Centreville Hi-Post

C. H. S. WINS TITLE

In a closely contested game the Centreville High School soccer team won from the nicely coached Sudlersville aggregation by the score of 4-0 to win the Queen Anne's County championship. It was a nip and tuck game from the starting to the final whistle, providing all the heartaches and thrills one could ask of any game.

Centreville tallied in the first quarter after a few minutes of decisive playing. A nicely passed ball from Anthony to Chance completed the scoring play. In the closing minutes of the last quarter again on a fine pass by Skinner to Jones gave Centreville an additional goal to bring the score 4-0.

Sudlersville threatened continuously through Benton and Stevens, but the defensive work of the goalkeeper, fullbacks, and halfbacks prevented any scoring. One of the thrilling and outstanding spots in the game was Massey's sudden stop of Benton's bullet-like penalty shot in the third quarter preventing a possible Sudlersville score.

The county champions some day next week will enter the Eastern Shore elimination games to decide the Eastern Shore champion. This team will meet the Western Shore champion for the state title.

ENROLLS AT ARCHMERE

By Frances Brown

Guy Harmon, who was formerly a student in the present sophomore class, has entered Archmere Academy at Claymont, Del. The class will surely miss Guy, as his delightful sense of humor kept us all continually in stitches. From latest word, Guy likes it at Archmere, and is getting along nicely.

Stevensville Hi-Lights

BOYS SHOW IMPROVEMENT

By Calvert Jones, Jr.

Stevensville soccer team showed a great improvement last Tuesday, by scoring three points against the mighty Sudlersville eleven. Sudlersville isthe first team that we have scored against this season which looks bad for Sudlersville. However, we were defeated by a score of 5-3.

In the first quarter, Sudlersville started off with a rush by scoring a field goal in the first five minutes of play. Stevensville was outplayed altogether in the first quarter.

The second quarter was scoreless. The ball was kept in the center of the field during most of hte quarter. The half ended with a score of 2-0 in favor of Sudlersville.

Stevensville started the third quarter with a rush, the result of a "pep" talk by Coach Rhodes. A field goal was scored by Stevensville in the first two minutes which was followed by a penalty kicked by Captain Chance, to put Stevensville ahead by a score of 3-2. Sudlersville evened up the score, however, with a penalty just as the quarter ended. At the end ofthe third quarter, the score was 3-3.

TO CENTREVILLE

Centreville Soccer Team, the student of Stevensville High School wish to congratulate you as the Queen Anne's County Soccer Champions of 1936.

SENIORS GIVE PLAY

by Clara Bryan

The Seniors gave a short play in P. O. D. class this week. It was called the "Petticoat Bridge". The leading part was the character of Susan B. Anthony, played by Isabel Baxter. The oher students who took part in the play were: Jimmy Marks, Clara Bryan, Eva Chance, Evelyn Quimby and Agnes Clendaniel. The play was supposed to take place in 1872 in Rochester, New York. It concerned the right of women to vote.

WINCHELL-ING

by Virginia Gardner

Hello, everybody! This is your new Sophomore reportre. I'm sort of a Walter Winchell; that means you better keep your secrets locked up. That is enough introduction; so, let's have the news.

First one on the list is Marie Althoff. Morie's case is a familiar one. She went to the movies in Baltimore about a week ago and I asked her the name of the picture and she didn't know. I guess everyone knows why. I advise everyone if he wants to have a happy spirit in school to see "Swing Time". That's Margaret Fleckenstein's method. Say, I'd better leave the girls alone. Now, the boys have an expect fly-catcher. He can really "bring 'em back alive."

I suppose I might as well preserve the remaining gossip for next week.

Here are some of the fashion flashes: Several girls are wearing culottes. Combs are used a lot and tunics are making a place for themselves. That's all for this week.

Watch for next week's sophomore News.

GIRLS TIE

by Eva Chance

We enjoyed another trip to Sudlersville, Tuesday not in the rain this time). No, we didn't lose. No, we didn't win. You guessed it! The result was a tie, with the score 8-8. It was really a "tight" game and an exciting one. Credit should certainly be handed to "Margie" and "Sadie" of the Sudlersville team. They were the backbone of the team.

Sudlersville Hi Bulletin

GIRLS WIN AND TIE

The Sudlersville girls clashed with the Stevensville team last Tuesday, Stevensville scored first, but S. H. S. got one soon afterwards. And it was "one for you" and "one for me" until the end of the game which ended 8-8.

Sudlersville may get another chance at them.

Last Friday, S. H. S. again showed their field-ball ability by defeating Centreville 10-2.

The game was refereed by quarters. Centreville's referee took the first and third quarters and S. H. S. made the decisions in the second and fourth. Sudlersville threw all the goals except one in the first and third quarters.

Both games were played on the home grounds.

We meet Tri-County at Queen Anne on Friday.

BOYS WIN AND LOSE

We had our county games this week and broke even when the final whistle blew on Friday.

The S. H. S. boys sent Stevensville down to defeat on Tuesday by a score of 5-3.

Dixon and Holden made the two-point scores and Benton the penalty. Holden scored his goal in the final minutes of play, while the score was 3-3. Sudlersville was superior in all play throughout.

The Stevensville boys scored in the third period.

Our boys went down to defeat at the hands of Centreville, probably its bitterest rival.

The final score was 4-0. Sudlersville now has a record of 4 victories and 2 defeats. It includes two victories over Chestertown, and one each over Church Hill and Stevensville. We have lost to Centreville and Rock Hall by the respective scores of 4-0 and 3-0. We have several games remaining, three of which are Tri-County, Goldey College and Beacom College, of Wilmington.

DEDICATED

As many of our readers might have noticed, our column has a new name. Since every other school has a different name for their column, why should not we? The editors thought and thought and thought but to no avail. Our gloom deepened. But behold! a ray of sunshine. In walked Eleanor Shortall with a name.

Our worries are now over and we can go to press. However, that isn't all Miss Shortall has done for the school column. Time and again she has helped us and we wish to publicly thank her. A bouquet of roses to you, madame.
