Miscellaneous.

No Whiskey!

Brown's Iron Bitters is one of the very few popular medicines that are not composed entirely of alcohol or whiskey, thus increasing a fruitful source of intemperance by promoting a desire for rum.

Brown's Iron Bitters is guaranteed to be a non-intoxicating stimulant, and will, in nearly every case, take the place of all liquor, and at the same time absolutely kill the desire for whiskey and other intoxicating beverages.

Rev. G. W. Rice, editor of the American Christian Review, says of Brown's Iron Bitters:

CINCINNATI, O., Nov. 16, 1881.

Gentlemen: The general use of your preparation among the people of our place, has been followed with a marked improvement in the health of many persons who have been using it as a tonic.

Brown's Iron Bitters has been thoroughly tested for dyspepsia, indigestion, biliousness, weakness, debility, overwork, rheumatism, neuralgia, consumption, liver complaints, kidney troubles, &c., and it never fails to render speedy and permanent relief.

ROLAND CHILLED PLOWS.

Every farmer in Maryland should use the "Roland." The Mouldboard is harder than steel. They will do more work than any other Plow with the same amount of draft. They run level and easy in the furrow. They will scour in any soil. Having the reversible slip point, sloping landside and chilled mould board they can be worked more by a boy than any other plow in the market. Made in Baltimore, the repairs can always be obtained without delay. Also, the work-famous Champion Grain and Grass Drills of the best. There are fourteen sizes and kinds to choose from, and are sold at half the price of all others. Send for descriptive circular.

CHAMPION GRAIN DRILL.

This Drill has force feed distributors for both wheat and grass seed, and has the only reliable distributor that will sow well and evenly distribute wet and sticky phosphates. It will sow grain, grass seed and fertilizer more satisfactorily than any other drill in America. It is the simplest and strongest drill made. It is more easily managed and less liable to get out of order than any drill in the market. As it is the leading drill in this market, and several thousands have been sold during the past few years, I keep a stock on hand, and is always on hand. Send for circular.

BRITISH MIXTURE.

The popularity of this celebrated fertilizer is not due alone to the price, but to the fact that its results are satisfactory to all. It has been found the equal of the highest priced and best phosphates in the market. It gives more value for each dollar paid than any other fertilizer in the land. Send for circular and price list.
