STEVENSVILLE

The spring-like weather which has prevailed for the last few days has had its toning effect not only on shrubbery and vegetation but everyone in general seems to have revived the spirit of May and are busy giving their yards and surroundings a thorough renovation. New shrubbery is being planted, flowers are blooming and the whole scene of a few weeks ago, of snow and ice has been wonderfully changed by mother nature. How truly wonderful she is.

The Junior Choir of Stevensville M. E. Church is showing wonderful improvement under the leadership of the Rev. James Langrall. Both the Junior and Senior Choirs have their rehearsals on Thursday evening and it is truly an inspiration to hear them sing. They are using the new Methodist Hymnals of which about seventy-five were given by relatives in memory of their departed loved ones.
