Baltimore Markets.

...ole Amber Wheat is worth $1.08 Prime, ...Inferior grades are lower. Corn is quoted ...at 50@52 cents. Oats, 36@37 cents. Rye, 92 cents. ...Flour is held at $1.02. The grain market is firm ...with an upward tendency at the close of the week.

—To mothers whose children are weeping ...sweet and balmy slumber sequed for the little ones, and coughs and colds rapidly banished by the use of Dr. Bull's Cough Syrup.

—A stitch in the back is caused by a sudden wrenching of the spine and produces violent and acute pains, making it exceedingly difficult for the person to move. It should not be neglected, as a curvature of the spine is often brought on by neglect of this apparently trivial complaint. Keller's Roman Liniment will afford immediate relief.

The Democratic convention has been reconvened, to meet to-day at 2 P. M., to fill the vacancy on the ticket.

—Bishop Lay is in Boston, attending the General Convention of the Protestant Episcopal Church.

—Passengers wishing to go to Baltimore, from any point in Easton, or the railroad, on board the steamer Georgeanna, can do so for $1, by applying to F. G. Wright.

—Mrs. M. F. Bruff, fashionable dress maker on Dover Street, has received the fall fashions and is now prepared to make ladies dresses in the latest style.

—Elliott & Rathell have just returned from Boston with a full line of boots and shoes, which they advertise in to-day's STAR. Their stock is large and Cheap. Give them a call.

—The Eastern District Association No. 1 will convene with the Baptist Church at Longwood, on Friday, October 26th. Ministers and delegates from other parts of the Eastern Shore, and from Baltimore are expected.

—Moses Herz has just returned from the city with a large and complete line of ready-made clothing, for men and boys. His prices are warranted to please. Call and see him, next door to Thompson & Kersey.

—J. L. Stelmen went to the city last week to buy in his fall and winter stock of ready-made clothing. He now has an immense stock at his clothing emporium on Dover street. Call and buy a suit.

—We were in error last week in giving the number of voters registered in Trappe district this season as 22 whites and 28 blacks; it should have been 48 whites and 37 blacks, making 85 in all. The number stricken from the list was 36 whites and 10 blacks, making 46 in all.

—Mrs. Mary Ann Stewart has added dress and bonnet making to the attractions of her splendid establishment. She has secured a cutter and fitter from the fashionable house of Madame Demorest, New York, and a fashionable milliner from Baltimore.

—Cooper & Phillips have fitted up a neat establishment on Dover street, in the storeroom lately occupied by Henry Nicols, where they will keep sewing machines, and all kinds of sewing machine attachments, for sale. The store has been newly painted and otherwise improved in appearance. The establishment will be a public convenience.

—The fashionable millinery bazaar of Mrs. M. S. Norris is again attracting the throng of ladies who visit Easton in quest of millinery and fancy goods. She is constantly receiving heavy invoices from the cities, and the ladies are invited to the Grand Opening every Tuesday and Saturday. Read her advertisement in another column, and go see for yourselves.

—The Republicans about town had pretty long faces on Wednesday, after the news from the Ohio election reached here; but scarcely one of them could be seen on Thursday afternoon, after it was ascertained that the Democrats had carried the State by 35,000, and secured the legislature and United States Senator. It is more than probable that many of them will be ashamed to come out and vote on the 6th of November.

—What in the world were the Republicans thinking about, to put up James W. Shaw against Caleb Griffin for sheriff? Why Cale, by the 6th of November, will run him so far into the tussocks of Tuckahoe Creek, that he will never be able to find his way back to Lewistown. We are sorry for Mr. Shaw. His party has done very wrong to yoke him up for such an unequal contest.

—The ticket nominated by the Republican Convention last Tuesday put a regular chill on the Republicans in town that day. Even the members of the convention looked blue over the result of their labors. The few darkies about the court house green shook their heads with disgust and went off grumbling. They don't like "Massy Tharp." The convention was called a "Mallikin Convention," and those who have been ruled out heretofore ruled the roost this year.

—Rev. J. V. Stryker, late of Warsaw, New York, has settled here as Rector of Trinity Cathedral. He and Rev. Mr. Beaven, with what assistance Bishop Lay can render, will hold weekly service at the Chapel, in Easton, the Chapel at Easton Point, and at All Saints. Mr. Stryker is a brother of Rev. Dr. Stryker, of St. Luke's Church, Baltimore. He is an able and eloquent preacher, and will be an important and welcome addition to the pulpit of Easton. He has taken the house lately built by Mr. A. W. Fountain, near Mr. Fountain's carriage factory.

A Big Hog.

Mr. Thighman H. Hubbard has the largest hog in town. It would weigh 600 pounds cleaned now, and is expected to turn out 500 pounds of pork by the last of next month.

A Big Potato.

Mrs. Col. Richard C. Hollyday has sent us a sweet potato of the "Poplar Chunk" variety, that weighs 6½ pounds. It is the largest sweet potato we ever saw. We will guarantee that it will take down the best potato exhibited at any of the agricultural shows in the State this season.

A Fine Colt.

On the 7th inst., Mr. John K. Caulk's mare Lady Wright foaled a colt by Powers' Whalebone, Jr., and before it was 24 hours old, showed a 4 minute trotting gait, as certified by competent judges. The colt, it is said, closely resembles his sire, and has already been booked to beat Goldsmith Maid's time, 2.14.

The Republican Ticket.

The Republicans made their county ticket last Tuesday. The following are the nominees:—

For State Senator—Reuben Tharp.

For the House of Delegates—Henry Clay Dodson, Charles R. Mullikin.

For Sheriff—James W. Shaw.

For County Commissioner—James Dixon, Alexander W. Fountain, and Edward Y. Davis.

For County Surveyor—Thomas J. Warren.

Another Trotting Match.

The first annual fair of the Agricultural and Mechanical Society of Caroline county, will take place at Bethlehem, near Dover bridge, on Wednesday, Oct. 31st, and Thursday, Nov. 1st, 1877. Liberal purses are offered for trotting, and races will take place each day. The managers will endeavor to do all in their power to make the fair entertaining for those who may visit it. Four Talbot horses attend the fair, they may do better than they did at Middletown.

A Kicking Case.

One Julia Kelley, a negro girl, alleges that, on Saturday night week, Joe Bailey, a negro boy 17 years old, cursed her, and kicked her in the side, while passing her on Washington street, near J. W. Cheesum & Co's store. On Tuesday afternoon Julia became very ill from the effects of the kick, and Dr. Trippe was called in to attend her. He found her in a very bad condition, and thought she would die Tuesday night. Esquire Nicols was sent for to take her dying declarations. She deposed that she was kicked, and accused Joe Bailey of kicking her. A writ was issued for him, he was arrested by Constable Austin and placed in jail. Wednesday morning he was taken before Esqire Nicols for a hearing. He denied kicking the girl, but as there was evidence to prove that the girl declared on the street the same night she was kicked, that Joe Bailey kicked her, he was held to bail in the sum of $300, which virtually amounted to a commitment, to await the result of the case. The girl was somewhat better Saturday morning. Joe is a very black boy and has been working for Mr. James M. Warner.

Maryland Directory.

We had a call on Wednesday from Mr. J. W. Spicknall, of the house of Messrs. J. Frank Lewis & Co., No. 8 S. Gay street, Baltimore, the publisher of the Maryland Directory, a historical and descriptive compilation of the state and her resources, trade and advantages. Mr. Spicknall is collecting business matter for his directory, and takes special care to have his reports correct. The work will be published in January next, at the low price of $3, will contain all the towns, counties, and the name of every business man in the state, city and county officer. Mr. Spicknall left here for Caroline, to collect material for the chapter on that county. The Prospectus of the Directory will be found in to-day's STAR, and cheerfully recommend it as a valuable book of reference respecting state matters.

Acquittal of Dr. Greenbury Willson.

The friends of Dr. W. G. G. Willson, Jr., will be pleased to learn that he has been honorably acquitted of the charge of having on the 4th of last July, intentionally shot and killed a negro. The discharge of the pistol was purely accidental, and no one regretted the accident more than the Doctor himself. The following article on the acquittal, from the *Norfolk Virginian*, exhibits the gratification of the people of Norfolk at the verdict.

"The prosecution of Dr. Willson before the Corporation Court of this city for shooting J. H. Hayes, proved that the offense, if any, was out of the jurisdiction of the court, and the jury under the instruction of His Honor, Judge Hanburgh, so decided.

"The case was sent on to Norfolk county, and being examined by three magistrates, with all witnesses but those for the prosecution, they decided there was not probable cause for believing that the accused was guilty, and he was unconditionally acquitted and discharged. The principal cutting witness, J. R. F. Brown, seems to have arrived at the conclusion, after the case was fully developed before the Corporation Court, that the firing of the pistol was accidental. So the Willson trouble result was a most happy termination of a painfully interesting case, and must be particularly gratifying to his many friends, among whose sympathies have been with him, and among whom there is a genuine feeling of joy at his honorable acquittal.

Republican Convention.

The Republican County Convention met at the court house in Easton, this Saturday, to nominate a county ticket. Mr. Charles R. Mullikin was elected President, and Charles M. Shanahan, Esq., Secretary. The roll of delegates was called and credentials examined. The following were present:—

Easton—R. Tharp, R. F. Walker, Charles R. Shanahan, Joseph Gray, Frank Dobson.

St. Michaels—Daniel Killman, Joshua Harrison, James Dyer, Joseph Johnson, E. T. Benson.

Trappe—William H. Valliant, Charles R. Mullikin, Edward Thompson, Jarrett Hopkins.

Chapel—Thomas H. Sapit, Edward Y. Davis, S. S. Yeo, James W. Shaw, N. C. Fitzjarrell.

Bay Hundred—J. W. Porter, L. W. Swift.

The first business in order was to nominate a candidate for State Senator.

The following were put in nomination:—

Henry Clay Dodson, of St. Michaels, Robert S. Dixon, of Easton, Charles R. Mullikin, of Trappe John Woodall, of Easton, Reuben Tharp, of Easton. On motion the convention proceeded to ballot for Senator.

First Ballot—Dodson 4; Dixon 3; Mullikin 1; Woodall 5; Tharp 9. There were 22 delegates present, 13 being necessary to a choice. The President announced that there was no nomination, 9 being the highest number received by any candidate.

Second Ballot—Dodson 1; Dixon 5; Woodall 4 Tharp 16. No choice.

Third Ballot—Dixon 4; Tharp 18.

Mr. Tharp having received more than a majority of the convention, was declared the nominee for State Senator.

The next thing in order was to nominate two candidates for the House of Delegates. The following were put in nomination:—Charles R Mullikin, H. Clay Dodson, D. C. Avery, William P. Wright, and Edward Harrison. On motion of Mr. Shanahan Messrs. Mullikin and Dodson were nominated by a rising vote.

James W. Shaw was nominated for Sheriff by acclamation.

The convention then proceeded to make a commissioners' ticket. The following were put in nomination:—James Dixon, A. W. Fountain, Edward Y. Davis, William Mason, John F. Mullikin, Edward Woodall. Those opposed to the old board got up the Mason, Woodall, Mullikin ticket. The convention proceeded to ballot, with the following result:—

Dixon 19; Davis 16; Fountain 14; Mason 13; Mullikin 9; Woodall 2.

Messrs. Dixon, Davis and Fountain being the three highest, and having each received a majority of the whole convention, they were declared nominated.

Thomas J. Warren, of St. Michaels, was nominated for county surveyor by acclamation.

The convention adjourned *sine die*.

NO EXCUSE FOR ANY ONE BEING OUT OF EMPLOYMENT.

Our attention has been called to some new and useful cooking utensils, recently invented which make baking and cooking a pleasure, instead of a dreaded necessity. One of which, the Patent Centennial Cake and Bread Pan, made of Russia iron, is so constructed that you can remove your cake when baked, instantly from the pan, without breaking or injuring it, and you can remove the tube, and convert it into a plain bottom pan, for baking jelly or plain cakes, bread, etc. Another—the Kitchen Gem—a plated wire boiler or steamer to hang inside of an ordinary iron pot, for boiling or steaming vegetables, etc., which, when done, can be removed perfectly dry, without lifting the heavy sooty iron pot off of the stove, avoiding the danger of burning the hands with the steam in pouring off the hot water, and the vegetables can *not possibly burn* if the water boils dry, as the steamer does not touch the bottom of the pot. These goods are sold exclusively through agents to families, and every housekeeper should by all means have them. A splendid opportunity is offered to some reliable lady or gentleman canvasser of this county to secure the agency for a pleasant and profitable business. For terms, territory, etc., write to L. E. Brown & Co., Nos. 214 and 216 Elm Street, Cincinnati, Ohio. sep25-tw

RATTAN CHAIRS.

$5,000

Worth of Boots and Shoes thrown on the Easton Market.

The daily increasing demand for a certain quality and style of Boot and Shoe, is an evidence of the popular favor in which our stock is held by the community generally. We keep none but the best make, and sell at the very lowest prices, and we venture to assert that

The "Mongomery Boots" and "Plow Shoes"

have not their equal in the market. We have just received the largest invoice that we have ever before ordered of those celebrated boots and shoes, being almost an impossibility to keep the demand supplied and we are offering them still, at the same low price. Persons in want of a good Boot or Shoe, should examine our stock, and they will be sure to purchase, as they commend themselves to purchasers at sight, to say nothing of the wide reputation by the hundreds who have purchased the same make before. In addition to this class, we have the most complete stock of

Ladies and Misses, Boys and Youths Boots and Shoes,

of every quality, style and price, and we defy competition Call early and see for yourselves, as our stock is just opened. Our stock of

Fall & Winter Dry Goods

is very large and complete, and goods are marked down! down!! down!!! so that all can buy without embarrassment. Our stock of

GROCERIES

was never larger and more complete than at present, and we are selling them very close, indeed. An examination will be all sufficient to prove what we here assert. We respectfully invite our many friends and customers to call and see us at our old stand on Market Space.

SAMUEL NORRIS.

NEW ENTERPRISE IN EASTON.

Important to Farmers

FERTILIZERS &c.

THE undersigned have formed a co-partnership and will hereafter conduct business in Easton under the firm name of Shannahan & Wright.

We beg leave to make known that we have secured the agency for the sale of some of the leading Fertilizers; among which are to be found the celebrated

Star Bone Phosphate, Piedmont Guano, and P. C. Ammoniated Superphosphate of Lime, and will also sell for the Lorentz & Rittle Ammoniated Soluble Phosphate, the Alta, Allen's Pelican and Marine Guanos, Coe's Phosphate and others, which we will deliver at the most convenient landings at factory prices and free of freight. We can furnish all kinds Fertilizer Ingredients at

LOWEST FIGURES.

We are also prepared, and are offering the famous

Hagerstown Grain, Seed & Fertilizer

DRILL,

Called the BEST or KELLER, one of the finest Drills manufactured, which has been used by some of our most practical Farmers with the highest degree of satisfaction It has stood the test, and will stand second to none in the market. Call and examine before purchasing.

We call attention to the fact that on September 1st we will occupy our store room (opposite the Court House), and be fully prepared to offer to the public a full and complete line of

Hardware, Tinware, Stoves, Harness, Pumps, Cart and Carriage Materials, etc.,

together with a stock of

Agricultural Implements,

in great variety. We take pleasure to state that among the Agricultural Implements, we are already introducing a new and popular PLOW known as the

ADAMANT!

In other localities it has grown in favor, and given entire satisfaction, as being one of the Best and Cheapest Plows in use, and we confidently believe a fair trial in our section must carry it where it belongs, to the front. Orders filled at once.

Until the 1st of September we can be found at the store of J. A. Shannahan, opposite the Post Office. Orders by mail promptly and faithfully attended to.

Hoping by strict attention to business fair dealing, low prices and promptness to merit a share of public patronage, we respectfully ask a trial from all desiring goods in our line.

Wm. E. Shannahan,
Chas. T. Wrightson.
