In Memoriam

In Loving Memory of my dear Wife, Julia A. who passed away, four years ago, April 17, 1933.

By the beautiful gate she stands and waits,
My dear wife from pain set free;
I shall clasp her hand and feel her kisses
When the hinges turn for me.

Shall I grieve because she's happy?
Shall I wish her back to weep?
No, I'll rejoice because my Saviour
Placed my lamb among his sheep.

Farewell, dear wife, a sad farewell
Thy loss to me no tongue can tell.
And when on earth I breathe no more,
I'll meet you on that heavenly shore.

By Her Husband,
WILLIAM R. SCHUYLER.

Sudlersville Skeeters Lose

Trail Chelsea Sextet In Sunday Match

The skeet club team from the Chelsea Country Club of Chelsea, Pa., proved that their earlier three-point victory over the Sudlersville Skeet Club was no fluke when the Keystone sextet defeated the Sudlersville marksmen 264 to 250 on the latter's course Sunday afternoon before an unusually large attendance of spectators.

The day was far from ideal for shooting, a high wind sweeping the field and making the clays cut badly. The visitors seemed at home in the rough going, Meli, in particular, notching every bird but one for high individual score of 49 out of 50 shot at. Joseph M. George led the Queen Anne's team, shattering 46 out of 50. Meli's only mishap came when he let one of a pair escape his aim. In all 2075 clay birds were thrown for the gunners.

As an accompaniment of the shoot the Sudlersville team set up a turkey dinner at Mildred Atkinson's with the Chelsea boys as guests. The treat was the penalty for losing the earlier match.

The scores, each man shooting at 50:

Chelsea—Meli, 49; Baldwin, 46; Parks, 44; Myers, 42; Lyman, 42; Penrose, 41. Total, 264.

Sudlersville—Joseph M. George, 46; J. Clifton Green, 44; Dr. C. H. Metcalfe, 42; Dr. Merritt Brice, 42; Mack Geiser, 39; Harry H. Hartley, 37. Total, 250.

County Guernseys Hang Up New Record

Two Blakeford Guernseys recently finished new official records entitling them to advanced registry while another Blakeford Guernsey and one from Pioneer Point hung up new individual records exceeding the average for their age and class.

The Blakeford cows entered in the Advanced Register were three-year-old Royelen's Daylofette, producing 12,234.5 pounds of milk and 669 pounds of butterfat in class EE, and Franchester Senora, producing 8,182.2 pounds of milk and 460.3 pounds of butterfat in class GG.

The Blakeford Guernsey hiking her record was three-year-old Haven Hills Bessie, which produced 11,966.5 pounds of milk and 517.4 pounds of butterfat in class EE while the Pioneer Point Guernsey which stepped up was three-year-old Mopsey's Lady of Pioneer Point, which rated 10,346.7 pounds of milk and 503.1 pounds of butterfat in class E. The records of the two latter cows were supervised by the University of Maryland.

When a housewife is choosing a dairy to supply her milk she should test it for herself to see if it is pure milk. This can be done in the home by putting a bright steel knitting needle into the milk; if, on withdrawal, the milk adheres and drops off slowly it is pure; if, on the other hand, it runs off quickly, leaving the needle bright, it has been diluted with water.

Wilson-Nestor Nuptials Friday, April 30th

Mr. and Mrs. Howard Emerson Nestor, of Washington, have issued invitations to the marriage of their daughter, Miss Leila Kathleen Nestor, to Mr. Harry Norman Wilson, of Ingleside, this county and Easton. The marriage will take place on Friday, April 30th at 4 o'clock, in St. Andrew's Protestant Episcopal Church, at College Park.

The marriage will be the culmination of a college romance begun when both Mr. Wilson and Miss Nestor were students at Maryland University.

Since graduation Miss Nestor has been employed by the government in Washington.

Mr. Wilson is the younger son of Senator and Mrs. William R. Wilson, of Ingleside, and is also a graduate of Maryland, where he starred in lacrosse. He is associated with his father in the Ingleside Milling Company, and for the past several years with his brother, W. Rodgers Wilson, has conducted the Wilson Brothers Milling plant in Easton.

Grace M. P. Services Held In Opera House

Owing to necessary repairs to the roof and ceiling of Grace M. P. Church, services on Sunday were conducted in the Centreville Opera House. They will also be held in the Opera House next Sunday, according to the Rev. L. Colvin Randall, pastor, with Sunday School at 10 A. M., morning service at 11 o'clock, but with no evening service.

Repairs were necessitated by leaks in the church roof as well as the recent fall of the bell caused by a rotted beam in the belfry. The bell is to be replaced with steel I-beams for support instead of timbers.

ENTERTAIN AT DINNER

Mr. and Mrs. Hersey Redden, of near Queen Anne, were hosts at a turkey dinner Sunday when they entertained the following guests: Mr. and Mrs. George Cane and son, Charles George, of Harrington, Del.; Miss Sara Emily Cane, also of Harrington; Mr. and Mrs. Walter Lord, Mr. and Mrs. Ross Trice, of Concord, Mr. and Mrs. Henry Lister and family, Mr. and Mrs. Willis Redden and family, of near Ridgely; Mr. and Mrs. Vincent Briscoe, of Price, Miss Louise Wright, of Concord and Mr. Harold Redden.

GET UP NIGHTS DUE TO BLADDER IRRITATION?

It's not normal. It's nature's "Danger Signal". Make this 25c test. Use buchu leaves, juniper oil, and 6 other drugs, made into little green tablets called Bukets. Flush out excess acids and impurities. Excess acids can cause irritation resulting in getting up nights, scanty flow, frequent desire, burning, backache, and leg pains. Just say Bukets to your druggist. In four days if not pleased your 25c will be refunded.

Both expressed satisfaction with the site of the ball park, its present condition and plans for its completion. Accompanied by John W. Perry, president of the Queen Anne's County Baseball Association and J. Elmer Anthony, a director, they visited the park to find ten scoops busy with the final grading.

Scoops were furnished by Percy Arrington, Charles Quimby, Pharis Morris, F. Bennett Carter, Wendell Shawn and two each by Claude Anthony and John Perry. Elmer Anthony, Pharis Morris and Joe Holden supervised the grading.

Present plans contemplate seeding of the outfield in the next four days. The infield will be bare, a "skin diamond." Fence posts have been bought and will be set next week, after which fencing and the building of the grandstand will be rushed. Bleachers now on hand will be set out shortly.

HOW TO RENT A ROOM

There are only two reasons why any room is vacant—either it's not worth the rent asked, or people do not know that it is for rent. Either way, you as the owner, suffer a loss of revenue. But, if the rent is just, then let a Record-Observer Classified Ad find a tenant for you.

Suppose YOU were looking for a room—what would you do? Undoubtedly you would start out in buying a copy of the Queen Anne's-Record-Observer (if you were not already one of our 3,000 subscribers) and see just what rooms were advertised. That's what most people do, so if you want to rent your room, call CENTREVILLE NO. 1 and a courteous ad-taker will help you write a brief, informative ad.

THE LIME FOR CORN RECORDS

In 1935, in Queen Anne's County, a well known farmer of the Second District grew sixty bushels of CORN per acre average on his whole field, with

"LI-MA"

No other plant food was used. He never grew that much corn before. Li-Ma is the purest form of agricultural lime. Therefore, you get much more lime for your money. Li-Ma is the only lime made that can be sown with a grain drill, as well as with a lime spreader.

Use Li-Ma this year for corn, tomatoes, sweet corn, soy beans, all grass crops, cantaloupes and truck crops.
