Lumber Business.

Medical.

SENSIBLE MEN and women know that this first of the many diseases and derangements of the body each has a separate cause or origin, and that each needs a different method of treatment to obtain a cure, and a moment's reflection must convince that any of the quack nostrums foisted upon the public claiming to cure all, are simply dishonestly different shades of humbug, prove failures, even if we do not call them humbugs.

POOR PEOPLE have no means, and even people well-to-do or wealthy find that the *enormous* charges of practising physicians are a serious burden to them, and also find that after paying themselves poor that no benefit has accrued to them, that it has but they have thrown their money away. To *Students*, these evils we offer *Wheeler's No. 98 Rare Remedies* to the sick and suffering, *one Remedy* for each disease. Without for a moment claiming that one remedy will cure any other disease than the one claimed for it, and as these remedies have stood the test of years without a single failure, we agree to *refund the money* paid in every instance where a cure is not positively effected. The remedies are entirely vegetable, can do no harm, and will positively cure every disease for which they are prescribed.

RHEUMATISM, Gout, Lameness of Joints, Sciatica and Neuralgia are relieved at once and positively cured by the use of Wheeler's No. 98 Rheumatic Remedy. This is no bare shot in the worst cases of no matter how *long standing*, be it *acute* or how *painful*, we can not only give relief but positively *cure* for all time. Failing to do this we will positively refund the money paid for the treatment, and if your sufferings are not positively stopped for life, we will refund twice the money you paid for your cure, or any other thing these guaranteed remedies. The price of Wheeler's No. 98 Rheumatic Remedy is only 50 cents, obtainable from druggists or sent free by mail on receipt of price. Stamps taken.

SUFFERING WOMEN. Many a lady endowed by nature with a pretty face, beautiful figure, matchless complexion, as well as the sweetest of tempers and faultless mental qualities grows prematurely old, gray and wrinkled, her form loses its perfect contour, her complexion becomes sallow, the brightness leaves the eye, a feeling of languor takes the place of the once buoyant spirits, an irritable nervous temperament makes life a burden, things that once were trifles worry her till life becomes unbearable. All this being caused by that physical derangement so common to women, which the insane modesty of feminine nature prevents their making known, and of which the *improver of the medical* profession prevents a cure. *Lady Reader, pause* and consider, 'tis a duty you owe yourself, your family and your God, that you should cure yourself of these troubles and once more feel the glow of perfect health and strength that nature intended for you. *Wheeler's No. 98 Prescriptions* are pleasant and palatable to take, contain nothing of an injurious nature, and may be taken by all ages at all times and in all conditions without regard of all rules, and will positively cure any of the peculiar diseases to which females are subject. Failing to produce a perfect cure the proprietors will *refund the money* paid for the treatment. *If you have a sallow complexion*, constant or intermittent headaches, backache, restlessness, loss of appetite, suppression of monthly flow, or irregularities thereof accompanied by headaches, nervousness, dyspepsia and similar symptoms, *Wheeler's No. 98 Prescription "B"* will positively restore you to health. If you have a sensation of heat and throbbing in the back, frequent fainting spells, Leucorrhœa or white discharge, painful or scalding sensation in urinating, reddish or white deposit in urine, hot and dry skin, *Wheeler's No. 98 Prescription "C"* will give immediate and lasting relief. The price of Wheeler's No. 98 Prescriptions "B" and "C" are $1 cents each, obtainable from druggists or sent by mail secure from observation postpaid on receipt of price. Pamphlets taken.

CATARRH. It is needless to describe the case that is sapping the life and strength of only too many of the fairest and best of both sexes, old and young, suffering alike from the poisonous dripping in the throat, the poisonous nasal discharges, the fetid breath and general weakness, debility and languor, aside from the acute sufferings of this disease, which if not checked can only end in *long years, hopeless, consumed sight, loss of memory, deafness and premature death* if not checked before it is too late. Labor, study and research in America, Europe and Eastern lands have resulted in *Wheeler's No. 98 Instant Relief and Sure Cure for Catarrh*, a remedy which contains no narcotic ingredients, and that is guaranteed to cure every case of acute or chronic catarrh or money refunded. *Wheeler's No. 98 Instant Relief and Sure Cure for Catarrh* will cure every case of catarrh, hay fever or asthma, price $1.00 per package, from druggists or sent by mail postpaid on receipt of price.

Wheeler's No. 98 Sure Cure for Kidney and Liver Troubles cures all weakness and soreness of kidneys, inflammation of kidneys or liver, price $1.00.

Wheeler's Vegetable Pills are the only remedy that cure constipation, giving satisfaction of the bowels without physicking, purging, griping or pain. Price 25 cents, of druggists or by mail.

Wheeler's Nervine Tonic for nervous debility, loss of manhood, languor, weakness or overtaxation of the brain is invaluable, price 25 cents.

WE GUARANTEE Cures in every case or will refund money paid. We place our price for these remedies at less than one-twentieth of the price asked by others for remedies upon which you can get the cures, and we *speedily* disabuse the prejudiced in the many persons who have tried other remedies without effect or depleted their purses by paying double or treble the price for these remedies. Be sure to call for Wheeler's Remedies at your druggists and not be imposed upon by other remedies, or if they have not got them, write at once to the proprietors, enclosing the price in money or stamps, and they will be sent you at once by mail, postpaid. Correspondence solicited. Address plainly

Scarlet Fever Cured.

Vanderbilt University, Nashville, Tenn. I notice the most excellent qualities of Prof. Darbys Prophylactic Fluid. As a disinfectant and detergent it is both theoretically and practically superior to any preparation with which I am acquainted.—N. T. Lupton, Prof. Chemistry.

Darbys Fluid is Recommended by Hon. ALEXANDER H. STEPHENS, of Georgia; Rev. Chas. F. DEEMS, D.D., Church of the Strangers, N. Y.; Jos. LECONTE, Columbia, Prof. University, S.C. Rev. A. J. SPIELD, Prof. Mercer University; Rev. Geo. F. PIERCE, Bishop M. E. Church.

Telling it Very Short.

"I'll tell it, sir, in few words if I can, but the story would fill a book if justice was done to it."

"Surely, Michael, but put it short this time so I can squeeze it in a page and a half of paper."

"Here you are, sir, then, and there are thousands of people here in Binghamton, N. Y., who will testify to the truth of what I say. My name is Michael Guilfoyle. I am seventy-four years old. For about nine years I was almost shut out from the world by rheumatism. I had paddled small wares in dalecarlia for years, and had to stop altogether. At the best of times I could only hobble miserably about with my cane. I was bent nearly double with pain and weakness, and my hands were useless to labor with. I was but the poor wreck of a once strong man. None of the medicines usually given for rheumatism did me the least good, sir. My old friends and customers, forgot me as though I were under ground.

'With the end of my nose and the tips of my toes
Turned up to the roots of the daisies.'

My days and nights were doleful and painful. I had no hope except in death. That is God's truth, and Mr. Mosher, here, knows it.

"I can't tell you now, but PARKER'S TONIC cured me. That was three years ago. I'm lively as a cricket now, sir, and go my business rounds every day, rain or shine. I feel like telling it to all the world, and tell it the doctors to me."

This preparation, which has been known as PARKER'S GINGER TONIC, will be called simply PARKER'S TONIC. This change is made for two reasons: first, because ginger is an unimportant flavoring ingredient, and secondly, because unprincipled dealers deceive their customers by substituting inferior preparations under the name of ginger.

There is no change, however, in the preparation itself, and all bottles remaining in the hands of dealers, prepaid under the name of PARKER'S GINGER TONIC contain the genuine medicine in the *fac-simile* signature of HIRCOX & Co. is at the bottom of the outside wrapper.

OF ANOTHER AGE.

Gradually Supplanted by a Better Article Certain Old Things are Done Away.

In the general reception room of the Western Union Telegraph building on Broadway, New York, are exhibited the coarse, crude and clumsy instruments of the infancy of the telegraph. They are only relics now. More perfect machinery has superseded them.

Years ago what is now styled the old-fashioned porous plaster did some good service. There was then nothing better of the kind. Now all that is changed. Science and study have gone deeper into the secrets of medicine and produced BENSON'S CAPCINE POROUS PLASTER, which embodies all the excellencies that far possible in an external remedy. The old plasters were slow—the Capcine is rapid; they were uncertain—the Capcine is sure. Cheapon articles bear similar names. Be careful, therefore, that some thrifty druggist does not deceive you. In the centre of the genuine is set the word CAPCINE. Price 25 cents.
