Capt. Wm. H. Caspell of the Western District presented his resignation to the Board in person and by the following letter:

To The Honourable Board
of Police Commissioners
Gentlemen,

I desire most respectfully to tender your Honourable Body my resignation as Captain of the Western District of Baltimore City. In doing so I take great pleasure in assuring you, that it is from no fault or unpleasantness whatever incident to my connection with the Police Force, but from personal and private considerations alone.

In severing my connection with the Police Department, I cannot refrain from saying that during the whole time I have been connected therewith, I have been governed by an eye single to the best interests of the City and a proper administration of my duties and I resign my present position to enter upon another more acceptable and profitable to myself.

I believe my course as a Police Officer has been approved, also, my re-appointment by your Honourable Body and the offer of another position more acceptable to me, is sufficient proof of that fact.

To the Officers and men under your charge I beg to return my sincere thanks, especially to Col. John T. Farrow your very worthy Marshal. I respectfully renew my assurances of high regard.

Very truly, Yours Ob. Serv.

Wm. H. Caspell

Capt. Western District.
