Bowling Scores

New records except for single string were set up, Thomas levelling 546 maples for a new individual total and the Clerks getting 860 for one-game and 2311 for three-game figures.

Final figures hoisted the Electric Light quint into first place with $25 for added attraction. Second and third money was divided between the Independents and Centreville Garage squads which tied for runner-up.

Francis Thomas, of the Legion, staged a whirlwind finish to take the gold medal for individual leadership in averages, duplicating his record of last season. Fowler of the Clerks snagged the silver medal for second position and bronze medals went to Hagen of the Firemen, Thompson, Never-Sweats, and Price, Independents.

Voice, Unable To Play Piano, Leans On It

Some years back a young lad out in Missouri, still in knee britches, played the piano at revival meetings conducted by his father. The piano was his first love, and he was said to have considerable talent.

Today, in a New York radio studio, that boy, now grown to manhood, still uses a piano in his work. As the Voice of Experience, he leans on a grand piano talking into a microphone, helping people iron out their tragedies.

He is reminded daily of his own tragedy. An automobile accident which crushed both his hands keeps him away from the piano's keyboard.
