During cholera times an undertaker, being asked by a lady who was employing him at so much housework, whether he would have a gloss now or wait till he had finished the job, said: "I'll be takin' the gloss now, mem, for there's been a power o' sudden deaths lately."

Secretary Schurz and the Charges of Prof. Seelye.

WASHINGTON, Jan. 15.—Sec'y Schurz in a printed new section answers the charges of Prof. Seelye reflecting upon the recent investigation and action of the department in regard to the Indian bureau. He says that Prof. Seelye's assertions show that he has no knowledge whatever of the nature of the investigation. It is admitted that the charges brought by the persons connected with the Eastern Cherokees were of comparatively little importance. But very few statements in the report of the board of inquiry are based upon that testimony. Mr. Galpin was not convicted and dismissed on charges brought by persons connected with the Eastern Cherokees, nor on the charges of any disreputable persons, nor was he dismissed without a hearing. He was dismissed principally upon the testimony of one person alone, and that was himself. He was before the board for more than twenty days, engaged in his own defense, examining and cross-examining witnesses. In his own sworn testimony he admitted that he had for more than two months withheld from the knowledge of the department charges and specifications supported by numerous affidavits, showing corrupt practices of the grossest character on the part of Indian agents and contractors. It is difficult to account for Prof. Seelye's statement.

SIMMONS LIVER REGULATOR

ASK the recovered dyspeptic, bilious sufferers, victims of fever and ague, the nervous and debilitated invalid, how they recovered health, cheerful spirits and good appetite; they will tell you by taking SIMMONS LIVER REGULATOR.

The Cheapest, Purest and Best Family Medicine in the World!

TO DYSPEPSIA, CONSTIPATION, Jaundice, Bilious attacks, SICK HEADACHE, Colic, Depression of Spirits, SOUR STOMACH, Heart Burn &c., &c.

This unrivalled Southern Remedy is warranted not to contain a single particle of MASCUBY, or any injurious mineral substance, but is

PURELY VEGETABLE,

containing those Southern Roots and Herbs, which an all wise Providence has placed in countries where Liver Diseases most prevail. It will cure all Diseases caused by Derangement of the Liver and Bowels.

THE SYMPTOMS of Liver Complaint are a bitter or bad taste in the mouth, Pain in the Back, Side or Joints, often mistaken for Rheumatism, Soreness of the Stomach, Nausea, Want of Appetite, Coated Tongue, Loss of Memory, with a painful sensation of having left undone something which ought to have been done; Debility, Low Spirits, a thick yellow appearance of the Skin and Eyes, a dry Cough often mistaken for Consumption.

Sometimes many of these symptoms attend the disease, at others very few; but the Liver, the largest organ in the body, is generally the seat of the disease, and if not regulated in time, great suffering, wretchedness and DEATH will ensue.

I can recommend as an efficacious remedy for disease of the Liver, Heartburn and Dyspepsia, Simmons' Liver Regulator. LEWIS G. WEMBER, 1625 Master Street, Philadelphia, Pa.

We have tested its virtues personally, and know that for Dyspepsia, Biliousness and Throbbing Headache, it is the best medicine the world ever saw. We have tried forty other remedies before Simmons' Liver Regulator, but none of them gave us more than temporary relief, but the Regulator not only relieved, but cured us.—*Ed. Another Serious Outbreak!

ELLIOTT & RATHELL have just returned from the city with one of the largest stocks of Boots and Shoes for Men and Boys, as well as a heavy stock of all the latest styles of Ladies', Misses and Children's wear that has ever been on exhibition in this market. Prices that have heretofore ruled high, is now but a thing of the past. Present prices, such as are now introduced by us, will not only astonish those who buy goods, but even astonish merchants who are engaged in the business. We have not made much noise through the papers about our stock, deeming it unnecessary, and we do not wish to say much now, only when we have bought goods down 50 per cent we want the public to know it and reap the benefit thereof.

Behold the prices and save 25 to 50 per cent. for the same identical goods bought elsewhere. We wish the people to know that we mean business. We are selling
Ladies' Gaiters (buttoned), for $1.75.
Men's Fine Stitched, hand-made Gaiters $5.
Men's Fine Stitched hand made, Boots, $7.50
And Misses' and Children's wear from 60 cents upwards.

All of the above work guaranteed as represented. Call and see us. Men's heavy wear at astonishing prices. To see, is to be convinced. A $5 Boot for $4, and home made Pegged work for $5. The Old Man still attends to the business in the quietest manner possible. Leather and findings for sale; also blacking for Ladies' wear.

Worth of Boots and Shoes thrown on the Easton Market.

The daily increasing demand for a certain quality and style of Boot and Shoe, is an evidence of the popular favor in which our stock is held by the community generally. We keep none but the best make, and sell at the very lowest prices, and we venture to assert that

The "Mongomery Boots" and "Plow Shoes"

have not their equal in the market. We have just received the largest invoice that we have ever before ordered of those celebrated boots and shoes, being almost an impossibility to keep the demand supplied and we are offering them still, at the same low prices. Persons in want of a good Boot or Shoe, should examine our stock, and they will be sure to purchase, as they commend themselves to purchasers at sight, to say nothing of the wide reputation by the hundreds who have purchased the same make before. In addition to this class, we have the most complete stock of

Ladies and Misses, Boys and Youths Boots and Shoes,

of every quality, style and price, and we defy competition. Call early and see for yourselves, as our stock is just opened. Our stock of

Fall & Winter Dry Goods

is very large and complete, and goods are marked down! *down!!* down!!! so that all can buy without embarrassment. Our stock of

GROCERIES

was never larger and more complete than at present, and we are selling them very close, indeed. An examination will be all sufficient to prove what we here assert. We respectfully invite our many friends and customers to call and see us at our old stand on Market Space.

BRICKS! BRICKS!
TILE! TILE!
BRICK AND TILE.

Salmon Brick, Arch Brick
Red Brick, Paving Brick,
Well Brick, Pressed
Brick, and
*TILE*

from 2 to 7 inches vent, at all prices, from $12 to $75 per thousand.

WE are now prepared to deliver bricks in any part of Talbot county, or anywhere on the water or on railroad out of the county, at 20 *per cent.* LESS THAN OLD PRICES, *for the cash.* We have a heavy stock on hand, of splendid quality, and are determined to command the brick trade of this section, if SUPERIOR BRICKS AND LOW PRICES will do it.

Our stock of Tile is very heavy, and we sell it very low for cash; but are prepared to enter into arrangements with farmers, who may want to put in tile, and who may not have the cash, to give them SIX OR NINE months credit. The tile ought to go in, and the spring land be made productive, and we are willing to help those who are short of money.

We invite a call from all those in want of either brick or Tile.
