—Look out for spurious Democratic tickets—there are lots of them in circulation in this county.

—Vote early and then go direct to Nicols' Hardware store and see his splendid assortment of robes and blankets, guns and cutlery.

—The Republicans held a meeting in the town hall last Monday night. They took it out in abusing Democrats and the Democratic party.

—An unseasonable blizzard struck this town last Wednesday, and sent the mercury in the thermometer down to nearly the freezing point.

—Fresh Raisins, Currants, Pruses, Citron Nuts, Lemons and Oranges, and Cooking Raisins, just received at MacK. Goldsborough's book store.

—The best place to have your Cook Stoves Repaired is at Geo. W. Beck's, because he always keeps on hand the largest stock of Stove Repairs.

—Messrs. Hubbard & Brother have moved into their new office—the room lately occupied by Mr. John McHale, next door to the hardware store of Mr. T. G. Hisomi.

—Harry B. Elston, Easton's fashionable tailor, has received the latest New York fashions, and is fully prepared to cut and make clothes in the most fastidious manner.

—The county is flooded with spurious Democratic tickets, printed at the Gazette office. Democrats, look out for them. Read your ticket before voting and see that it is right.

—Once is as often as the law permits good Democrats or Republicans to vote, but you can go as often as you please to Nicols' Hardware store to see his great attractions in seasonable goods.

—A nice assortment of Buffalo Robes, Wolf Robes, Scotch Robes, Lap and Horse Blankets, just received at Shannahan & Wrightson's. They always have a large stock in this line. They are truly headquarters.

—No Democratic rooster tickets have been printed this year, because there is a spurious rooster ticket out, with Republican names on it. Look out for the fraud, Democrats, before voting, and shun the rooster tickets.

—Mr. Hardy Connell is putting a fresh coat of paint on the outside of the court house for the County Commissioners. When the second coat is on it will make a great change in the appearance of the grand old building.

—Messrs. Wilfred Bateman and William R. Martin, trustees, will sell Mr. Louis R. Levering's personal property, at his farm in Oxford Neck, on the 16th of November, inst. The advertisement will be found in to-day's STAR.

—Democrats, don't believe the lies put in circulation on the eve of the election by the Republicans, to injure the Democratic candidates. It is an old trick of the enemy which all understand. Such electioneering is their last, dying dodge.

—Work! Work! Work! Everything depends now on work! If Democrats will do their duty, to-day, and work from six o'clock in the morning to six o'clock to-night, a glorious victory will reward their labors. Work, work, work, and see that every man votes the whole Democratic ticket.

—Now is the time to prepare for cold weather, go at once to Shannahan & Wrightson's and examine their tremendous stock of Heating Stoves, Cook Stoves, Ranges and New Golden Sun Fire-Place Heaters, this is unmistakably the most popular stove on the market. Examine it before you buy.

—Another large invoice of breech-loading single and double barrel guns just received direct from the importers, by Shannahan & Wrightson, which they are selling at lowest city prices. It will pay you to call and examine their large stock of guns, pistols, ammunition and sportsmen's outfit.

—The Republican leaders had a meeting in Easton on Friday to fix things. They had lots of funds to distribute, and every colored man should claim his share to-day before voting. If they don't get their money before voting, they will not get it at all. They have it, make them fork over before voting, and you'll have them.

—Keep it before Joe Gray and the colored people, that Bart B. Holton assisted to tar and feather the abolition Quaker, James L. Bowers, in Kent county, in 1858, for aiding slaves to escape from their masters to Pennsylvania. This is a fact, well-known to the colored people of Kent county, many of whom will not vote for Holton.

—No sensible man prefers wealth to health. Some few have both, very many haven't either. Well, you may have first choice. Which will you take? "Health?" Very well, what's your ailment? "A little of everything."—What's the cause? "Blood out of order, kidneys weak, digestion bad, heart's action irregular." Yes, and every disease can be traced to these same sources. Just take a few bottles of Brown's Iron Bitters, it will remove the causes of disease and restore you to robust health. Ask your druggist and use Brown's Iron Bitters.

—"Throw Physic to the Dogs," is a command, disobedience to which has cut short many a useful life. The remedy called Wilsonia advertised on another page, strikes us as a reasonable one.

Treatment by electricity has often been found beneficial, and could it be applied constantly might do more.

By the Wilsonia method, mild, almost imperceptible, currents of magnetism are constantly given, which in an almost marvellous way restore health. Its achievements in the past are the universal theme.

—Chas H. Gibson, Esq. spoke at the Democratic mass meeting at Greensborough last Saturday afternoon.

—THE STAR went to press earlier than usual this week, in order that it might circulate over the county through the mail on Monday.

—The Democrats held the largest political meeting at Denton last Tuesday ever held in Caroline county. Gen. Bradley T. Johnson and Mr. J. Frank Turner were among the speakers.

—The druggist who hesitates now is lost for the winter. He should sling together some sweet oil and licourice and bring out his cough cure at once. Dr. Bull's Cough Syrup does not pay him enough profit.

—A vote for Thomas, Lloyd and Seth, remember, is three votes for a Democratic United States Senator. A vote for Dixon, Council or Grace is a vote for a Republican Senator. No Democrat can hesitate how to vote.

—Enthusiastic Democratic meetings were held at Matthews, on Thursday night, at Broad Creek Neck, on Friday night, at Wittman's, on Saturday afternoon, and at Tilghman's Island, on Saturday night, which wound up the campaign in Talbot. Nothing now remains but for every Democrat to go to the polls and do his level best for the whole ticket.

—W. E. Thornton, Esq.—Dear Sir: I use Larcom's Bitters in my family, and think it a valuable and excellent medicine for all derangements both of Stomach, and Liver. It gives me much pleasure to endorse its merits, which you are at liberty to make use of in any way you may think proper. Very respectfully yours, Mrs. H. E. Kettlewell, 163 Hanover street.

—Mr. Samuel E. Tucker has recently put up several new grave stones in Spring Hill cemetery, and would like those wanting cemetery work done, to call and examine the artistic workmanship displayed in their jobs. He claims to do as nice work, and as cheap as any yard in the State. Orders may be left at Jump & Willoughby's grocery. He is agent for Gaddess Brothers, Baltimore, who execute his work.

—Can this be true? It is too monstrous to be true! But it is reported that Capt. Jas. A. Ridgaway signed his name in blank to the letter over his signature that appeared in the GAZETTE of Saturday, and that the libelous charge in it against Mr. J. Frank Turner was subscribed to in the office of his office-seeker, and uttered with a view to the capture of the Democratic ticket, having seen it! This is monstrous if true, and ought to shock the friends of the candidate in whose interest the libel was published.

—Remember, Democrats, when the Republicans talk about economy, that, of the 18½ cents on the $100 paid for state taxes, 10 cents go to the schools, and 8½ cents go to pay the interest on the State debt. We have not to pay one cent of taxation for ordinary State expenses. This is Democratic rule—Democratic economy. Think of this when you vote to-day. It was very different when the Republicans governed the State. Then the people groaned under a heavy load of high taxes.

—Keep it before the people, and remember it when you vote to-day, that no state in the union has a higher credit than the State of Maryland under Democratic rule. The test is in the sale of her state bonds. Maryland 3.65 bonds bring a premium in the financial market. The Democrats have saved by using this gilt-edged credit in funding $3,000,000 of the State debt, about $90,000 annually to the tax payers. Who would give a premium on a 3 65 bond of a State ruled by Republicans.

—In ventilating the State's claim against the Baltimore & Ohio railroad, the Gazette forgets that the railroad also had a heavy claim against the State, which claim was honorable and just and allowed by the legislature in the settlement. If it undertook to give the facts, it ought to have given ALL THE FACTS, and not suppress an important part of them for the purpose of misrepresenting and injuring Gov. Thomas and Mr. McLane. But who could expect fair dealing from those who concocted the libel against Mr. Tuaner?

—Notice, Democrats and Republicans, friends of Mr. J. Frank Turner, that in offering the libel against him in Saturday's Gazette, the party or parties that concocted it, are careful not to make a direct charge against him; but they say they saw a man that heard a man say that he saw a man that heard a man say that he saw a man that heard a man say that Mr. Turner wanted a man to stuff a ballot box. This is about the amount of it; and "stuff" it is, the poorest kind of a political libel. Every Republican friend of Mr. Turner ought to vote for him to-day in resentment of such villainy.

—The Democrats should order out the "Old Guard" to-day, and make it hot for the Republicans all along the lines. Every Democratic soldier should remain at the front until 6 o'clock in the evening. Many a battle is lost in the morning, and won back in the afternoon. Victory is sure to fall to those colors that are held up longest. Fire your big guns in the morning, but keep the small arms rattling away until dark. If Democrats will but attend to this advice, and not leave the polls as long as there are votes to go into the boxes, victory will surely crown their exertions.

—Remember, Democrats, and all other voters in Talbot, that under Democratic rule, the county taxes in this county are only 65 cents on the $100, notwithstanding the county pays $15,000 a year to keep open the public schools, white and colored, 10 months in the year. This is something the Democratic party can brag on. Don't risk increasing our county taxation by voting for Republican Commissioners. Vote the Democratic ticket, and keep down the taxes. Remember, also, that the County Commissioners pay CASH for every thing. Do not go back to the old levy and credit system by voting for the Republicans.

—Two years ago, a good many Democrats did Messrs. Dixon, Council, and Grace, the compliment to vote for them for the legislature. Then there was no United States Senator to elect, but the next legislature will elect a Senator, and these gentlemen, who are candidates again, must not expect the same Democrats to vote for them, which they cannot do without a sacrifice of principle. The gentlemen, this year Democrats must vote for Democrats, for the legislature, and thus hold aloft the Democratic banner in the United States Senate. This is no time for paying compliments, when every Democrat is working and voting to get the Federal Government out of the corrupt Republican clutches. Democrats, VOTE THE DEMOCRATIC TICKET.

—Can it be true, as reported, that before Mr. William T. Elliott, who is a bitter personal enemy of J. Frank Turner, would allow his name to be published in connection with the libel the Gazette uttered on Mr. Turner last Saturday, he made those who induced him to go into it to execute a bond to protect him from the consequences, should Mr. Turner sue his slanderers for libel? If this be true, those who prepared the matter for publication, published the charge knowing it to be libellous. Wonder if they gave Capt. Ridgaway and the Gazette each an indemnifying bond also? They ought to, as we learn the matter is likely to be taken to the court. Mr. Turner ought to make all concerned in the outrage to pay heavily for their malice, and he will, we have no doubt.

—The best, the cheapest remedy in the world; see advertisement of Simmons Liver Regulator.

The Fall Fashions.

John Satterfield, Tailor, opposite Franklin Hotel, Easton, announces to his friends and the public, that he has received the New York and Paris fashions of 1883-4, which he would like to have the gentlemen of the county call and examine. They will be found very pretty. He continues to cut, fit, and make suits in the best style, and will be pleased to furnish the cloth, samples of which may be seen at his shop. He thinks he can furnish a better article for the money than can be found in town.

Personal.

Hon. J. Randolph Tucker, of Virginia, arrived at Col. Richard C. Hollyday's Thursday morning.

Lieut. L. L. Bruff, of the Ordnance Department, U. S. Army, left Easton last week for Watertown, near Boston, where he has been assigned to duty.

A Pleasant Week.

Music Hall was filled on Wednesday evening with the elite of the county, to see the exquisite comedy, "Sweethearts," by W. S. Gilbert, and the laughable farce, "Cool Collegians," by Miss Merie, rendered by some amateurs of Miles River Neck. The playing was admirable, and would have done credit to professional artists. Mr. Emory Stone's Harry Spendthrift was rendered to the life, as was also Mr. Wm. Goldsborough's Wilcox. Miss Meta Hollyday played Mrs. Jenny Monticoff to perfection, and Miss Nannie Cox appeared very beautiful in the character of Ruth. Nothing could have been finer than Mr. Owen Norris's Harry Meredith, and Mr. Stone was inimitable as Fred Parks. Mrs. Owen Norris's exquisite beauty and sprightly intelligence fitted to the life the charming character of Mollie Wainwright. Miss Nannie Miles's Fannie Morrison was much admired. Mrs. Dr. Ore made a capital hit in Kate, the servant girl, but nothing in the whole performance was better than Miss Stone's personation of Mrs. Huntoon. Mr. J. Harold Wheeler's Muggins, the colored servant, was played with infinite humor. Miss Emma Goldsborough sang a charming solo, during the interval between the plays, which was received with a demonstrative encore. Not the least enjoyable part of the entertainment, was Prof. Rosenzweig's performance on the piano. The ladies and gentlemen were all complimented with beautiful bouquets of flowers by their friends.—Everything passed delightfully, and we understand the entertainment was gotten up for the benefit of Rev. Mr. Crozier's parsonage, at Tunis Mills.

The Racing at Montrose Park.

The racing at Montrose Fair Grounds on Wednesday afforded much pleasure to a large number of our citizens, ladies and gentlemen. The judges were Messrs. J. Marion Wooters, Louis W. Trail, and M. M. Higgins.

The following is the score:

4th Race—Running Race.

The entries in this race were Master Robert Martin's mare, Queen Letty, with Southern colors, and Mr. Callahan's sorrel Queen Anne's horse, with Oriole colors. The race was won easily by Queen Letty.

Public Business.

ORPHANS' COURT.

In the Orphans' Court on Tuesday Ella B. Cox, adm'x of Spedden Oren Cox, presented an account of debts sperate, an account of interest, an account of sales, and passed her final account of adm'r, and a distribution of the balance of the estate. Ella B. Cox was appointed guardian to her son Clarence A. Cox.

James E. McDaniel, adm'r of the personal estate of John H. Lowe, reported sales of leasehold estate.

The last will and testament of Alice M. McMahan was probated.

COUNTY COMMISSIONERS.

The examiners appointed to lay down a new road in Chapel district, known as the Catholic Church and Cranston road, reported favorably, with a plat of the road, and recommended that it be made. The road as laid down is perfectly straight, and nearly two miles long.

The Commissioners met again on Thursday and adopted so much of the examiners' report as proposed to widen the Glebe road from the Park woods to the junction of the Glebe and Goldsborough's Neck roads, and ordered proposals to be advertised for doing the work.

Gov Thomas' Address

Gov. Thomas addressed the Young Men's Democratic Club of Easton last Tuesday night, and made one of the ablest speeches of the campaign. He spoke for an hour and twenty minutes. We wish every voter in the county could have heard him. He effectually demolished the pretentions of Mr. Holton and his party as reformers, and made a powerful appeal to all Democrats to vote the ticket nominated. He said he was proud to say he had been voting for 52 years, and had NEVER SCRATCHED A TICKET. He had never thought himself better qualified than the Democratic party to judge as to who should be nominated or elected, and had always supported the nominees of his party. He paid a glowing tribute to his colleagues on the legislative ticket, Messrs. Seth and Lloyd, and invoked the party to stand by them. He paid a high compliment to the character and legal talents of Major Stewart, and urged the democracy to vote for him and elect him State's Attorney. His great speech was enthusiastically applauded, and a vote of thanks unanimously adopted by the Association for the great intellectual treat the Governor had afforded the audience.

A Natural Curiosity.

HIGHLEYTT, MD. Nov. 3d, 1883.

Mr. Robson:—I have sent you a potato that I grew this year, which has a member representing the Republican party. You will find Holton, the foundation, rotten in the end, with Stockett stuck to him; and Mullikin centre of county group, with Dixon, Councell and Grace backing him, and the smaller lights sticking to him.

Yours, &c.,
WM. B. EWING.

The potato was safely delivered on Friday by Mr. Daniel Marshall. Mr. Ewing has the thanks of the STAR for it. It is quite a curiosity in its way. The names Mr Ewing has given the roosters seem quite appropriate. If any one wants to see the Republican ticket in a potato, his wants can be gratified by calling at the STAR office

Young Democrats on the Stump.

The Young Men's Democratic Club of Easton was addressed last Tuesday night by two of our young Democrats, who certainly did themselves great credit. Mr. Harry J. Hopkins's speech was well prepared, admirably delivered, and warmly received. Mr. Charles S. Carrington proved to all present that he is a young man of superior mind, a student of history, and thoroughly understands the principles of the parties which have flourished since the formation of the government. Both of these speeches were repeatedly applauded by the large audience. The STAR predicts that both of these young Democrats will make their mark in the legal profession and in politics.

Special Notice to Judges of Election.

Two years ago, it is well-known that mistakes occurred in the counting of the votes, which caused some trouble. These mistakes in most cases grew out of the use of "stickers," and the not calling of every name by the judges when counting the ballots. These mistakes should not be repeated this year, and to prevent them, every name on the tickets should be called, when they are counted. We hope the judges of election will not fail to call every name when they count the tickets.

Look Out For Spurious Tickets.

It is reported that there are spurious Democratic tickets in circulation, with a rooster cut at the head of them. Look out Democrats, for the roosters. No genuine Democratic tickets have a rooster on them. None have been printed. Only counterfeits have a rooster on them. Whenever you find such a ticket, destroy it.

Death of Mr. J. A. Shannahan.

Mr. J. A. Shannahan, son of the late John H. K. Shannahan, and brother of Messrs. W. E. Shannahan and J. E. Shannahan, of this place, died at Wilmington, Del., last Tuesday, of Bright's disease, in his 31st year. The deceased was at one time in the mercantile business in Easton. He had been in bad health for sometime before his death.

Beware of Frauds.

It is said there are spurious Democratic tickets in Chapel with Mr. John Jump's name on them. Perhaps they may have the names of other Republicans on them. Examine your tickets, Democrats, before voting, and see that none of the Democratic names are left off and Republicans substituted.

Killed by the Kick of a Horse.

Mr. William A. Warren, employed by Mr. Rittenhouse as a teamster, was killed on Friday evening by the kick of a horse. He had turned one horse into the stable, which kicked him in the stomach as he was leading another horse in. He died in about two hours after he was kicked.

Good.

Mr. Heid, the piano tuner, will be in Easton to tune pianos, the middle of this month. Mr. Heid is a master of his business, and his work may be relied upon. Those wanting his services will please leave their orders at the book store of Mr. MacK. Goldsborough.
