Grand Spring Opening

AT THE

Mammoth Fashion Bazaar

OF

Mrs. M. S. Norris

(opposite the Court House,)

Easton, Md

The Ladies of Easton and Talbot county, as well as the towns and counties adjacent, are respectfully requested to call at the Great Bazaar of Fashion and inspect the beautiful and superb stock of Bonnets, Hats, &c., of the very latest styles, as well as Ribbons, Trimmings and Flowers in heavy stock which has just been received and opened for inspection and sale Her entire stock has been purchased with great care, and with an eye single to the wants of her lady customers, and she can boast of the most complete establishment on the shore. Every article in Millinery and Fancy Goods can here be obtained, without visiting the cities as heretofore, and prices are astoundingly low. Her unprecedented large sales during the season just passed, has given her great encouragement to extra efforts. This she has done as will be seen from an inspection of her immense and beautifully selected stock.

She has secured the services of a lady from the city, whose good judgment and excellent taste in the trimming department has never failed to please the most fastidious.

She now invites her friends and customers to give her a call when visiting Easton, and returns profound thanks for the very liberal patronage extended her in the past, and earnestly solicits a continuance.

TUTT'S PILLS

are extracted from Vegetable products, combining therein the Mandrake or May Apple, which is recognized by physicians as a substitute for Mercury, possessing all the virtues of that medicine, without its bad after-effects.

AS AN ANTI-BILIOUS MEDICINE

they are incomparable. They stimulate the TORPID LIVER, invigorate the NERVOUS SYSTEM, and give tone to the DIGESTIVE ORGANS. Regularity, perfect digestion and thorough assimilation of food. They exert a powerful influence on the KIDNEYS and LIVER, and through these organs remove all impurities, invigorating the tissues of the body and causing a healthy condition of the system.

AS AN ANTI-MALARIAL REMEDY

They have no equal; and as a result act as a preventive and cure for Bilious, Remittent, Intermittent, Typhoid Fevers, and Fever and Ague. Upon the healthy action of the Stomach, depends, almost wholly, the health of the human race.
