock of cigars and tobacco, which they have purchased (by buying large lots) at considerably under the regular prices. They can offer superior inducements; either by the pound or pound. Call and try a chew or smoke.

Jump & Co. have filled their magnificent rooms with a mammoth stock of goods including many goods of every description, they are enabled to purchase from first hands and offer special bargains. They have just opened some 5-button kid gloves at 37½ cents, and all numbers of cork corsets at 65 cents.

John W. Kemp, Esq., of Bay Hundred, killed a snipe at one shot with a single barrell, one day last week. The shore appeared literally covered with birds after the shot, and such a flop-over was seen. Mr. Kemp once before killed a snipe at one shot, but then he discharged both barrels at the flock.

The Democratic county convention meets to-day at the Court house, to appoint delegates to the State Democratic Convention, to nominate a candidate for Comptroller. It is very desirable that there should be a good attendance. As there is not much business to be transacted it will probably be some good speaking.

$500 Reward.

The county commissioners have offered five hundred dollars reward for the arrest and conviction of the Fitzjarrell murderer.

Republican Convention.

The Republican county convention met last Saturday, and elected the following delegates to the State Republican Convention:—D. C. Avery, Wm. Woodall, Wm. T. Wright. They did not name a county ticket.

Religious Revival.

Rev. Mr. Tyler, of the Southern Methodist church, has for sometime been carrying on a protracted meeting at Bay Hundred, which has resulted in a great religious revival. Scores have gone to the altar, and a number have professed conversion.

The Frederick County Fair.

The Frederick County Fair, the best in the State of Maryland, will take place on the 10th, 11th and 12th of October. There will be trials of speed each day. $5,000 in premiums will be awarded. The season of the fair would be a nice one for our people to visit Western Maryland, and if they can learn anything about farming to bring farmers of Frederick county.

The Road to Health.

Cleanse the stomach, bowels and blood from all the acrid, corrupt and offensive accumulations and you remove the *cause* of most diseases, and thus preserve good health, and, also, save the doctor's bills. The most effectual and reliable remedy for this purpose is Simmons' Liver Regulator, *purely vegetable*. The trial of one bottle package will prove to the patient the virtues of this medicine.

Peninsula Agricultural Society.

The annual Fair of the Peninsula Agricultural and Pomological Association takes place at Middletown, Delaware, on the 4th, 5th and 6th of October. The fairs of this association are admitted to be the best on the Peninsula. They are largely attended, and the trotting matches are exceedingly fine. This year the fair will be specially attractive. We hope many of our citizens will make it convenient to attend. See advertisement in another column of the STAR.

The Races.

Some of the horses entered for the Hambleton Park, here this week, are said to be the fastest on the Eastern Shore, among them we note W. Twilley's horse Zephyr, R. Hough's mare Bet-Moore, R. H. Shaw's horse Reindeer, W. A. Bailey's mare Lady Woolford, T. T. Seymour's mare Careless Boy, C. W. Bennett's mare Lady Bell, W. A. Twilley's mare Lady Marrington, Dr. William Caulks horse Joe Baxter.

Registration Lists.

We publish this morning a list of the voters registered at the September sessions of the registry. Persons can see by them, who have and who are not registered. The registers meet to post the lists on the first Monday and Tuesday in October. If there are any Democrats who have not registered, they should not fail to do so when the registers meet again. If any Democrat knows of any other Democrat who has not registered, he should call his attention to the fact and urge him to register when the registers meet in October. None can vote who are not registered.

A Negro Beaten by Tramps on Sunday.

A negro named Aaron Haskins came to town and reported that he had been attacked and knocked down with a billy by tramps, on the Dover road. Haskins' head was badly cut. Marshal Grace went out to arrest them, but they could not be found. Some one subsequently reported that they saw them high up in the "Three Forks" near the big oaks near Mr. Thomas R. Hollyday's mill. The sheriff says he didn't look up the tramps for them. Another negro, named Skinner, met with Aaron, and he says he threw a brick at the tramps and ran, after they knocked Aaron Haskins. The whole story is considered a little mixed.

—The Highland Light has put down the fare to fifty cents, from Easton to Baltimore.

Cheap Traveling.

The Highland Light is now running passengers to and from Baltimore to Easton for only 50 cents—staterooms only 50 cents. The Kent goes to Denton every Monday, Wednesday, and Friday, touching at Oxford going and returning. Fare only 50 cents. Now is the time to travel.

Addresses at the Fair.

Surgeon N. Pinkney, U. S. N., will deliver the annual oration at Hambleton Park Fair on Friday, the 28th, the last day of the fair, at 12 o'clock noon.

Senator Bayard, of Delaware, will address the Society on Thursday, at noon.

[COMMUNICATED.]

TRAPPE, Sept. 18, 1877.

Dear Mr. Editor:

Trappe has again fallen into line with the age as regards improvements. A good pavement is being laid from Dawson, Saville & Stephens' store, around Whitely's corner, up Broadway, (the cross street), to a point opposite the Southern Methodist Church. This pavement was much needed and will cut down doctors' bills in Town's End about one half. Same kind of a crossing ought to be laid at each church and at the public school building. But just at present hardly anything of the kind is needed so much as a pavement to the M. E. Church, from Dickinson's corner. It may please the boys, but it isn't "just the thing" for a grown man to have to let go his girl to go and swing himself over the mud holes by the fence.

The Southern Methodist Church was closed on Sunday for the painters, and all three congregations caused the Methodist Protestant Church to overflow. Those who were fortunate enough to get seats heard an excellent sermon from Mr. Melvin.

Fever and ague chills and bilious are rampant in and around Trappe. The doctors look happy again and smilingly proclaim that the hard times are a thing of the past. Good news, if we had not learned to "consider the source."

We came within a hair's-breath or so of having a trial here last week, but it all ended in gas, judgment and appeal. I suppose you will have the pleasure of working the case into an editorial anon, so I'll not trespass.

"Tis now the witching time of night
When church-yards yawn."

I'm at the same thing, I suspect you are too, so I bid you a hearty farewell.

MR. MICAWBER.

The Public Schools.

The public schools of this county commenced again on the 17th inst. The pupils have had a long vacation, and as the weather is pleasant, and but little sickness in the county, there ought to be a full attendance, and diligence on the part of both teachers and scholars. The following are the teachers engaged in the county:—

NO EXCUSE FOR ANY ONE BEING OUT OF EMPLOYMENT.

Our attention has been called to some new and useful cooking utensils, recently invented which make baking and cooking a pleasure, instead of a dreaded necessity. One of which, the Patent Centennial Cake and Bread Pan, made of Russia iron, is so constructed that you can remove your cake when baked, instantly from the pan, without breaking or injuring it, and you can remove the tube, and convert it into a plain bottom pan, for baking jelly or plain cakes, bread, etc. Another—the Kitchen Gem—a plated wire boiler or steamer to hang inside of an ordinary iron pot, for boiling or steaming vegetables, etc., which when done, can be removed perfectly dry, without lifting the heavy sooty iron pot off of the stove, avoiding the danger of burning the hands with the steam in pouring off the hot water, and the vegetables *can not possibly burn* if the water boils dry, as the steamer does not touch the bottom of the pot. These goods are sold exclusively through agents to families, and every housekeeper should by all means have them. A splendid opportunity is offered to some reliable lady or gentleman canvasser of this county to secure the agency for a pleasant and profitable business. For terms, territory, etc., write to L. E. Brown & Co., Nos. 211 and 213 Elm Street, Cincinnati, Ohio. sep25-1w
