Queenstown Keeps Stove League Warm

Semi-Pros Are Busy During Winter Months

Although the baseball season is a few months away, the Hot Stove League is really buzzing. For the interest of some of the local fans lets take a look at what the players are doing during the winter months.

Bill Nicholson, former Washington College athlete has the jump on the other boys in the way of spring training by going to Mexico City with the Philadelphia Athletics. The local fans expect plenty of good returns from this boy this summer.

"Tug" Schelberg, veteran pitcher, is Captain of a Fishing Vessel in the Chester River. It is not konwn just where the old "gray eagle" will play this summer, but he has had offers from Cambridge and Centreville.

Bill Rhinehart, Queenstown infielder is working in a hotel in Deland, Fla., but will be back the first of April.

Jack Holland, and "Lobby" Cane, Goldsboro boys are employed by the Sinclair Refining Company in Marcus Hook, Pa.

Casper Clough, local slugger, and Joe Williams are busily working in their garages in Price and Rock Hall.

Ed Evans, first basemen, Addis Copple, southpaw hurler, and Eddie Turner, Centreville boy are still attending school at Washington College.

Ralph Walls, Goldsboro catcher is driving a truck for a firm in Balitmore.

Ed Walters, Cambridge receiver is teaching school.

Henry Baxter, Federalsburg, first basemen is working in the button factory at Denton. Boyce, Federalsburg infielder is also working at the same place as is Jack Stanley, outfielder of the same club.

Harvey Legates and Jack Holloway, heavy slugging outfielders from Milford are working in the Dental Works in the Delaware town.

Ed Nichols, one of the most popular players on the Shore is employed in the office of a Lumber firm in Queenstown. Now the property of the Baltimore Orioles, the little fellow met with a little discouragement a couple of weeks ago when he was stricken with a very bad case of blood poison from an infected hand, and was in very bad condition a week ago, but now seems to have improved somewhat, and the local fans are hoping that he will be out in no time.

Seek Share Of Wealth

Chestertown — A number of Kennedysville residents have been ordered to appear in court in Philadelphia to prove their relationship to Henrietta E. Garrett and their claims to the $20,000,000 snuff fortune left by her husband. Already 20,000 claimants from all over the world are seeking a piece of the fortune.

Records of the Continental Congress show only the final result of deliberations.

8 REASONS WHY
you should use
RED LION MILL
POULTRY FEEDS

1. Today your hens must lay 40% to pay their way.
2. 11 more eggs per hundred hens per day, is worth $10.00 per ton in Feed cost.
3. Hens will eat hay . . . but, only a balanced feed made from the best quality products will keep your production high enough to make a profit.
4. Some feeds cost their manufacturers as much as $10.00 per ton in advertising and sales.
5. Red Lion Mill Poultry Feeds are different from other feeds. Because they are tested on our own Commercial flock to get the most Egg Money from a bag of feed.
6. If more expensive feeds, or cheaper feeds were more profitable we would use them ourselves.
7. May of our customers raised 98 chicks out of 100 last year on Red Lion Mill starter. We now have 2500 chicks 18 days old. All growing uniformly with less than 1% loss.
8. Red Lion Mill Has Never Had a Dissatisfied Customer.

"Ask The Man That Feeds Them"

One year ago the Red Lion Mill offered to save you $5.00 to $6.00 per ton on your Dairy Feed using only the Highest Quality Ingredients in our formulas. We are proud to report that in one of the most unsettled feed price years we saved our customers from $6.00 to $10.00 under comparable High Quality Feeds. To these good customers we wish to express our sincere appreciation for their valued patronage . . . It is indeed an honor to serve some of the most successful Dairymen in Queen Anne's and Kent Counties.

THE SENSATION OF THE YEAR!

GULF'S *NEW* KNOCKPROOF GAS

WHY IS GULF'S NEW NO-NOX ETHYL the gasoline sensation of the year?

Because there's been a crying need for a fuel that *cannot* knock! Motorists have hailed the new No-Nox Ethyl as the answer . . . a fuel boosted to such a new high that it is absolutely *knockproof*—even in the high-compression 1937 cars!

Motorists have discovered that it gives more power, smoothness, economy in any car. And—equally important—it starts instantly—cuts down battery wear, excess choking, crankcase dilution!

Try Gulf's new No-Nox Ethyl at the Sign of the Orange Disc. Costs no more than other premium fuels. A tankful of No-Nox and a crankcaseful of Gulfpride Oil can't be topped!
