TUTT'S EXPECTORANT

Is composed of Herbal and Mucilaginous products which permeate the substance of the Lungs, expectorates the morbid matter secreted in the Bronchial Tubes, and forms a soothing coating, which relieves the irritation that causes the cough. It cleanses the lungs of all impurities, strengthens them when enfeebled by disease, invigorates the circulation of the blood, and braces the nervous system. Slight colds often end in consumption. It is dangerous to neglect them. Apply the remedy promptly. A few doses will generally arrest the action, but no remedy has ever been found that is as prompt in effecting a cure as TUTT'S EXPECTORANT. A single dose relieves the tight cough, subdues inflammation, and its use speedily cures the most obstinate cough. A pleasant cordial, children take it readily. For Croup it is invaluable, and should be in every family.

Price 25c. and $1 Bottles.

TUTT'S PILLS

DIRECTLY ON THE LIVER.

Cures Chills and Fever, Dyspepsia, Sick Headache, Bilious Colic, Constipation, Rheumatism, Piles, Palpitation of the Heart, Dizziness, Torpid Liver, and Costive Irregularities. If you do not "feel well" a single pill stimulates the stomach, rouses the torpid liver and gives tone to the system.

A NOTED DIVINE SAYS:

For years I have been a sufferer from Dyspepsia, Constipation and Piles. Last spring your pills were recommended to me; I used them (not with little faith). I am a well man, have good appetite, digestion perfect, bowels regular, pulse good, and I have gained pounds in solid flesh. They are worth their weight in gold.
