THE WHOLE WORLD IN ITS

Reigning at St. Petersburg—The Czar and the Army—The Peace Preliminaries—French Opinion—The Proposed Italian Alliance, &c., &c.

SIGNING OF THE ARMISTICE.

CONSTANTINOPLE, Jan. 31, 6 P. M.—The Turkish plenipotentiaries have signed the preliminaries of peace.

"Adrianople, Jan. 31.—The peace preliminaries and armistice were signed to-day.

Evening.—There is great satisfaction here at the settlement of peace preliminaries. The following are the conditions of the proposed:

First, the erection of Bulgaria into a principality.

Second, Russian indemnity to territories in compensation.

Third.—The independence of Roumania, Servia and Montenegro, with an increase of territory for each.

Fourth—Reforms in Bosnia and Herzegovina.

Fifth—An ulterior understanding between the Sublime Porte and the Czar regarding the Dardanelles.

Sixth—The evacuation of the Danubian fortresses and Erzerum.

An order suspending hostilities will be dispatched forthwith to all the corps and detachments, and also to the army in Asia Minor.

General Zimmerman's forces have advanced within ten miles of Varna and on the Schumla railway and beyond Eski Hobart Pasha has received orders to hold the fleet in readiness to sail. It is believed for the Piræus.

Mehemet Ali Pasha has been appointed to the command of the troops in Route; and Alassides, a Christian, has been appointed governor of the island.

THANKSGIVING AT ST. PETERSBURG.

ST. PETERSBURG, Feb. 3.—Thanksgiving services were held in all the churches and solemn masses were celebrated in the Roman Catholic churches. Flags are flying all over the city, and preparations are making for a brilliant illumination to-night.

THE CZAR TO THE SULTAN.

COPENHAGEN, Feb. 3.—The following is the text of the Czar telegram to the Sultan:

"I desire peace as much as you, but it is necessary for me—necessary for us—that it should be a solid and durable peace."

SURRENDER OF THE GARRISON AT WIDDIN.

LONDON, Feb. 4.—The Standard's Belgrade correspondent telegraphs that in consequence of the armistice the garrison at Widdin has been ordered from Constantinople to surrender their arms, after which they will be quartered in the neighboring villages.

THE GREEK MOVEMENT.

ATHENS, Feb. 2, evening.—Ten thousand Greek regulars and many thousand volunteers are crossing the frontier from Limia in three divisions. Ten ironclads are under orders not to attack the Turkish troops, the object of entering Turkey being to prevent massacres of Christians consequent on insurrection. This determination has been communicated to the Turkish minister, who does not seem to consider it sufficient to warrant a rupture of diplomatic relations, as he is making no preparations for departure.

GAMBETTA ON THE EASTERN QUESTION.

LONDON, Feb. 2.—A special dispatch from Paris to the Pall Mall Gazette says: "M. Gambetta declares that any engagements made at Kiskanlik modifying the treaty of 1856 must be considered null and void. The Russian conditions, M. Gambetta declares, except the demand for indemnity, involve a flagrant violation of that treaty. French interests in the East he considers have hardly change d since 1856. M. Gambetta insists that the war can only be terminated by a European Congress."

THE PROPOSED ALLIANCE AGAINST RUSSIA.

A Rome special to the Pall Mall Gazette says: "The proposal of an Italian alliance with the powers who are opposed to Russian aggrandizement, but at the same time guaranteeing freedom of the Christian dominions is most favorably entertained here. The Pope and Cardinal Simeoni, the pontifical secretary of State, are agreed as to the necessity of encouraging an alliance of Italy with England, France and Austria."

THE PROPOSED CONFERENCE

ST. PETERSBURG, Feb. 2.—Russia has accepted Austria's proposal of a conference for settling European questions resulting from the war. The place at which the conference will meet is not yet determined upon. It will probably be in one of the smaller States. The basis of the Russian peace conditions have been signed.

PARIS, Feb. 3.—A special to the Temps from Vienna announces that all the powers have accepted Count Andrassy's proposal for a conference, which will meet in Vienna.

A Long-Winded Sick Man.

At Toledo, Ohio, Judge West and Gen. George A. Sheridan were appointed to speak together. It was one of Judge West's bad nights. He was not feeling strong, and as Sheri an was a rattling speaker, it was the determination to give the night to him. The chairman of the meeting, therefore, according to understanding, opened by stating that Judge West was "feeble" and could speak but a few minutes.

The Judge opened at five minutes past 8, and became so absorbed with the subject he had in view, he knew nothing of the flight of time, and closed with a dazzling peroration at nine minutes after 11 o'clock—occupying only three hours and sixteen minutes.

Sheridan came forward and said he was "somewhat feeble" himself, but he did not think they required to hear from more than one sick man in one evening.

Iron in the Blood

The Vital Fluid.

Peruvian Syrup

Peruvian Syrup

A potent and reliable combination of Peruvian Bark with Iron, not to be easily digested and so combined as to be readily assimilated with the blood as the simplest food. It increases the quantity of Nature's own Vitalizing Agents, runs in the Blood, and cures a thousand ills, simply by toning up, invigorating and Vitalizing the system. The enriched and vitalized blood moves every part of the body, repairing damage and waste, vanishing our morbid secretions and leaving nothing for disease to feed upon.

Fever & Ague & Spring Medicine

It has no equal. Malaria without quinine. Its effects are permanent, differing in this respect from all Alkaline Tonics.

CURES

Dyspepsia, Debility, Liver Complaint, Dropsy, Chronic Diarrhœa, Boils, Nervous Affections, Chills and fevers, Humors, Loss of Constitutional Vigor, Female Complaints, Etc.

From a well-known Writer:

FROM REV. ALVAN WORCESTER, Pastor of the Congregational Church, Marlboro, Vt., Oct. 6, 1876.

Mr. W. Powl & Sons:

Gentlemen—Two years ago I began to take the Peruvian Syrup. Was then very much run down by a long standing complaint of dyspepsia and defective circulation of the blood. Three bottles of the Peruvian Syrup changed this to vigor and rounding health. I have a fine appetite, digest well, and can walk five miles easily without resting, or may myself out of doors all day long with vigor.

A lady of mature years, in the town of Marlboro, was so far prostrated from a low state of the blood as to be confined to her room for more than a year. She had been so for two years. Five bottles of the Syrup have rebuilt her system that she can eat heartily, sleep well, walk one mile three miles in the morning and return, and sit under the shade of the trees in her grounds. A friend of hers, who is an invalid, has taken three bottles of the Syrup, and is improving in health. Yours, very respectfully,

REV. A. WORCESTER.

From Chas. H. Colgate, Esq., of the firm of Messrs. E. & C. Colgate & Co., Perfumers, Kalmia Manufactory of Starch, Newark, N. J.

NEWTON, Mass., Dec. 6 1876.

Messrs. Seth W. Fowle & Sons:

Last spring my little daughter, aged five, became very much emaciated with loss of appetite, and great prostration of strength, so much so that we were obliged to take her out of school. She continued through the summer, and caused us much anxiety. After trying various remedies without derriving any benefit, our family physician recommended the use of Peruvian Syrup. After a long time we saw a marked improvement in the child's condition, and in a month she was rapidly gaining in health and strength, her appetite being excellent. At this date she is perfectly well, with round, plump cheeks and healthy color, and we attribute her health entirely to the Peruvian Syrup, and feel that I can safely recommend it as tonic. Very gratefully yours,

CHAS. H. COLGATE.

STIMMONS LIVER REGULATOR

ASK the recovered dyspeptic, bilious sufferers, victims of liver and stomach, the mercurial diseased patient, how they recovered health, cheerful spirits and good appetite; they will tell you by taking SIMMONS LIVER REGULATOR.

The Cheapest, Purest and Best Family Medicine in the World!

For DYSPEPSIA, CONSTIPATION, Jaundice, Bilious attacks, SICK HEADACHE, Colic, Depression of Spirits, SOUR STOMACH, Heart Burn, &c., &c.

This unrivalled Southern Remedy is warranted not to contain a single particle of Mercury, or any injurious mineral substance, but is

PURELY VEGETABLE,

containing those Southern Roots and Herbs, which an all wise Providence has placed in countries where Liver Diseases most prevail. It will cure all Diseases caused by Derangement of the Liver and Bowels.

THE SYMPTOMS of Liver Complaint, are a Bitter or bad taste in the mouth; Pain in the Back, Sides or Joints, often mistaken for Rheumatism; Sour Stomach; Loss of Appetite; Bowels alternately costive and lax; Headache; Loss of Memory, with a painful sensation of having failed to do something which ought to have been done; Debility; Low Spirits, a thick yellow appearance of the Skin and Eyes; a dry Cough often mistaken for Consumption.

Sometimes many of these symptoms attend the disease, at others very few; but the Liver, the largest organ in the body, is generally the seat of the disease, and if not regulated in time, great suffering, wretchedness and DEATH will ensue.

I can recommend as an efficacious remedy for disease of the Liver, Heartburn and Dyspepsia, Simmons' Liver Regulator. LEWIS G. WUNDER, 1625 Master Street, ASSISTANT P. M. MASTER, PHILADELPHIA.

"We have tested its virtues personally, and know that for Dyspepsia, Biliousness and Throbbing Headache, it is the best medicine the world ever saw. We have tried forty other remedies before Simmons' Liver Regulator, but none of them gave us more than temporary relief, but the Regulator not only relieved, but cured us."—*Ed. Behold the prices and save 25 to 50 per cent. for the same identical goods bought elsewhere. We wish the people to know that we mean business. We are selling

EASTON MD

CONTRACT to do all kinds of Carpenter's work in town or country, by the job or day, and find material or not to suit customers. All work done by them warranted to be the most workmanlike manner.

They don't propose to cut prices but obligate to do work *as cheap as it can be done on the Eastern Shore*

They are the only Carpenters in Easton who make their own drawings; and this they do without cost to their customers; indeed, they claim to be the only Carpenters in Easton who can correctly work by drawings.

Shop on Tanner's Lane in the rear of the residence of J. Frank Turner Esq., on Railroad Avenue

They solicit a call from all persons wanting work done in their line of business.
