A Glorious Day for the Democracy

TALBOT COUNTY REDEEMED.

The Whole Democratic Ticket Elected.

The State Democratic by 30,420.

The Republican Party in Baltimore Smashed to Atoms.

Pennsylvania, New Jersey, and New York all Democratic by large Majorities.

The Backbone of the Corrupt Radical Ring in Philadelphia Broken.

The Presidential Fraud Condemned.

Details of the late Election.

That sly old Democratic Rooster,
Tuesday it got a fine booster;
So jolly it feels,
That it stands on its heels,
And crows just the same as it used ter!

—*Philadelphia Times.*

Let the roosters crow, and let the band play, for the day of jubilee has come! Old Talbot is redeemed, regenerated, and disenthralled! The Democratic banner once more floats in triumph over our ramparts! The Republican host has been routed and dispersed! Make the welkin ring with shouts of gladness! Talbot condemns the great Presidential fraud! Maryland rebukes it as a crime! Pennsylvania has washed her hands of it! New Jersey scouts those that sanctioned and participated in it! New York responds to Tilden's speech, and pronounces it infamous!

VICTORY! VICTORY!!

The Result in Talbot County!

The election in this county on Wednesday passed off quietly. The vote polled is a pretty full one. It affords us very great pleasure to say, the Democrats have swept the county, and elected their whole ticket by an average majority of over 100. The victory is complete and overwhelming. Every district and precinct in the county did admirably except Trappe, that precinct appears to have suffered from the black vomit. Easton fought a gallant fight, and but for the cutting and carving, and splitting of tickets, would have given a clean Democratic majority of 40. St. Michaels did well cutting the Republican majority down to a little over 100. The old Chapel made a noble fight, and maintained her honored record in rolling up big Democratic majorities. She gave us 177. Oxford, a young precinct, started well, and gave us 15 majority, an earnest of the heavier majorities she will roll up hereafter. But what shall we say about Bay Hundred? That old Democratic district, in giving 109 majority, crowned herself with everlasting glory. It appears to have been a jug handle business on Tilghman's Island. May the Bay Hundred Democrats live a thousand years. They deserve to. We tender the Democracy of the county our hearty congratulations on the glorious Democratic victory gained on Tuesday.

THE RESULT IN THE STATE.

PROCLAIM IT ON THE HOUSETOP,
Maryland has gone Democratic by 30,000.

BALTIMORE CITY.

There was but a light vote polled in Baltimore city. The Republicans broke down before breakfast, time and gave up the contest. The Fulton-Thomas Electric Machine refused to work. The Democratic majority is 22,291 in a total vote of 35,083. The Republicans only polled 6,896 votes. Under the circumstances, the Democrats did not pretend to put out their strength.

BALTIMORE COUNTY.

It will be remembered that Baltimore county lost her wits two years ago, and went Republican. She voted all right on Tuesday, electing the Democratic ticket by 1,400 majority.

QUEEN ANNE'S COUNTY.

The whole Democratic tisket is elected in Queen Anne's county by over 400 majority. Temple is elected Register of Wills.

KENT COUNTY.

Kent county elects the whole Democratic ticket by 240 majority.

CECIL COUNTY.

The entire Democratic ticket is elected in Cecil county. The majority is 300. Miller is elected State Senator.

DORCHESTER COUNTY.

The Democratic ticket is elected in Dorchester except the sheriff and two county commissioners. Clement Sullivane is elected State Senator.

WICOMICO COUNTY.

The whole Democratic ticket is elected in Wicomico by 650 majority.

SOMERSET COUNTY.

In Somerset Benjamin F. Lankford, Rep., defeats Levin L. Waters, Dem., for clerk of the court. The Democrats elect the delegates to the legislature, but the Republicans elect their Sheriff and a part of the board of County Commissioners.

CAROLINE COUNTY.

The People's ticket has been elected in Caroline. Daniel Fields for State Senator, has been defeated by Thos. F. Garey, Democrat, running on the People's ticket. Garey's majority is 298. Fields has been annihilated.

HARFORD COUNTY.

The entire Democratic ticket is elected in Harford by over 1,000 majority. The State Senator elect is Col. Herman Stump.

HOWARD COUNTY.

The Democrats have carried Howard by a small majority.

CARROLL COUNTY.

The Democrats have swept Carroll county, electing everything, and giving Keating a handsome majority. J. Fenner Lee, Dem., is elected Senator.

FREDERICK COUNTY.

Frederick has gone Republican by about 150 majority. The Republican Sheriff-elect has more.

WASHINGTON COUNTY.

It was a hard fight, and very close, in Washington county. Some of both tickets elected. The Democrats get two Delegates to the legislature, and a part of the board of county commissioners. The Republican majority on the State ticket was but 122.

GARRET COUNTY.

Garret elects the entire Republican ticket. It is away back in the Allegany mountains, and the people there, who live underground in the mines, have not yet heard of the great fraud which placed Hayes in the Presidential chair that Tilden was elected to fill.

ALLEGANY COUNTY.

This county is divided. The Republicans elect the State Senator, two Delegates, and a part of the commissioners; the Democrats get the Sheriff, two Delegates, and part of the commissioners. It is a stand off, and they will have to fight it out two years hence. Col. Spates' defeat, Democratic candidate for the Senate, is much regretted everywhere.

MONTGOMERY COUNTY.

George Peters, Democrat, is elected State Senator in Montgomery by a large majority. The whole Democratic ticket is elected.

PRINCE GEORGE'S COUNTY.

Four tickets run in Prince George's. The Democratic ticket; the Republican ticket; the Workingmen's ticket; and the Fusion ticket. The Fusion ticket carried the county. William B. Hill, Fusionist, is elected Senator over Charles B. Calvert, Democrat. Mr. Hill is a Democrat.

CHARLES COUNTY.

In Charles some of both tickets are elected. Lancaster, Rep., is elected Senator, and Messrs. Cox and Lancaster, Democrats, are elected to the House of Delegates. Porter, for Comptroller, has 6 majority in the county.

ST. MARY'S COUNTY.

R. C. Combs, Dem., is elected Senator in St. Mary's; Messrs. Key and Mattingly, Democrats, are elected to the house. The democrats also elect the Sheriff, and county commissioners.

ANNE ARUNDEL COUNTY.

The Democrats elect the whole ticket in Anne Arundel, and give a handsome majority for Keating.

WORCESTER COUNTY.

The Democrats swept the decks in Worcester county, electing everything. Littleton F. Franklin is the Senator elect. The Democratic majority on the State ticket is about 1,000.

CALVERT COUNTY.

The Democrats elected their whole ticket in Calvert county, the first time they have done so in four years. Joseph A. Wilson is the Senator elect. The Democratic majority in the county is over 200.

Crow! Chapman, Crow!!

THE VOTE FOR COMPTROLLER.

Thomas J. Keating's majority in the State over Dr. Porter is 30,420, the largest Democratic majority ever given to any candidate in Maryland.

Elections in Other States.

Elections took place on Tuesday in Pennsylvania, New Jersey, New York, Connecticut, Massachusetts, Virginia, Mississippi, Wisconsin, Minnesota, Kansas, and Nebraska."

"Throw your banner on the outer wall,
The cry is, still they come."

PENNSYLVANIA.

Pennsylvania has gone Democratic by over 10,000. The Democrats elect State ticket, and their whole county ticket in Philadelphia, although that city gives a small Republican majority for the State ticket. Having wheeled into the Democratic line, the Keystone state may hereafter be relied upon as a Democratic State.

Let the Cock Crow for Little Mac.

NEW JERSEY.

General George B. McClellan is elected Governor of New Jersey by over 12,000 majority. Both branches of the Legislature are democratic. This is glorious.

Crow Again! Chapman! Crow!!

NEW YORK.

Notwithstanding the bitter fight in New York city between Tammany and Anti-Tammany, which lost the Democrats the legislature, the State of New York has gone democratic, and pronounced against the Presidential fraud by over 20,000 majority. Very large Democratic gains were made in the interior of the State. Everywhere the Republican party is demoralized.

CONNECTICUT.

The election in this State was an unimportant one, being for only a part of the legislature. It was Republican last year, and is Republican still.

VIRGINIA.

The old Dominion voted almost solidly for the Democrats. It is not certain that there is any Republican party now in Virginia. The same may be said of

MISSISSIPPI.

There was an attempt at various places to put up independent candidates, but they were beat out of their boots.

MASSACHUSETTS, WISCONSIN, MINNESOTA, KANSAS and NEBRASKA, all went for the Republicans, but only by a *plurality*, and none by a majority. It seems strange that the Republican party should not be able at this time, to carry one of their former strongholds by a clear majority, but such is the fact.

In these elections, the Democrats have much to rejoice over. It is patent that the people of the North as well as the South and West, are tired of Republican rule, Republican frauds, Republican extravagance, Republican corruption, and Republican despotism; and they are determined to get rid of the Republican party. It is to-day a dead cock in the pit, and as certain as there is a sun in the heavens, the Democrats will elect their President in 1880. The signs of the times all point in that direction as an inevitable event.

THE NEWS.

The Democratic majority in Baltimore last Tuesday on the State ticket was 22,281. Good enough.

New York, New Jersey, and Pennsylvania have all gone Democratic by large majorities How is that for high.

Col. George P. Kane, has taken the the oath of office and entered upon his duties as Mayor of the city of Baltimore. Baltimore has another good Mayor.

The Republican Workingmen's party of Baltimore appears to have disolved and given up the ghost. The combined factions only polled 6,406 votes on Wednesday.

Gov. Williams, of Indiana, has appointed Hon. Daniel W. Voorhees, the great Western Democratic orator, to succeed O. P. Morton as United States Senator. Mr. Voorhees had had large experience in the House of Representatives in Congress.

"The "Electric Machine" of "Mr. John L. Thomas and Myself" is badly out of order. It wont electrify anybody but Democrats, and that don't suit either Mr. Hayes, Mr. John L. Thomas, or Mr. C. C. Fulton, the patentees. Will the machine managers be confirmed by the Senate? Doubtful.

On Tuesday last, while the people of the great Middle States were boldly registering their condemnation of the rascally Republican frauds, which seated Mr. R. B. Hayes in the Presidential chair, the President's private secretary quietly went before the Committee of Appropriations in the House of Representatives, and filed a claim of $9,000 for deficiency in the White House account, which Mr. Hayes wanted Congress to pay. He was informed that the law prescribed a more formal way of presenting such claims, and the Private Secretary of the President left the committee to hunt up the Statutes.

John Morrissey, the noted gambler, on Wednesday last, was re-elected to the New York State Senate. He ran as an Anti-Tammany Democrat, but was elected mostly by Republicans. His majority is over 3,000. He will represent what is known as the "Murray Hill" or Silk Stocking district; and his constituents are mostly very pious people. Morrissey will make such long-faced, straight-laced Republican gentry an admirable representative. His opponent was Hon. Augustus Schell, one of the ablest and most high-toned gentlemen of New York. Some christian people have a decidedly queer taste in politics.

The House of Representatives, by a very large majority, has passed the Bland bill, making silver a legal tender for all debts, and authorizing the coinage of silver dollars in unlimited quantities. This is a proper measure, and should be promptly passed by the Senate and signed by the President. The people will be very well satisfied with silver, if they can only get enough of it. The "Damphool" politicians don't want any money but gold, and they want to continue the vicious legislation that has absolutely excluded it from circulating as money. The West and South are not willing to be lead by the "Damphools" any longer. The South has had a sad experience with Confederate money, and therefore she wants a circulating medium that will buy bread, although the banks may fail, and the Government credit may be utterly ruined. Fill the pockets and the coffers of the people with silver coin, and they will feel secure, although the political heavens may fall. Let the Bonanzas yield up their silver treasure, and let the coin circulate; it can do no harm.

THE PREMIUM ENGRAVING, issued by "Peterson's Magazine" for 1878, like everything else from that quarter, is of rare excellence and beauty. It is not one of the cheap, colored lithograph, with which the country is flooded, but a first class line and stipple engraving, executed in the highest style of art. The artists are Illman & Brothers, and they have engraved it, (size, 24 inches by 20,) expressly for "Peterson's Magazine;" in their most brilliant manner. It is such a plate as would sell at retail, for five dollars. The picture represents the "ANGELS OF CHRISTMAS." They are hovering in the sky, over the Holy City, the Star of Bethlehem streaming down on the landscape. It is a picture that ought to be in every household in America. In artistic merit and beauty it is, we think, the finest "Peterson" has ever issued. You can get it, gratis, by raising a club for "Peterson" for 1878, or by remitting $2.50 for it and for the magazine, the magazine alone being two dollars. This is a rare chance. Specimens of the magazine sent, gratis, to those wishing to get up clubs. Address CHAS. J. PETERSON, 306 Chestnut Street, Philadelphia, Pa.

The Senate has unanimously confirmed the nomination of John Welsh as Minister to England.

It is said the much talked of fight in the Republican party, between Mr. Hayes and Conkling & Co., cannot be averted. When it comes off, the watchword on both sides will be victory or a cripple.

BROGLIE TO REMAIN.

PARIS, November 7.—The official journal announces that the De Broglie Ministry, at President McMahon's request, have withdrawn their resignations. They, however, insist that it shall be fully understood that while continuing to discharge their functions, this shall in no wise prejudice the President's subsequent decision.

RUMORED RESIGNATION OF M'MAHON.

PARIS, Nov. 7.—Departmental elections show a Republican gain of 107. It is rumored that President McMahon has resolved to resign, and that he will announce his resolution in a message to the Chambers.

THE CATHOLIC HIERARCHY OF SCOTLAND.

LONDON, Nov. 7.—A Reuter telegram from Rome say: It is believed that Christmas is the time fixed for the Pope to issue an apostolic letter re-establishing the Catholic hierarcy of Scotland.

All Babies are diminutive Cæsars, since they come, they see, they conquer, sometimes by their gentle stillness but oftener by continued and uproarious crying induced by Colic, Teething and Flatulence, etc. Dr. Bull's Baby syrup by its gentle yet specific influence quiets the little ones without ever producing the least injurious effect. Price 25 cents per bottle.

Base Ball and Cricket Playing are acknowledged by all eminent authorities to afford the most healthy exercise and recreation. To be sure there are always enough sprained fingers, bruised hands and muscular soreness, but these are most quickly cured by that excellent family Remedy, Keller's Roman Liniment, costing but 50 cents ane sold by all druggists.
