

disturbance yesterday on Baltimore Street near S Paul to appreciate the importance of a rigid discharge of duty by the Police I feel it my duty to say that the Police Officer I do not know his name, who was close by me when the excitement occurred, deserves the commendation of the Board and the thanks of the public. I think it was the same Officer who made the arrest and if it was, he discharged his duty with remarkable energy and zeal.

Respectfully  
John E. King

Board adjourned,

Thos. E. Martin,  
Clerk.
