Iron in the Blood

Is Nature's Own Vitalizer.

Peruvian Syrup

A protoxed solution of the Protoxide of Iron, in combined with nature's specimen of vegetable matter, so pure digested and assimilated with the blood as the simplest food. It is not the quassitive of Nature's own Vitalizing Agent, run in the Blood, and cures a thousand ills, simply by toning up, invigorating and Vitalizing the system. The enriched and vitalized blood permeates every part of the body, repairing damages and waste, searching out morbid acts that and lurks within for disease to feed upon.

For a Spring Medicine

It has no equal. Stimulating without reaction, it imparts a permanent vigor, differing in this respect from all other bitter tonics.

CURES

Dyspepsia, Debility Liver Complaint, Dropsy, Chronic Diarrhœa, Boils, Nervous Affections, Chills and Fevers, Humors, Loss of Constitutional Vigor, Female Complaints, Etc.

From a well-known Writer.

From Mrs. Mary Francis, well known as "Margaret Blount."

Brooklyn, Windsor Place, Oct. 6, 1876.

Gentlemen—Two years ago I began to take the Peruvian Syrup. I was in a lang ish, half-alive state, through insident dyspepsia and debility. I was so nervous that I could not bear the noise of my children playing about the house. The Syrup built up her system that she now sits a sprightly, sleeps well and can walk five miles in fine weather without fatigue. I consider the medicine invaluable to persons of sedentary pursuits, or to those who suffer from languor or low spirits, since it imparts that peculiar energy to the system to resist the effects of fatigue. I cheerfully add my testimony to the virtues of the Peruvian Syrup. Yours, very respectfully,

MARY FRANCIS

Peruvian Syrup
Peruvian Syrup

From Chas. Colgate, Esq.,

Of the firm of Colgate & Co., Manufacturers of Flavoring Extracts 21 Blackstone st, Boston.

Boston, Nov. 1st, 1876.

Gentlemen—Last spring my little daughter, aged five, became very much emaciated with loss of appetite, and great prostration of strength, so much so that we were obliged to take her out of school. This continued through the Summer, and caused us much anxiety. After trying various remedies without deriving any benefit, our family physician recommended the use of the Peruvian Syrup. After using one bottle we saw a marked improvement in the child's condition, and in a month she was rapidly gaining in health and strength, her appetite being excellent. At this date she is perfectly well, with round, plump cheeks and healthy color, and is again attending school regularly. I consider her restoration to health entirely due to the Peruvian Syrup, and feel that I can strongly recommend it as a tonic. Very gratefully yours,

CHAS. H. COLGATE.

Standard Fertilizers!!!

I would respectfully call the attention of the Farming public to the fact that I am handling for this fall's seeding what I consider the best and most reliable Fertilizers in the market. I have in the sole agency in this locality for

Startling! Startling!

Another Serious Outbreak!

ELLIOTT & RATHELL have just returned from the city with one of the largest stocks of Boots and Shoes for Men and Boys, as well as a heavy stock of all the latest styles of Ladies', Misses and Children's wear, that has ever been on exhibition in this market. Prices that have heretofore ruled high, is now but a thing of the past. Present prices, such as are now introduced by us, will not only astonish those who buy goods, but even astonish merchants who are engaged in the business. We have not made much noise through the papers about our stock, deeming it unnecessary, and we do not wish to say much now, only when we have bought goods down 50 per cent. we want the public to know it and reap the benefit thereof.

Behold the prices and save 25 to 50 per cent. for the same identical goods bought elsewhere. We wish the people to know that we mean business. We are selling

Ladies' Gaiters (buttoned), for $1.75.
Men's Fine Stitched, hand made Gaiters, $5.
Men's Fine Stitched hand made, Boots, $7.50.
And Misses' and Children's wear from 60 cents upwards.

All of the above work guaranteed as represented. Call and see us. Men's heavy wear at astonishing prices. To see, is to be convinced. A $5 Boot for $4, and home made Pegged work for $5. The Old Man still attended to. Repairing in the neatest manner.

P. S.—Leather of all kinds for sale; also blacking for Ladies' wear.

$5,000

Worth of Boots and Shoes thrown on the Easton Market.

The daily increasing demand for a certain quality and style of Boot and Shoe, is an evidence of the popular favor in which our stock is held by the community generally. We keep none but the best make, and sell at the very lowest prices, and we venture to assert that

The "Mongomery Boots" and "Plow Shoes"

have not their equal in the market. We have just received the largest invoice that we have ever before ordered of these celebrated boots and shoes, being almost an impossibility to keep the demand supplied and we are offering them still, at the same low price. Persons in want of a good Boot or Shoe, should examine our stock, and they will be sure to purchase, as they commend themselves to purchasers at sight, to say nothing of the wide reputation by the hundreds who have purchased the same make before. In addition to this class, we have the most complete stock of

Ladies and Misses, Boys and Youths Boots and Shoes,

of every quality, style and price, and we defy competition. Call early and see for yourselves, as our stock is just opened. Our stock of

Fall & Winter Dry Goods

is very large and complete, and goods are marked down! *down!!* down!!! so that all can buy without embarrassment. Our stock of

GROCERIES

was never larger and more complete than at present, and we are selling them very close, indeed. An examination will be all sufficient to prove what we here assert. We respectfully invite our many friends and customers to call and see us at our old stand on Market Space.

TILE

from 2 to 7 inches vent, at all prices, from $12 to $75 per thousand.

WE are now prepared to deliver bricks in any part of Talbot county, or anywhere on the water or or railroad out of the county, at 20 *per cent.* BELOW OLD PRICES, *for the cash.* We have a heavy stock on hand, of splendid quality, and are determined to command the the brick trade of this section, if SUPERIOR BRICKS and LOW FIGURES will do it.

Our stock of Tile is very heavy, and we sell it very low for cash; but are prepared to enter into arrangements with farmers, who may want to put in tile, and who may not have the cash, to give them six or nine months credit. The tile ought to go in, and the springy land be made productive, and we are willing to help those who are short of money.

We invite a call from all those in want of either brick or Tile.
