SPORTSMANSHIP
(An Editorial)

Interscholastic sports in Queen Anne's County have a more specific purpose than the development of the skill and the health of the participants. Of course, these do enter into it. It is true that sports help to develop a sense of keenness and an ability to think fast and to outwit the other fellow.

However, our sports in Queen Anne's County High Schools are supposed to teach us to be friendly and to develop sportsmanship. By sportsmanship I mean being fair and honorable in sports. The defeated team that has played fairly and honorably is, by far, victorious over the winning team that did not play according to the rules of the game.

When you are defeated, smile; when victorious, tell the other fellow how hard you had to play to beat him. Also, remember that you are playing for "the honor of the school". Even though you are defeated, if you are fair and sportsmanly about it, you will give your school a better name than if you are victorious in an ungenerous and unfair way. Not only the team but the entire student body are factors in the reputation of the school. So, let's all be good "sports" and make STEVENSVILLE HIGH SCHOOL the best school in the county!

—Calvert Jones, Jr.

GIRLS VICTORIOUS
By Eva Chance

They came, they saw, we conquered! (Pardon us, Caesar.)

Stevensville girls once more got the winning goals Friday after a "terrific" fight. The game was a friendly battle from start to finish. Centreville put up a good fight, but our girls won. The score was 6-4, and I'm telling you, we really worked for that score.

What's more, we're going to do it again! Good sportsmanship was displayed by both teams. The three goals were thrown by Agnes Clendaniel (capt). Mary Jory, and Rebecca Davis.

Jo Evans, our goal keeper, showed her skill by keeping a penalty out. Atta Girl, Jo. Keep it up!

We are prepared. So right this way, Sudlersville; we are raring to go!!!

BOYS DEFEATED AGAIN
By Calvert Jones, Jr.

For the second time this season, Stevensville High Soccer team was defeated by the score of 2-0, the first time by Tri-County; the second, by Centreville.

Centreville scored their first and only goal in the first quarter. Both Stevensville and Centreville fought gallantly throughout the rest of the game but neither was able to score. Centreville owes her victory to her frontline ends, Anthony and Roe, and her goal keeper Massey. It was only by their speed and skill that Stevensville was defeated. Many times in the final quarter of the game, Stevensville threatened to score. Once, by a margin of three inches, Haspert, center forward, made a wonderful shot which struck the goal posts and rebounded to the wrong side of the goal.

The beginning line-up for Stevensville was: Palmer, Goal; Grollman, right fullback; Marks, left fullback; Porter, right fullback; Gardner, center halfback; Dadds, left halfback; Jones, right end forward; Lane, right inside forward; Haspert, center forward; Chance, left inside forward; Horney, left outside forward.

Jones was acting captain for the game. Perkins was the referee.

SENIOR NOTES
By Clara Bryan

The Senior class is glad to welcome one of its classmates, Nellie Johnson, who has been ill and unable to attend school up to this time.

The Seniors had their first lesson in Chemistry Laboratory Tuesday. The purpose of the lesson was to learn the names of the various pieces of apparatus. To cut and bend glass was another part of the lesson. Our first experiment was made the next day. This was to prepare oxygen and determine its chemical action. This was a very interesting experiment and we all thoroughly enjoyed it.

DORIS WYATT

A recent discovery of the Junior Class was that we have a poetess in our midst. She is Doris E. Wyatt.

She is quite versatile and very popular with both the boys and girls of not only her own class but of all other classes.

Her favorite subjects are French and English and she enjoys singing and writing poetry for a past-time.

We hope that she continues the good work of which she is capable.

CITY VERSUS COUNTRY
By Doris E. Wyatt

She comes with silks and satins
With rouged and painted lips
With curls that are not natural
And clothes that fit her hips;
With stockings sheer as cobwebs
And skin that's milky white
With eyebrows shaped like arches
And lashes black as night.

Her hair is black and shiny,
Her eyes a gleaming blue.
But you can see within them
A glitter that's not true.
She's always in a mix-up
And forever in a whirl.
I guess you know just whom I mean,
Of course, the city girl!

And now, just look who's coming
She's sparkling as the dew
Her cheeks are naturally rosy
She fits her name, it's Sue.
Her hair is slightly auburn
It sparkles in the sun
Her eyes of clearest hazel
Will win you, for you're won.

Her lips are shaped like cupid's
Her face is round and sweet
Her dresses made of gingham
Will sweep you off your feet.
She always has a way with you
A smile that's ne'er defeated.
Don't believe I have to tell you,
For she's the country girl!

GIRLS ATHLETIC NEWS

Sudlersville, Sudlersville, Sudlersville High
They're the girls who'll touch the sky
Throw 'em high
Come on girls let's go.

We made a good start Friday by winning the game from Church Hill 18-0. As As soon as the whistle blew S. H. S. took the ball and kept it in their hands most of the time. Margery Holden led the scorers with four goals. Hildred Powell gained three and Sadie Hardesty two.

The line up is nearly the same as last year with only two changes.

C. F., Sadie Hardesty; R. I., Margery Holden; R. W., Hildred Powell; L. I., Lois Stevens, L. W., Viola Cohey, R. H. B., Helen Powel; C. H. B., Kathleen Kimbles, L. H. B., Mary Wallace, R. F. B. Helen Roberts; L. F. B., Frances Biddle, Goal, Anabelle Holden. Substitute, Lulu Thompson.

Our next agme is with Stevensville. Last year they proved to be one of the strongest teams of the county and we are expecting plenty of opposition from them this year.

PRESIDENT G. S. P. PROGRAM

During the rainy weather on Wednesday afternoon the school entertained by a very interesting program which was given by the Gene Stratton Porter Literary Society. This was the first program of the school year. Due to the absence of the president of the society, Hubert Skinner, during the month of September the program was planned by the vice president. It was as follows:

Vice president's address—Fletcher Walls.

Society Song—G. S. P. Long.

Recitation—"September Mornings"—Nettie Ware.

Group Song—"Would You"—Margery Holden, Louise Walls, Mary Esther Wallae and Evelyn Cannon.

Monologue—"Boy's Remarks To His Stomach"—Frank A Tarbutton.

Song—"September Days"—A group of Freshman girls.

Recitation—"The Best Car"—Gilbert Brown.

Jokes—Louise Walls.

Closing Song—"America the Beautiful"—By School.

The French class has organized a French club. The officers elected are as follows:

President, Frank Aldred Tarbutton; vice president, Billy Phillips; Secretary and Treasuer, Frances Biddle.

We will have a club meeting every two weeks on Thursday with a program consisting of French games and conservation. The program committee for next Thursday is Leonore Zaunfauchs and Nettie Ware.

We are glad to welcome Billy Phillips back after his attack of appendicitis.

An interesting feature in Current Events this week was the account of the Harvard Tercentary. A special copy of the Boston Herald was donated to the class which showed wonderful views of the famous university.

WIN FROM CHURCH HILL

The S. H. S. boys opened their quest for the county championship with a 4-0 though out-played, out-kicked, and outwin over Church Hill. Church Hill, alwinded, put up a fair game. The S. H. S. boys could not make their shots count or there would be no idea of what the score would be. With the backfield keeping the ball to the line, Church Hill had little chance of scoring. Church Hill could not get the all past the backfield so that they were open to shoot for goal. Our goal keeper had few chances to prove his worth. Holden and Everett were the scorers for S. H. S. Everyone played a good game, and if we can continue to play as well we hope to win the championship again.

CIVICS NEWS

Friday we elected officers in our community civics class. Those who were elected are: President, Thomas Stevens; vice president, Henry Stone; secretary, Ellen Ross Johnston; treasurer, Anna A. Roberts; reporter, Betty Emerson.

family. In these cases the head of the family is unable to work because of serious illness, or physical or mental incapacity.

According to George Chesbro, executive secretary of the Welfare Board, it is not likely that general relief will be opened up because of this latest allotment. Employables will not be added to the list.

On the other hand it is probable that the present amounts paid to unemployables may be increased. In addition, relief assistance may be given to some borderline cases of unemployables who are in need but for whom no funds have been available for six months. A portion may be held in reserve to cover such emergencies as arose last winter when the severe weather caused hardships among watermen.

Word was also received by Mr. Chesbro that the budget of the Welfare Office for Old Age pensions for the three months ending December 31 has been cut slightly to $8,316.43 by the Board of State Aid and Charities. Because present demands for Old Age pensions have about exhausted the funds available the State Board has halted increases to counties where the number of pensions already granted exceeds 15% of the total population over 65 years of age.

Bobby Bishop and Peggy Shawn, Juniors, are in the Easton Emergency Hospital with appendicitis. They are now improving.

STEVENSVILLE 6, C. H. S. 4

Whew! What a game! When the whistle blew for the end of the first half Centreville was tied with Stevensville by a score of 2-2. When the last half started our girls sprang into the thick of things in an attempt to stop the onrusing Kent Islanders.

But we didn't play such good team work as was shown in the Church Hill game and perhaps that was why we didn't win.

If, however, it hadn't been for that reliable sophomore player, Madeline Ireland, Stevensville would have scored more goals. Madeline at right fullback was on the job every minute, stopping several balls that would have been goals. As it was, the score was only 6-4 in Stevensville's favor when the final whistle blew.

The two Centreville goals were scored by Jane McKenney and Edith Chance.

WIN AT SOCCER
By Jimmy Bryan

History rep eats. Last year we beat Stevensville 2-0 and on Friday the Centreville team won by the same score.

The first goal was made in the first quarter by hard work of the entire team. Throughout the rest of the game we had a keen struggle with those Stevensville boys.

In the last quarter Stevensville got a little rambunctious and tried to make a goal by carrying the ball up the field. However, they were unsuccessful.

C. H. S. line-up was: Goal, Massey; FB, Price; RFB, Meredith; CHB, Newell; RHB, Lane; LHB, Skinner; ROF, Anthony; LOF, Roe. Blevins was substituted for Lane in the last quarter because he was hurt.

PEP, VIM, VIGOR
By Clarence Legg

The enthusiasm shown by the Centreville High School at the games is mostly due to their frequent pep meetings led by Marguerite Dudley and Albert Wharton. With this able body of assistants, Dickie Day, Grace Cook, Marie Lankford, and Betty Bartlett, the meetings are well conducted.

And does that auditorium ring during pep meetings.

JUNIOR FINANCING
By Carlyle Blevins

The juniors got in a huddle last Monday and elected Donald Newell president, Frances Starkey as vice president, Carlyle Blevins as secretary, and Dorothy Holland as treasurer.

They also chose a committee of Frances Starkey, Kathryn Walters and James Bryan to speak with Mr. Walls concerning preparations for the Junior-Senior Prom. Mr. Walls suggested an individual maximum of contribution, because last year's treasury received much more from some students than from others.

To overcome this, the Junior Class has individually signed a petition saying that he (or she) promises to share equally with the remaining class in contributing to the treasury, which needs about $75.00, an individual maximum of approximately $3.50.

This money may be raised in any way suitable to the student. In fact, he (or she) may pay the treasury $3.50 and be free from any other obligations. Nearly all of the students have decided to pay weekly dues of 5 and 10 cents at a time.

MISSIONARY SOCIETY TO MEET

The Wilmington District Women's Home Missionary Society of the Methodist Episcopal Church will hold its semi-annual meeting at Asbury M. E. Church, Millington, today, Thursday. The morning session will open at 10:30 o'clock. Mrs. Joseph Brinton, of Wilmington, district president, will preside. Reports of all departments will be heard. Ladies of the church will serve lunch in Community Hall.

One of the troubles with the old world is that it is packed with people telling other people what to do.

In Memoriam

THOMPSON—In loving remembrance of my dear husband, son and brother Herman who departed this life one year ago, October 1st, 1935.

More and more each day we miss him
Friends may think the wound is healed
But they little know the sorrow
Lies within our hearts concealed.

Loving and kind in all his ways,
Upright and just to the end of his days,
Sincere and true in his heart and mind,
Beautiful memories he left behind.

By His Wife, Mother and Father.

When a brother breathes his last farewell
The stroke means more than tongue can tell,
The world seems quite another place
Without the smile of brother's face.

There is some one who misses you sadly,
And finds the time long since you went,
There is some one who thinks of you always
And tries to be brave and content.

By His Sisters Agnes and Myrtle.
