LOCAL RECORD.

Baltimore Markets.

Gold, $1.02¼. Southern Wheat, good white $1.42; prime red, $1.45. Best Corn, 63 cents; fair 58 cents. Oats, 38 cents. Rye, 67 cents.

—When the disorders of babyhood attack your baby use at once Dr. Bull's Baby Syrup and notice its rapid and beneficial effect. 25 cents per bottle.

—Three-fourths of all diseases arise from vitiated or impoverished blood. Such blood persistently deposits its impurities in the weakest parts of the system, developing all manner of diseases. Nature's effort tends to the removal of all these disorders by eliminating the morbific principles from the blood by judicious purgation, and we know of no remedy that equals Keller's Vegetable Life Drops as a safe, purgative and depurative. Sold by all druggists.

—The wheat is looking remarkably well for the season.

—Hon. Daniel M. Henry, M. C., will please accept our thanks for the *Congressional Record*.

—The Centreville Bank has declared a dividend of 3 per cent. for the past six months.

—Gov. Thomas' pantry was broken open again last Wednesday night and robbed of a turkey.

—Mr. Mike McHale has commenced a new dwelling house on his mother's lot, near the high school. It is about roofed in.

—A Black Spanish radish weighing eight pounds, grown by Mr. Henry E. Gerber, of Chapel district, has been left at this office by Mr. Jas. Smith. It is as large as a mammoth sugar beet.

—Farmers are are now shipping their corn crop. Those on the Choptank river can get it to market before the freeze, by shipping it by the steamer Ruggles, Capt. Wm. E. Turner, agent.

—Mr. Wheeler's steamer, Raleigh got aground in the Choptank river about a week ago, but she was pulled out of the mud by the steamer Ruggles.

—There was a pretty severe rain storm here last Wednesday, but it cleared off Wednesday night, and Thursday, Friday Saturday and Sunday were beautiful days.

—Get in your winter's wood before Christmas. The goose bone says bad weather will see in sometime in January, and there will be no let up in it until spring.

—Merrill's Desiccated washing compound, sold by Bowen & Stafford, Skipton, saves the hands, saves the clothes, saves time, labor and expense. Those who have used it would not be without it Try it, and you will like it.

Capt. Wm. H. Smith will sell his live stock and farming implements, at his farm in Caroline county, on Thursday, the 20th inst. He has some very valuable live stock. See advertisement in our advertising columns.

—Jacob Williams, on Market Space, has just laid in an immense stock of boots and shoes, for Christmas, and is offering them at prices greatly below their value. Call and see him. He says they must be sold.

—Minnick has opened his stock of Christmas goods, and has every thing usually found at the Christmas season in a toy, variety, and book store. He would be pleased to have those wanting Christmas goods to give him a call.

—It is not the quantity eaten that gives strength, life, blood and health. It is the thorough digestion of the food taken, let it be much or little. Therefore, do not stimulate up the stomach to crave food, but rather assist digestion after eating, by taking Simmons' Liver Regulator.

—Posner, 172 Lexington street, Baltimore, have just opened a magnificent assortment of dolls, notions, and fancy goods for Christmas. When you go to the city don't fail to give them a call. Their establishment is a perfect Christmas bazaar.

—The New York one price cash clothing house, 81 West Baltimore street, opposite Light street, Baltimore, is now offering splendid bargains in all kinds of ready-made clothes. It has every thing in its line which may be wanted for Christmas or winter outfits. Don't fail to give this stock an examination when you go to the city.

—We direct special attention to the Christmas advertisement of the great Baltimore clothing house of Charles N. Cohen & Son, 229 West Pratt street, near Hanover, which will be found on the first page of the STAR. In their merchant tailoring and ready-made clothing departments combined, will be found all the latest styles and novelties of the season, at prices so low as to astonish purchasers. Give them a call and take a look when you go to the city.

—Messrs. Wm. N. Calvert & Co., commission merchants, 89 South street, Baltimore, have started the fine schooner Pandora, carrying 5,000 bushels, in the freighting business between the Choptank river and Baltimore, and they hope the farmers on the river will encourage the enterprise. The vessel is commanded by Capt. James E. Price, of Trappe. Messrs. Calvert & Co. were the first to reduce the price of commissions for selling grain, and are a pushing firm. The Pandora is now at Jamaica Point loading with grain.

—We call the attention to the advertisement of Simmons' Liver Regulator, which appears in the paper to-day. This standard remedy does not deserve to be classed with the many 'patent' nostrums so liberally advertised throughout the country. It is one of the very best preparations of its kind in use; and is recommended by the regular practitioners of medicine. It has a large sale in this town, and can be found at all our drug stores. A bottle or package should be found in every southern family, as its judicious use is most certain to prevent a bilious attack, if taken when the symptoms first show themselves."

The Baltimore Gazette.

We invite special attention to the prospectus for 1878, of this able Baltimore democratic paper, which will be found in our advertising columns.

A County Meeting.

A State Convention having been called to meet in Baltimore on the 20th and 21st instants, to consider the subject of Tramps and Vagrants, and the administration of public charities in general, the undersigned invite the citizens of Talbot county who are interested in these subjects, to meet for the purpose of sending delegates to said convention, at the court house in Easton, on Saturday afternoon, 15th inst., at 3 o'clock.—Richard Thomas, I. L. Adkins, Henry C. Lay, Charles H. Gibson, Robert B. Dixon.

Coal Oil Lamp Explosion.

On Thursday evening a coal oil lamp explosion occurred at Mr. William K. Rathell's, and badly burnt one of the hands of Miss Ida, niece of Mr. Rathell. Her dress took fire, and but for the presence of mind of Mr. Rathell's little son, Eddie, who promptly took off his coat and extinguished the flame by wrapping it around the lower part of the skirt of the young lady's dress. The explosion was caused by not wiping off the lamp after it was filled. Mr. Rathell was not at home when the accident occurred.

The Earnest Workers of St. Michaels.

We are informed that an entertainment consisting of a beautiful operetta, charades, &c., will be given by the Earnest Workers, assisted by the Pickwicks, in the town hall at St. Michaels, on the evenings of the 26th and 27th insts. The fact that the Earnest Workers appropriate their proceeds to the support of the most urgent charities, the Orphans' Home, and that both they and the Pickwicks are known to possess positive artistic merit, deserves and will insure a liberal appreciation of their efforts to entertain the public

Home Again.

Our young friend, Mr. Julius E. Stewart, after a year's absence in the city, where he went to make himself a complete master of the watchmaking trade, under instructions by the best masters, has returned to Easton with a complete outfit of all the most improved tools, and is now prepared, at his father's store, on Washington street, to do all kinds of repairing of watches and jewelry, and warrants to give satisfaction, as he has had large experience on the finest class of watches. He hopes his old friends will give him a call, and see what he can do for them.

A History of Maryland, from its settlement in 1577, with the Constitution of the State, embracing with fine engravings, for the use of schools. By Henry Onderdonk, jr., A. M., Principal of St. Timothy's School, and late President of the Maryland Agricultural College. Fourth Revised Stereotype Edition. Published by John Murphy & Co., 182 Baltimore Street, Baltimore.

While New England school children are crammed with New England history, until they are taught to believe there is scarcely any other country in the world worth reading about, not one in a hundred of Maryland children are taught anything respecting the history of Maryland, although the history of our good old commonwealth is thrillingly interesting and important. Here it was that religious toleration was first planted and fostered by the State as a political principle, and here are the lives of patriots, statesmen, and christians, worthy of the study and imitation of the rising generation, and which they should be made familiar with. Mr. Onderdonk's book is just what we need as a text book for the public schools of the State, and it ought to be speedily introduced in them, so that all may be familiar with the leading facts in Maryland history.

Marriages.

BAYNARD—WILSON.—At the M. E. Church in Smyrna, Del., on the 5th inst., by the Rev. E. Stubbs, George T. Baynard of Easton, to Miss Belle Wilson of Smyrna.

Deaths.

WOOTERS.—In Hillsborough, after a short illness, Charles Beaven, oldest child of James M. and Laura J. Wooters, aged 8 years, 10 months and 15 days.

Though common such bereavements, yet every such visitation awakens in parents and loving friends a grief as fresh and keen as ever. In the flying in a piece of affecting significance. There is an impulse felt, if never before, to go to "One Mighty to save," and cry "Lord come down ere my child die." How full of meaning and how at once are treasured up in a loving heart the utterances of the departing soul. "Pa, I want to go home before I die; I don't want to be buried: I'm afraid of the grave," stir emotions that none but the bereaved can feel. But whilst there will be sorrow, there need be no despair, for He who says "I am the resurrection and the life" teaches that this weary night of care and grief, this wailing in the stillness of death, will have a joyful morrow. A FRIEND.

EDGAR.—At his residence in Easton, on the morning of the 10th of December, Thomas Edgar, in the 75th year of his age.

[Centreville and Denton papers please copy.]

His funeral will take place to-morrow (Wednesday) afternoon, at 2 o'clock, at the M. P. Church. The friends of the family, and the public are respectfully invited to attend.

SIMMONS LIVER REGULATOR

ASK the recovered dyspeptics, bilious sufferers, victims of fever and ague, the neuralgic diseased patient, how they recovered health, cheerful spirits and good appetite; they will tell you by taking SIMMONS LIVER REGULATOR.

The Cheapest, Purest and Best Family Medicine in the World!

For DYSPEPSIA, CONSTIPATION, Jaundice, Bilious attacks, SICK HEADACHE, Colic, Depression of Spirits, SOUR STOMACH, Heart Burn &c., &c.

This unrivalled Southern Remedy is warranted not to contain a single particle of MERCURY, or any injurious mineral substance, but is

PURELY VEGETABLE,

containing those Southern Roots and Herbs, which an all wise Providence has placed in countries where Liver Diseases most prevail. It will cure all Diseases caused by Derangement of the Liver and Bowels.

THE SYMPTOMS of Liver Complaint are a bitter or bad taste in the mouth; Pain in the Back, Sides or Joints, often mistaken for Rheumatism; Sour Stomach; Loss of Appetite; Bowels alternately costive and lax; Headache; Loss of memory, with a painful sensation of having failed to do something which ought to have been done; Debility, Low Spirits, a thick yellow appearance of the Skin and Eyes a dry Cough often mistaken for Consumption.

Sometimes many of these symptoms attend the disease, at others very few; but the LIVER, the largest organ in the body, is generally the seat of the disease, and if not regulated in time, great suffering, wretchedness and DEATH will ensue.

I can recommend as an efficacious remedy for disease of the Liver, Heartburn and Dyspepsia, Simmons' Liver Regulator. Lewis G. Wunder, 1826 Master Street, ASSISTANT POST MASTER, PHILADELPHIA.

"We have tested its virtues personally, and know that for Dyspepsia, Biliousness and Throbbing Headache, it is the best medicine the world ever saw. We have tried forty other remedies before Simmons' Liver Regulator, but none of them gave us more than temporary relief, but the Regulator not only relieved, but cured us."—*Md.
