Items of Interest.

—Court at Centreville last week.

—Next Monday is court at Easton.

—The negro drivers have looked blue since the election.

—Democrats of Talbot; how do you feel? Good, don't you?

—Since Tuesday Democrats have looked particularly smiling.

—The November term of court commences on the 19th this year.

—Remedy in the world; see advertisement of Simmons Liver Regulator.

—The wheat is coming up and growing off nicely, fertilized by warm autumnal showers.

—Genuine Havana filled cigars at P. G Hoffman's, cor. Railroad avenue & Hanson st

—Stop dosing and drugging; take advice from advertisement of Simmons Liver Regulator.

—"Everything is lovely, and the goose hangs high." Is that really so, Mr. Wright? Ask sheriff-elect Hopkins.

—When the Republican party gets enough Mullikin it will please let the STAR know. "Take him out, Mullikin."

—It is said there are a great many birds in this county this season, but the gunners are almost as numerous as the birds.

—Hurrah! for old Bay Hundred. She always comes up right when big Democratic majorities are wanted in the districts.

—Fresh Raisins, Currants, Prunes, Citron Nuts, Lemons and Oranges, and Cooking Raisins, just received at MacK. Goldsborough's book store.

—The best place to have your Cook Stoves Repaired is at Geo. W. Beck's, because he always keeps on hand the largest stock of Stove Repairs.

—"Not for Joseph" The Republicans of Talbot do not get the local offices this year. The people have voted to keep them in the hands of the Democrats.

—Who sunk Mr. Clark's money? This is the all important question at Trappe. Next time Mr. Clark will be fortunate if he is not sunk himself, as well as his money.

—Harry B. Elston, Easton's fashionable tailor, has received the latest New York fashions, and is fully prepared to cut and make clothes in the most fastidious manner.

—The STAR has tested Hoffman's waterproof stove gloss and can recommend it as a good thing. Every lady should keep a bottle in the house to keep the stoves bright.

—Having brought the Tarbutton-Woodall case before the bar of public opinion, tried over again, and received the popular verdict, the Republicans ought now to be satisfied.

—A nice assortment of Buffalo Robes, Wolf Robes, Scotch Robes, Lap and Horse Blankets, just received at Shannahan & Wrightson's.—They always have a large stock in this line. They are truly headquarters.

—The STAR sends congratulations "to all the world and the rest of mankind," on the glorious victory won by the Democrats on Tuesday. The band will play, "Hail to the Chief." Hurrah for Frank Turner!

—If you haven't candles to-night, Democrats, lamps will do to illuminate with; but let the lights in every house burn brightly as the torchlight procession passes through the streets. The Democratic laddies will attend to this part of the program.

—Wilsonia will cure Paralysis, Catarrh, Rheumatism, Nervous debility, pain in the back, Bronchitis, Asthma, Dyspepsia, and many other chronic diseases in which medicine has failed. Its record is marvelous. See advertisement on another page.

—The people having endorsed the judges of the circuit court for Talbot county, and the clerk of the court, and repudiated Mr. Edward Woodall, since the trial of the Tarbutton-Woodall case, that case ought to be considered finally settled in favor of the Democrats.

—The Democrats of Easton sat up nearly all Tuesday night, to get the news of victory. When it came, and the election of the whole ticket assured, they sent up a yell that must have been heard in Canada! There has been nothing like it in these parts since the war.

—As we now write on the 10th of November, the roses, gladiolas, and dahlias are still in bloom, not having yet had frost enough to destroy the foliage of these tender plants. It has been a remarkable autumn, but the warm weather is bad for coal dealers if it is good for poor people.

—Now is the time to prepare for cold weather, go at once to Shannahan & Wrightson's and examine their tremendous stock of Heating Stoves, Cook Stoves, Ranges and New Golden Sun Fire-Place Heaters, this is unmistakably the most popular stove on the market. Examine it before you buy.

—Another large invoice of breech-loading single and double barrel guns just received direct from the importers, by Shannahan & Wrightson, which they are selling at lowest city prices. It will pay you to call and examine their large stock of guns, pistols, ammunition and sportsmen's outfit.

—For sometime past the STAR has been filled with politics, to the exclusion of other matter, to the regret doubtless of numerous readers. We shall now drop politics in a measure, and devote more space to general news. Having fought the fought the fight and won the battle, we can afford to let politics alone for a season.

—W. E. Thornton, Esq.—Dear Sir: I use Larique's Bitters in my family, and think it a valuable and excellent medicine for all derangements both of Stomach, and Liver. It gives me much pleasure to endorse its merits, which you are at liberty to make use of in any way you may think proper. Very respectfully yours, Mrs. H. E. Kettlewell, 163 Hanover street.

—The young Democrats of Easton should keep their club alive until after the next presidential election. There is plenty of work for them to do, to get every Democrat into harness. And every Democrat ought to be a worker, and the young Democrats ought to be taught how to pick up Republican stragglers on election day. Keep up your organization, young Democrats, and consolidate your strength for the conflict of 1884.

—Why is it so many suffer from rheumatism aches, pains, kidney diseases, liver complaints, heart affections, etc.? It is simply because they will not come and be healed. All disease begin from a want of iron in the blood. This want of iron makes the blood thin, watery and impure. Impure blood carries weakness and distress to every part of the body. Supply this lack of iron by using Brown's Iron Bitters and you will soon find yourself enjoying perfect freedom from aches, pains and general ill-health.

—The Republicans of this county spent cords of money on the election last Tuesday, but it didn't win. The Democrats let the negroes slide, and bent all their energies in polling their own white vote. That they secured with few exceptions, and that is what gave them a glorious victory. If they will take our advice, next time they won't run after the "coons," but will let the Negro Drivers herd and vote them, while they vote the white men. There are more white Democrats than negroes and negro drivers in the county by several hundred, and we can win with the whites if we will.

—The best, the cheapest remedy in the world; see advertisement of Simmons Liver Regulator.

—Fresh beef continues to be dear eating.

—Lima beans and tomatoes still come t market.

—The court house looks sweet, in a coat of fresh paint.

—New malaga grapes at MacK. Goldsborough's book store.

—Talbot apples are much better flavored than northern apples.

—Ladies' and Children's wraps very cheap at J. E. Shannahan's.

—Blankets in great variety and extra cheap at J. E. Shannahan's.

—Some beauties in carpets and oil cloths for sale cheap by J. E. Shannahan.

—Gov. Hamilton has appointed Thursday, the 29th, inst., as Thanksgiving day.

—For valuable information, read the advertisement of Simmons Liver Regulator.

—Those in want of any kind of stoves can find what they want at Nichols & Bro.'s.

—See the beautiful styles in dress goods that J. E. Shannahan is selling at low figures.

—Turn out to-night, Democrats, and swell the procession. Every man should appear in the line.

—Gent.'s in want of cassimeres, underwear, gloves or neckwear, will do well to call at J. E. Shannahan's.

—The best assortment of fire-place heaters that has ever been shown in Easton are at Nichols & Bro.'s, opposite the bank.

—The Democrats of Virginia will celebrate their great victory over Boss Mahone to-night at Richmond. It will be a grand affair.

—Next year Trappe will go Democratic. The Mullikins are dead ducks. There are other names there that are coming to the front.

—The new Democratic State Central Committee for Talbot county did effective service in the late campaign, and contributed much to bring the party a glorious triumph.

—As we do our own work and have but little expense, we are sure that we can repair your stoves and heaters as cheap as the cheapest. NICHOLS & BRO.

—On Tuesday the Republicans had more money in Chapel district than the Democrats had in the whole county, yet they were beat in Chapel by 140 votes. How's that for high! Hurrah for the old Chapel every time!

—One of the best workers the Democrats had in Easton on Tuesday, was Henry Cooper, a colored man. Henry is as true as steel to his Democratic sentiments, and worked like a Trojan in the cause all day. Hurrah for Henry Cooper!

—Wonder how long it will be before we shall have the pleasure to record old St. Michaels as a Democratic district? The Republicans there fight hard for life, but they must go. Every district of the county will ultimately be Democratic.

—2,246 votes were cast for Mr. Thomas F. Chance, for Surveyor, last Tuesday, and that is about the Democratic vote of Talbot county. Mr. Stockett, for Attorney General, received 2,134, which is all the Republicans can poll, with a big pile of money to back them.

—The return judges met on Thursday to make their official return of the election, but finding some of the books had not been properly certified, they adjourned to Saturday, to have the omissions supplied, when they met at the county clerk's office and made their return.

—The old Chapel on Tuesday gallantly held aloft the Democratic flag. There is no wavering there. The Republicans tried hard this year to buy up the good old district, but the Democrats of old Chapel are not purchasable, and they stand by their principles like a stone wall."

—New stock London layer raisins, cooking raisins, prunes, currants, citron, oranges, lemons, apples and nuts of all kinds. New stock of cigars and very superior at $2.00, $2.40, $4.00, $5.00, $8.00 and $10.00 per hundred. Try them. At MacK. Goldsborough's book store.

—Last year Col. J. C. Mullikin carried Talbot county over Mr. George W. Covington for Congress, by 273 majority. This year Mr. J. Frank Turner carries the county over Col. Mullikin by 20 majority, after allowing his name to be traded off in numerous instances to help along a friend.

—The editor of the Gazette has our sincere sympathies in his defeat. He might have done better on Tuesday, if he had not "run the thing in the ground" with the Gazette of Saturday week. He should treasure up wisdom from his sad experience this year, and keep within bounds the next time he is a candidate.

—The day after the election, a country darkey, who came to town to hear the news of the great Republican victory, met Joe Gray on the street and asked him, "Why, how is this, Mr. Gray; I thought the Publicans were going to beat?" "There's a lame duck in the crowd, somewhere," was the laconic reply of the immortal Joe.

—Mr. Luther W. Covey has moved the little office from the front yard of the Pritchett house, on Goldsborough street, which he lately bought of the heirs of A. B. Pritchett, across the street on the Soulsby lot, and sold it to Mr. Charles Soulsby. The change is a great improvement to the corner of Goldsborough and Harrison streets.

—We believe that Major Wm. E. Stewart is the only Confederate soldier the Democrats have nominated in Talbot since the war, and he like to have run himself out of his boots. He is so far ahead it requires a field glass to see him. Hurrah for the Major! But if some people don't look out he will catch them before he is State's Attorney long.

—Wonder how those Democrats feel who worked against the Democratic ticket on Tuesday. If they felt Tuesday night and Wednesday morning as bad as they looked, their feelings must have been horrible. Not to have been able to rejoice over such a glorious victory as was won on Tuesday, must have been a mortification as horrible as the delirium tremens.

—We print this morning the 49th annual report of the Union Dorcas Society of Easton. It will be seen that the ladies make a strong appeal for the poor, to which we have no doubt our citizens will make their usual generous response. We notice that the society is about out of funds, hence the necessity of prompt contributions, so that the poor of the town may not suffer.

—The was a big effort made to push Mr. R. B. Dixon through on Tuesday at the expense of Col. Lloyd, but the scheme failed. They tried the game on too popular a gentleman. If Col. Lloyd had been a weak candidate, with the effort that was made, Mr. Dixon would have been elected, sure. Mr. Dixon is a clever and popular gentleman, and it is a pity that he is on the wrong side.

—All honor to the indomitable Democracy of Trappe district. Where the Republicans expected confidently to get over 100 majority, they got but 10. Both precincts in Trappe district did nobly on Tuesday. Mr. Joseph B. Seth, Judge S. B. Merrick, and Mr. Silas A. Simpson, our candidates in that district, deserve the sincere thanks of the Democracy of Talbot. Hurrah for old Trappe!

—We think it is in order now to return thanks to the Democratic Central Committee of Talbot county for the part it played in bringing to the party the great victory of Tuesday. It certainly worked diligently to registor and get the Democratic vote to the polls. The committee is capable of doing great good in the cause, and we have no doubt it will prove still more efficient in the future.

—Knowing that Col. Lloyd would be cut in this district, Mr. J. Frank Turner generously authorized his Democratic friends throughout the county to trade the comptroller for a vote for Col. Lloyd, wherever they could do so, and that they did, and this is why Mr. Turner was cut on a good many Democratic tickets. Mr. Turner was confident that he would be elected, and did not care about being cut at home, if he could thereby save the legislative ticket. It gives us great pleasure to record such a commendable piece of generosity in a candidate running for office.

—Everthing passed off quietly during the election day throughout Talbot county. In Easton there was scercely a wrangle during the whole day. The negroes were marshed to the polls and voted almost solidly for the Republicans. They commenced voting about 9 o'clock, and held exclusive possession of the polls for over an hour. The Democrats waited quietly until they got through, and then resumed voting. The electioneering here was very active on both sides. We have never seen a more stubbornly contested election. Both sides did their level best, and neither side interfered with the other while voting. We heard no complaint of unfairness. Several who applied to vote were turned down, not being registered.

Mrs. Eliza Vil'arch, 323 Chase street, Baltimore, Md., says: "I used Brown's Iron Bitters for malarial fever and it did me much good."

VICTORY!

The Election in this County.

We print below the official vote of Talbot county. It will be seen that the Democrats have elected their whole ticket by a handsome majority, and give McLane 97 majority. Some of our candidates were badly scratched, and fall behind the general average, because the Republicans had some men on their ticket they were determined to elect, if it were possible; but it was found impossible to elect them notwithstanding the almost superhuman exertions made to save them The good and the bad went down in a common heap together. When the democracy of Talbot are fully aroused, nothing can withstand them. We most heartily congratulate the Democrats of Talbot on their brilliant victory. They fought a gallant fight and justly earned the laurel which now encircles their brows. We have not a doubt that at the next election, the Democratic victory will be still more sweeping. The Republican leaders will not be likely to again throw away their thousands on a hopeless cause. And take away their money, and Old Talbot is Democratic by at least three hundred majority.

OUR NEIGHBORS.

The whole of the regular Democratic ticket is elected in Dorchester except Johnson, candidate for county Treasurer, who has been defeated by George J. Meekins, independent Democrat, supported by the Republicans.

In Caroline the whole Democratic ticket is elected except the Sheriff and one County Commissioner.

In Kent the Democrats have lost their State Senator. They elected the balance of their ticket. We most sincerely regret Mr. Usilton's defeat. He is an intelligent, clever gentleman, and would have made Kent county an admirable Senator.

Queen Anne's county has gone Democratic by a large majority.

In Somerset the whole Republican ticket is elected except State's Attorney and Surveyor. The Democrats throughout the State will deeply sympathize with Mr. Henry Page, in his defeat for the House of Delegates.

In Cecil the Democrats have elected everything but the Sheriff.

In Wicomico the whole Democratic ticket is elected.

In Worcester the Democrats have elected everything.

—"Lives of great men always remind us that we are all subject to die," says an exchange, but never cough yourself away as long as you can raise 25 cents for a bottle of Dr. Bull's Cough Syrup.

—Two negroes have been to a lady in town since Tuesday, to engage a mistress. They said the Democrats had won the election, and they were told if the Republicans lost, all the colored people would be made slaves again. They wanted to be in time to engage a good home. Poor things; have they no more sense than to believe such Republican lies. Why, the Republicans have told them this same story before every election for the last ten years; yet the Democrats have won every time, and yet the begroes are free. It takes a darkey longer than a puppy to get his eyes open.

—The young Democrats came to the front handsomely last Tuesday, and worked like beavers for the success of the party. The old Democrats also did their duty like trained soldiers. When the young and the old stand together on an election day, and work as they did throughout the county on Tuesday, the Democrats are sure to win. We have never known the Democrats, old and young, the politicians and the masses, the machine men, and the reformers, work together better or harder than they did on election day. All honor to the lion-hearted Democracy of Talbot county.

—The Democrats of this county on Tuesday, seemed to consider Mr. J. Frank Turner fair game to be traded off. He was traded about twenty times for sheriff, and several times for votes for commissioners. One Democrat tells us he traded him five times for votes for Mr. Hopkins. They said they knew he would be elected any way, and if they could save the county ticket by trading him, they knew he would not object, if it did make a bad showing for him at home. It is well that Mr. Turner is able to stand such kindness. But he goes in for the whole ticket, and so it wins he does not object to lose a few votes himself to assure its success.

The Fall Fashions.

John Satterfield, Tailor, opposite Frame Hotel, Easton, announces to his friends and the public, that he has received the New York and Paris fashions of 1883-4, which he would like to have the gentlemen of the county call and examine. They will be found very pretty. He continues to cut, fit, and make suits in the best style, and will be pleased to furnish the cloth, samples of which may be seen at his shop. He thinks he can finnish a better article for the money than can be found in town.

For the Star.

The Message.

The folling message, it is alleged, was sent from Easton, Tuesday night, Nov. 6th, 1883, by a prominent Republican:

Oh! tell the news to Holton,
Don't spread it far and wide,
But if you meet with Counsell,
The would-be county's pride;
Why have the grace to know him,
And as you pass him by
Just intimate that Thomas
Will see him bye-and-bye!

Oh! tell the news to Stockett,
And haste yo on the way,
And as you pass by Leonard
Pray ask him what's to pay?
For coal is dear! Seth's are high!
Monopoly? It reigns!
Yet Dixon stays and Lloyd goes
In spite of all our pains!

Oh! tell the news to Clayland,
'Telapt as Mullikin,
Ah! Billie Grace will see you!
Then poke this into him,
That Seth is here, Seth is there,
And Seth is everywhere,
And Seth'll be at Annapolis
As sure as air is air!

Oh! whisper it to Higgins,
And mention it to White,
Oh! intimate to Barber
That Walker wasn't right!
They carried us to Jordan,
They ducked us o'er and o'er,
We couldn't cross the river
But saw the other shore!

Oh! take me back to Moses,
And lay me by his side,
The de'il's to pay in Talbot,
For someone here has died.
So should you need my virtues
Go scent the morning air,
And as I haven't got them,
I hope you'll find them there.

D. I.

A Card.

It is with feelings of the most profound regret that we have learned of the sudden resignation of our belsved rector, the Rev. F. B. Crozier, and althaugh we respect the reasons that may have actuated him in taking so serious a step, we cannot but deplore the results, and we wish thus publicly to express, not only our great sorrow at losing him, but the high veneration in which we hold him, and the gratitude we feel, and ever shall feel, for his three years of earnest and devoted work amongst us.

A zealous and pure christian—whose charity embraces within its folds all who bear the name of Christ, a devout churchman; a tend r friend to the poor and afflicted; a wise counsellor; no respector of persons—alike to poor and rich: a man of high culture and attainments, we feel that his place cannot be easily filled, but we trust that our great loss may prove his gain and that of the church, and that wider fields of usefulness will be opened to him.

Whereve God, in His wise Providence, may cast his lot, our prayers and earnest wishes for his welfare, and that of his family, will follow him. VARIOUS PARISHIONERS.

(*Communicated.*)

MR. EDITOR:—The Easton Gazette has often charged that the Democratic party was the whiskey party. The Democrats had no whiskey Tuesday. They used none to electioneer with during the campaign. Not so the Republicans. They had whiskey flowing like water on DOVER STREET, all day, and a motly crowd of blacks and whites were going and coming, and the boast was made that more was acomplished for the Republicans with the whiskey used than was acclomplished with their money. Why did not the Gazette of Saturday denounce the whiskey business? Or is it for whiskey for the Republicans and against whiskey for the Democrats?

COUNTY COMMISSIONERS.

The County Commissioners were in session on Wednesday, but were engaged all day in settling up the unfinished business preparatory to turning the office over to their successors.

—There was so much joy in town among Democrats last Tuesday night over the election of Col. Lloyd, who had been singled out by the Republicans for defeat, that they almost forgot for a time, to rejoice over the election of other Democrats; but after hurrahing for Lloyd for a time, to let the Republicans know their scheme had failed, they then made the welkin ring in loud hurrahs over the success of the whole ticket.

Big Potatoes.

We have received from Mr. G. W. Dexter, on "Money Make" farm, Trappe district, a perfectly clean, smooth Irish potato, which weighs 1 pound and 11 ounces. Who can beat it?

This potato is overmatched in weight before we go to press. Mr. William F. Slaughter, of the same neighborhood, sends us one that weighs 2 pounds and 6 ounces. Its a rouser; but it is a large one covered with smaller ones. The large one would weigh at least 1½ pound. The Dexter potato is the finest specimen we ever saw
