Sparks From Brush Fire Destroy Colored Church

Sparks from a brush fire kindled a blaze in the roof of Earle's Chapel, a Colored church at Brownsville, about 10:30 o'clock Saturday morning and destroyed the structure before the Good Will Fire Company of Centreville reached the scene. The loss was estimated at $1,000 with no insurance.

Flames were shooting up from the roof when the fire was discovered by Gilbert Griffin. The building was dry as tinder and the blaze spread rapidly while Griffin was hurrying in search of a telephone. None of the furnishings were saved, the organ, benches and other articles going up in smoke.
